**The Drama All Over a Father's First Love** Mandell Williams,2021-06-03 As the country fights against injustice in the criminal department there has also been an unspoken injustice brewing in the family court system for way too long For over twenty one years I have dedicated my life in spotlighting the dark side on an outdated system affecting so many lives I ve learned firsthand of this biased one sided system that has stolen my firstborn away from me My story of these events that has transpired throughout two decades has been well documented with the facts of my case in its entirety The surrounding drama marked by family court and fueled by a relentless baby mama has led me on a journey for justice for a daughter I never knew Just like so many others who have fought and lost the right to be a parent My mission now is to change and expose the truth of this corrupt culture that touches across all racial barriers and wealth status History has shown us that a father s love is one of the most important key figures in a child s life To undertake that away purposely can be an atrocity affecting generations to come But who knew the fight for my daughter would ultimately catapult my life into a direction for change and a front row seat to a new normal that affects us all The Everything Father's First Year Book Vincent
