Father Power:

Our Father's Business Tina Williams-Koroma, 2019-11-19 The subtitle of this book is Pick up the Mission Then Drop the Mic This book walks you through the life of Christ with a primary focus on the book of Luke in the Bible It provides wisdom from Jesus life as He lived out Our Father s business Although this book is divided by topic it largely maintains the chronology of events as they are captured in the book of Luke The inspiration for this book came as result of many personal experiences Being about our Father s business is bigger than any title in life Professionally I am an entrepreneur an adjunct instructor an attorney a board director and officer and many other titles Personally I am a wife a daughter a sister a friend a poet an athlete We all have many titles but above all of these there is a business a mission we have each been assigned to carry out This book is written to remind and encourage you and me to pick up the mission then drop the mic Picking up the mission refers to bearing your cross and coming after Christ Dropping the mic refers to when a speaker or artist is on a stage and says something so profound and final leaving nothing else to be said afterwards This is how our lives should be lived with such profundity that when our time on this earth is over we can say I have fought a good fight I have finished my course I have kept the faith our physical death being our drop the mic moment The specific challenges we face in deciding to answer God s call on our lives will be different for each of us Some of the most difficult decisions will be choices between good our plans and best God s plans for us It is my prayer that you read this book and pick up the mission so that at the end of your life you can then drop the mic Click here to access the author s website **Nicene and Post-Nicene Fathers** Philip Schaff, 2007-06-01 **The Office, Powers, and Jurisdiction, of His Majesty's Justices of the Peace and Commissioners of Supply** Robert Boyd, 1787 **The 7 Secrets of Effective Fathers** Ken R. Platter, 2021-07-05 There has been a recent revival of interest in the doctrine of divine simplicity in systematic and philosophical theology following decades of intense reflection on the tri personhood of the Christian God While recent studies have produced a greater appreciation of patristic and scholastic theologies they have not yet engaged in dialogue with proponents of the trinitarian revival that emerged in the latter half of the twentieth century in anything other than polemical terms This book offers a theological defense of the doctrine of divine simplicity through careful reading of both exemplary historical theologians and Robert W Jenson an important American contributor to the trinitarian revival After tracing continuities and discontinuities amongst select historical theologians the book approaches Jenson with a multivalent account of divine simplicity The result is a more nuanced interpretation of Jenson s theology an account of divine simplicity that responds to perceived problems and new constructive proposals for divine simplicity in trinitarian theology *Saint Ambrose Collection [9 Books]* Saint
