Fate Seen In The Dark:

Fate's Eyes Luke Bleckly,2015-05-19 Some people believe that fate is predestined That our futures are already laid out before us and we just follow it blindly never disrupting the pre destined path of our lives They are wrong There are two And Darren can see both **The Growing Darkness** MW Beck,2010-06-11 A good man is a good man It is his goodness that will turn him away from the temptation of evil A relic of great power over good and evil is lost It is the salvation of one nation while the destruction of another Lost to those who need it it is found by those that would take its power for their own The sparks of a world in danger are lit It is up to one woman to find the relic and bring it safely back to her own lands She will be joined by brave souls with challenges of their own Entwined are the lives of many who must rise above themselves and seek out the greatest adventure of their lives for if they do not all could be lost to the darkness of evil They are strong and valiant but will they be able to stop the activation of this relic and save the world they know in time **The Seed of Yggdrasill**
