Dave Takisaki, 2018-05-29 Fatherhood is a lifelong journey that twists and turns has its ups and downs like a long country road Nothing quite prepares you for the start of the fatherhood journey there is no map However we can learn from others who have traveled down that same unpredictable road The book Welcome to Fatherhood Real Talk is an introduction to fatherhood for new dads who are in the whirlwind of fatherhood The author taps into his past as a new father and unearths the valuable lessons every new dad should know The book is designed to be real and raw including funny stories from the author and invaluable scripture from the Bible Excerpt Having children is a very sanctifying and humbling process and there will be many laughs tears and hair pulling moments throughout the years But that is how memories are made through the ups and downs in life We wouldn't savor the sweet times of gathering around a campfire roasting mallows with your kids without the trying times of raising them up from newborns Just like a sports team and the process they have to undergo they can't just step on to a field against another great team and expect to win They must go through the blood sweat and tears of practice and have the patience and belief that the process will work Fathers have a major responsibility in life just as Proverbs 22:6 says Train up a child in the way he should go even when he is old he will not depart from it ESV Not only are we called to husbands and dads we are also called to be ministers to our children and speaking truth into their life The book Welcome to Fatherhood Real Talk will walk through the many different hats a father must wear and the many different plates he must keep spinning This book will also give new fathers a few practical concepts or life hacks to help make life just a little bit easier Another Ray of Sunshine for the

Conversations with Michael Chabon Brannon Costello,2015-04-17 Since the publication of his first novel *The Mysteries of Pittsburgh* launched him to fame Michael Chabon b 1963 has become one of contemporary literature s most acclaimed novelists by pursuing his singular vision across all boundaries of genre and medium A firm believer that reading even the most challenging literature should be a fundamentally pleasurable experience Chabon has produced an astonishingly diverse body of work that includes detective novels weird tales of horror alternate history science fiction and rollicking chronicles of swashbuckling adventure alongside tender coming of age stories sprawling social novels and narratives of intense introspection Uniting them all is Chabon s utterly distinct prose style exuberant and graceful sometimes ironic but never cynical His work has earned accolades ranging from the Pulitzer Prize to science fiction s Hugo and Nebula Awards *Conversations with Michael Chabon* collects eighteen revealing interviews with the renowned author of *The Amazing Adventures of Kavalier & Clay* *The Yiddish Policemen s Union* and other much admired works Spanning nearly twenty years and drawn from science fiction fan magazines and literary journals alike these interviews shed new light on the central concerns of Chabon s fiction including the importance of dismantling the false divide between literary and lowbrow his evolving relationship to Jewish culture and literature the unique properties of male friendship and the complexities of race in contemporary America These interviews are essential reading for anyone seeking a better understanding of the life and work of an author who has been instrumental in defining the landscape of contemporary American fiction *An Incomplete and Inaccurate History of Sport* Kenny Mayne,2008-04-22 Painstakingly faithful to its title Kenny Mayne s book is neither complete nor is it particularly accurate Ostensibly an A to Z encyclopedia of all known sports many sports are never mentioned There s not a word about rugby volleyball Roller Derby swimming or shockingly Basque pelota or shinty There is a chapter about sliding but none about skiing Competitive eating and rhythmic gymnastics will have to wait for another book However there are roughly eight chapters about tackle football the greatest sport in the world and everyone knows it and a

good four or five about horse racing so quit complaining before you've even read the book There will be plenty of time for complaining after you've finished it about an hour from now tops Those sports that are covered in the book are examined with exhaustive inattention to unretained detail Many chapters have nothing to do with sport For instance the chapter on hunting is about hunting for a hassle free triple tall Americano light on the water So then what exactly is this book like thing you hold in your hands Part nostalgic memoir like the summer Mark Sansaver hit 843 home runs in backyard Wiffle ball part Dave Barry esque riffs like explaining bocce to non Italians part scholarly tract includes the origins of tackle football and part metafiction see Time outs all with illustrations drawn by Kenny's daughters it is what Kenny calls his anti coffee table book or Coaster The publisher calls it 24 95 Reviewers like Michiko Kakutani may call it insipid but because Kenny has included a revolutionary backwards following the book's foreword she'll have to call it an insipid breakthrough of a book So what is this book like thing Like the great mysteries in life you'll have to decide for yourself That would include a thought I just had This thought had something to do with Wiffle ball What a great chapter But that's not to say the chapter on hunting is terrible even though it's mostly about coffee Plus I wrote stuff about my children There's even a chapter on jai alai This book has both still photographs and still illustrations It doesn't have any moving pictures That would have required the inclusion of a projector and a big white screen in the book and I'm trying to take a stand on energy conservation Strangely enough Ken Griffey Jr asked me if the book would have video This will make sense when you read the chapter on him I wish I'd written about the Seattle Pilots I used to go to their games when I was nine My favorite player was Tommy Harper But this isn't just a sports book It covers all sorts of things I hope they place it in the Miscellaneous section That should draw a lot of attention I was told that the presence of a sub title would sell more books How am I doing with you Make sure to tell people about this alluring and informative sub title This sub title is longer than some of my chapters
