Honore de Balzac,2019-09-18 Pere Goriot is the tragic story of a father whose obsessive love for his two daughters leads to his financial and personal ruin Interwoven with this theme is that of the impoverished young aristocrat Rastignac come to Paris from the provinces to make his fortune who befriends Goriot and becomes involved with the daughters The story is set against the background of a whole society driven by social ambition and lust for money **Father Goriot** Honoré de Balzac,2018-07-05 Father Goriot by Honore de Balzac and translated by Ellen Marriage Le Pere Goriot is an 1835 novel by French novelist and playwright Honore de Balzac 1799 1850 included in the Scenes de la vie privee section of his novel sequence La Comedie humaine Set in Paris in 1819 it follows the intertwined lives of three characters the elderly doting Goriot a mysterious criminal in hiding named Vautrin and a naive law student named Eug ne de Rastignac Le P re Goriot begins in June 1819 following Napoleon s defeat at Waterloo after the House of Bourbon had been restored to the throne of France Tension was mounting between the aristocracy which had returned with King Louis XVIII and the bourgeoisie produced by the Industrial Revolution During this era France saw a tightening of social structures with a lower class steeped in overwhelming poverty By one estimate almost three quarters of Parisians did not make the 500 600 francs a year required for a minimal standard of living At the same time this upheaval made possible a social mobility unthinkable during the Ancien Regime of previous centuries Individuals willing to adapt themselves to the rules of this new society could sometimes ascend into its upper echelons from modest backgrounds much to the distaste of the established wealthy class **Father Goriot** Honoré de Balzac,2020-02-20 The novel takes place during the Bourbon Restoration which brought about profound changes in French society the struggle of individuals to secure upper class status is ubiquitous in the book The city of Paris also impresses itself on the characters especially young Rastignac who grew up in the provinces of southern France Balzac analyzes through Goriot and others the nature of family and marriage providing a pessimistic view of these institutions

Gobseck Honoré de Balzac,1900 *Father Goriot* Honor,2017-11-03 Le P re Goriot Old Goriot or Father Goriot is an 1835 novel by French novelist and playwright Honor de Balzac 1799 1850 included in the Sc nes de la vie priv e section of his novel sequence La Com die humaine The novel takes place during the Bourbon Restoration which brought profound changes to French society the struggle by individuals to secure a higher social status is a major theme in the book The city of Paris also impresses itself on the characters especially young Rastignac who grew up in the provinces of southern France Balzac analyzes through Goriot and others the nature of family and marriage providing a pessimistic view of these institutions Father Goriot Honore De Balzac,2020-01-09 Father Goriot is one of French novelist Honore de Balzac s most important pieces of writing Three lives intertwine in Paris an old man a criminal and a law student The novel evokes an unstable period in France when many were desperate to climb the social ladder into the upper classes and it questions social institutions such as marriage The city is an important presence in this work Balzac was both praised and censured for his realistic portrayal of city life **Father Goriot** Honoré De Balzac,2017-12-06 The novel takes place during the Bourbon

Restoration which brought profound changes to French society the struggle by individuals to secure a higher social status is a major theme in the book The city of Paris also impresses itself on the characters especially young Rastignac who grew up in the provinces of southern France Balzac analyzes through Goriot and others the nature of family and marriage providing a pessimistic view of these institutions Father Goriot Honore de Balzac, Ellen Marriage, Murat Ukay, 2014-10-26 Mme Vauquer nee de Conflans is an elderly person who for the past forty years has kept a lodging house in the Rue Nueve Sainte Genevieve in the district that lies between the Latin Quarter and the Faubourg Saint Marcel Her house known in the neighborhood as the Maison Vauquer receives men and women old and young and no word has ever been breathed against her respectable establishment but at the same time it must be said that as a matter of fact no young woman has been under her roof for thirty years and that if a young man stays there for any length of time it is a sure sign that his allowance must be of the slenderest In 1819 however the time when this drama opens there was an almost penniless young girl among Mme Vauquer s boarders That word drama has been somewhat discredited of late it has been overworked and twisted to strange uses in these days of dolorous literature but it must do service again here not because this story is dramatic in the restricted sense of the word but because some tears may perhaps be shed intra et extra muros before it is over Will any one without the walls of Paris understand it It is open to doubt The only audience who could appreciate the results of close observation the careful reproduction of minute detail and local color are dwellers between the heights of Montrouge and Montmartre in a vale of crumbling stucco watered by streams of black mud a vale of sorrows which are real and joys too often hollow but this audience is so accustomed to terrible sensations that only some unimaginable and well neigh impossible woe could produce any lasting impression there Now and again there are tragedies so awful and so grand by reason of the complication of virtues and vices that bring them about that egotism and selfishness are forced to pause and are moved to pity but the impression that they receive is like a luscious fruit soon consumed Civilization like the car of Juggernaut is scarcely stayed perceptibly in its progress by a heart less easy to break than the others that lie in its course this also is broken and Civilization continues on her course triumphant And you too will do the like you who with this book in your white hand will sink back among the cushions of your armchair and say to yourself Perhaps this may amuse me You will read the story of Father Goriot s secret woes and dining thereafter with an unspoiled appetite will lay the blame of your insensibility upon the writer and accuse him of exaggeration of writing romances Ah once for all this drama is neither a fiction nor a romance All is true so true that every one can discern the elements of the tragedy in his own house perhaps in his own heart During the day a glimpse into the garden is easily obtained through a wicket to which a bell is attached On the opposite wall at the further end of the graveled walk a green marble arch was painted once upon a time by a local artist and in this semblance of a shrine a statue representing Cupid is installed a Parisian Cupid so blistered and disfigured that he looks like a candidate for one of the adjacent hospitals and might suggest an allegory to lovers of symbolism The half obliterated inscription on the pedestal
