The 100 Greatest Christmas Movies Scott Speed,2022-12-04 The book that follows contains one hundred Christmas themed movies and television specials that you should certainly consider watching during the festive season The qualification for entry here is that each film should at least contain a Christmas scene or be set at Christmas There are many perennial Christmas viewing staples like The Wizard of Oz and Willy Wonka and the Chocolate Factory but films like this don't qualify for our book because they aren't set at Christmas Films like On Her Majesty's Secret Service and Night of the Hunter DO qualify though because they have references to Christmas That's how our list works You'll find a very eclectic mix in the book that follows Beloved television cartoons comedy specials obscure horror films art house movies action classics stop motion animation anthology segments and even a few bizarre or cheesy guilty pleasures The list that follows is truly a case of the sublime and the ridiculous at times The connective tissue though is always Christmas So put another log on the fire get yourself a mince pie and prepare to dive into the 100 Greatest Christmas Movies [How the Movies Saved Christmas](#)
