Fatherhood Reclaimed:

Fatherhood Reclaimed Adrienne Burgess, 1998 Providing an exploration of modern fatherhood this book is based on sociological anthropological and historical research It draws on interviews with a wide range of fathers as well as excerpts from diaries and biographies to look at the experience of being a father Fatherhood in Transition Thomas Johansson, Jesper Andreasson, 2017-03-17 This book discusses and analyses the ways in which fatherhood is in transition in contemporary and globalized society The authors identify and examine fathering practices in relation to hegemonic and marginal patterns of masculinity the concept of heteronormativity and sexuality and patterns of segregation class and national differences Contextualised in relation to theories of fatherhood and relevant statistics *Fatherhood in Transition* presents rich empirical material gathered in a number of western countries It focuses on key themes including transnational fathering and families gay fathers and the virtual global arena of fatherhood images found on the internet Containing a number of new discussions about masculinity and fatherhood whilst contributing to and developing existing debates and theories about men masculinity gender and society this book will be of interest to students and scholars across a range of disciplines including Men's Studies Gender Studies Sociology Psychology Media Studies and Cultural Studies

Fragmenting Fatherhood Richard Collier, Sally Sheldon, 2008-09-05 Debates about the future of fatherhood have been central to a range of conversations about changing family forms parenting and society Law has served an important yet often neglected role in these discussions serving as an important focal point for broader political frustrations playing a central role in mediating disputes and operating as a significant symbolic state sanctioned account of the scope of paternal rights and responsibilities *Fragmenting Fatherhood* provides the first sustained engagement with the way that fatherhood has been understood constructed and regulated within English law Drawing on a range of disparate legal provisions and material from diverse disciplines it sketches the major contours of the figure of the father as drawn in law and social policy tracing shifts in legal and broader understandings of what it means to be a father and what rights and obligations should accrue to that status In thematically linked chapters cutting across substantive areas of law the book locates fatherhood as a key site of contestation within broader political debates regarding the family and gender equality Multiple visions of fatherhood evolving unevenly over time across diverse areas of law emerge from this analysis Fatherhood is revealed as an essentially fragmented status and one which is intertwined in complex ways with the legal cultural and political contexts in which discourses of parenthood are produced *Fragmenting Fatherhood* provides an important and unique resource speaking to debates about fatherhood across a range of fields including law and legal theory sociology gender studies social policy marriage and the family women's studies and gender studies *Redefining Fatherhood* Nancy E. Dowd, 2000-07-01 Most fathers parent less than most mothers Those fathers who do parent equally or more so than mothers are poorly supported by our society For children this means a loss of adult care as well as an ongoing and sharply defined differentiation between

fathers and mothers Fathers are not present in children s lives to a significant degree if at all or when they are present they are often rendered socially invisible For many men their parenthood is defined as biological or economic while a minority of men struggle against the presumption that they are not caregivers In *Redefining Fatherhood* Nancy Dowd argues that this skewed social pattern is mirrored and supported by law Dowd makes the case for reenvisioning fatherhood away from genes and dollars and toward nurture Integrating economic social and legal aspects of fathering she makes the case for focusing on social nurturing behavior as the core meaning of fatherhood In this nuanced and complex analysis she explores the barriers to redefinition including concepts of masculinity the interconnections between fathers and mothers male violence and homophobia *Redefining Fatherhood* offers a progressive view on how men and society at large can change understandings and practices of fatherhood **Fatherhood - Philosophy for Everyone** Lon Nease, Michael W. Austin, 2011-03-25

FATHERHOOD PHILOSOPHY FOR EVERYONE FATHERHOOD PHILOSOPHY FOR EVERYONE It has been said that being a father is what finally gives a man his meaning in life And a father s role has never been so involved or expectations so high There s a lot for dads to discover and as Socrates demonstrated learning really begins when we as fathers realize how little we know But no fear help is at hand as *Fatherhood Philosophy for Everyone* offers wisdom and practical advice drawn from the annals of philosophy exploring paternal concerns such as Fatherhood and the meaning of life The impact of change in men who become fathers How to raise well adjusted children and have a more fulfilling and enjoyable experience of fatherhood Do real fathers bake cookies Both thought provoking and practical *Fatherhood Philosophy for Everyone* provides a valuable starting and ending point for reflecting on this crucial role **Intimate Fatherhood** Esther Dermott, 2014-06-11

Fatherhood is gaining ever more attention stimulated by the prominence of fathers rights groups and new social policies This innovative and timely book analyzes contemporary fatherhood men s parenting behaviour and their rights and responsibilities *The History of Fatherhood in Norway, 1850-2012* J. Lorentzen, 2015-12-04 The first study of its kind this book traces 150 years of the history of fatherhood in Scandinavia and shows how Scandinavian gender equality policy has important implications for the rest of the world Among other interesting findings Lorentzen reveals that the modern day rise in equality fathering can be traced back to the 19th century *Handbook of Father Involvement* Natasha J.

Cabrera, Catherine S. Tamis-LeMonda, 2012-12-06 This book brings together experts from diverse scientific disciplines who share an interest in the topic of father involvement Unlike most books in the field which tend to solely draw from a psychological perspective this *Handbook* merges theories and research from the unique fields of psychology economics demography sociology anthropology and social policy For the most part research on fathering is motivated by concern for children s well being Social scientists share a core set of questions including Who are fathers What is father involvement and how does it affect children and families What are the determinants of father involvement How do cultural contexts shape fathers roles in families This *Handbook* sheds light on how a cross disciplinary approach to the study of fathering can

advance knowledge about these fundamental questions This integrative approach is fundamental to a comprehensive understanding of human development generally and to fathering more specifically At the core of this book are the goals of describing and understanding the nature antecedents and consequences of father involvement across biological status family structure culture and stages in children s development both within and across scientific boundaries Each of the scientific disciplines represented offers unique methodological and theoretical approaches to the study of fathering and to the interpretation of behavioral patterns that characterize ecological systems that include as well as extend beyond family units Together the chapters offer provocative and challenging insight into the nature and meaning of fatherhood and father involvement by questioning longstanding assumptions about fathers roles in the lives of families and children in current history

The Postdivorce Family Ross A. Thompson, 1999-03-31 This book analyzes the issues surrounding divorce and its implications for public policy The authors integrate research and policy perspectives of scholars in various disciplines to focus on the consequences of divorce for children the parents responsibilities after divorce nonresidential parenting and the effects of a high divorce rate in society

Social Research for our Times Claire Cameron ,Alison Koslowski,Alison Lamont ,Peter Moss, 2023-11-14 For 50 years researchers at UCL s Thomas Coram Research Unit have been undertaking ground breaking policy relevant social research Their main focus has been social issues affecting children young people and families and the services provided for them Social Research for our Times brings together different generations of researchers from the Unit to share some of the most important results of their studies Two sections focus on the main findings and conclusions from research into children and children services and on family life minoritised groups and gender A third is then devoted to the innovative methods that have been developed and used to undertake research in these complex areas Running through the book is a key strategic question what should be the relationship between research and policy Or put another way what does policy relevant research mean This perennial question has gained new importance in the post Covid post Brexit world that we have entered making this text a timely intervention for sharing decades of experience Taking a unique opportunity to reflect on research context as well as research findings this book will be of interest to researchers teachers students and those involved in policy making both in and beyond dedicated research units and can be read as a whole or sampled for individual standalone chapters

Fathers, Fatherhood and Mental Illness Dariusz Galasinski, 2013-11-12 Fathers Fatherhood and Mental Illness provides the first book length study of fathers experiences of mental illness arguing that a discourse analytic focus upon the experience of mental illness is relevant both to social scientists and mental health scholars and practitioners

Bound by Love Laura Mattoon D'Amore, 2011-05-25 What does it mean to be bound by love Sometimes the bonds of love supply bliss and sometimes they demand sacrifice Sometimes experiencing love saves people and sometimes it kills them Being bound by love often engenders moral responsibility in other cases it enslaves and imprisons the soul American mythologies especially those presented in film and television perpetuate love as the central narrative of one s

life the search for a connection forged by love permeates every facet of human existence from our desire to be accepted or our longing to be needed to our fury at being rejected Sometimes love is the stuff of happiness fulfilling in every regard But there are also times when love makes us do things we should not do sometimes it turns us into people we do not want to become The commonality between love that satisfies and love that destroys is the bond between people who open themselves to the vulnerability of love Examination of the theme of familial bonds in film and television explores how the process of forming and maintaining those bonds complicates revises and reproduces ideas about love The chapters in this book explore how the nature of bonds and familial responsibility inform a popular cultural dialogue about the changing nature of the American family over the past sixty years

Navigating the Return-to-Work Experience for New Parents Maria Karanika-Murray, Cary Cooper, 2020-02-18 Parenthood can be one of the most fulfilling altering and challenging life events This book is set within the background of the reality of many parents return to work experience the task of re engaging with work and maintaining a job or a career and the difficulties that parenthood poses for balancing the demands of a new family with the demands of work It helps us understand this reality give voice to new parents and offer relief in the knowledge that we know a lot about these challenges and most importantly how we can start to address them The book brings together a number of internationally recognized experts from research practice and policy to explore the issues and offer evidence based solutions around return to work after having children It takes a balanced approach to theory and practice to cover topics such as equality stereotypes work family conflict training and development and workplace culture among others whilst integrating research and policy and illustrating learnings with case studies from parents and examples from countries that lead the way It will appeal to parents researchers and employers in any sector or economy across the world Ultimately it will help develop ways for new parents to re engage with work successfully while maintaining their work family well being

Fertility and the Male Life Cycle in the Era of Fertility Decline Caroline Bledsoe, Susana Lerner, Jane Guyer, 2000-02-10 This volume challenges the orthodox position on two of the main themes in fertility transition studies the inevitable link between fewer children and quality of life and the focus on women as the sole important objects of study In an era of unprecedented fertility decline there is increasing concern about the lessening worldwide role that men play in the upbringing of children The immense worldwide variation in the timing and sequencing of a man's life course events the rise and fall in personal fortunes and the weight of society's hierarchies all combine to affect the number of children a man fathers when he fathers them the number of partners he fathers them with and the kind of support and recognition he bestows on them The cross disciplinary approach favoured here including ethnographies national surveys and historical texts avoids the narrow focus of many fertility studies texts By providing detailed studies on a variety of countries ranging from Germany to Papua New Guinea the contributors build an accurate picture of the global situation while two Overview chapters give a wider perspective and the Introduction synthesizes the themes identified and conclusions reached

Promoting Men's

Mental Health David Conrad, Alan White, 2018-04-17 A welcome and important contribution to a thankfully growing debate. Mental illness remains in some ways the last great taboo in our society a taboo which leads directly to stigma and discrimination which for some can be even worse than the symptoms of their illness. This book in part is about encouraging men who have reached crisis point to seek help. Equally it is about prevention and sets out some of the excellent work being done on that. I hope it can inspire practitioners and policy makers to initiate similar interventions develop new ones and lift the promotion of men's mental health much higher up the agenda both in the UK and abroad. A Foreword by Alastair Campbell. Men in all their diverse groups settings lifestyles and stages of life can face considerable challenges to their mental wellbeing from specific cultural and societal factors causing difficulties for themselves and those who live and work with them. In addition these men may respond better to certain approaches and treatment. Promoting Men's Mental Health outlines the breadth of the challenges and provides guidance for those working in primary care on targeting and helping men who need support. Good mental health is more than the absence of mental illness and this book therefore highlights methods to promote positive mental health by increasing psychological wellbeing competency and coping skills and by creating supportive living and working environments. The book highlights examples of best practice throughout the UK Europe and America and will be essential reading for primary care and mental health professionals and all those with an interest in men's mental health. We need to be more innovative in the way we try to reach men. This book will help stimulate further discussion and hopefully encourage men to seek help or support. From the Foreword by Louis Appleby. *Fathers in Cultural Context* David W. Shwalb, Barbara J. Shwalb, Michael E. Lamb, 2013 First Published in 2013 Routledge is an imprint of Taylor Francis an informa company. *The New Manhood* Steve Biddulph, 2019-08-01 The New Manhood by Australia's world renowned family activist Steve Biddulph is the most influential book written for generations on the lives of men. Fatherhood Reclaimed Introduction

In the digital age, access to information has become easier than ever before. The ability to download Fatherhood Reclaimed has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Fatherhood Reclaimed has opened up a world of possibilities. Downloading Fatherhood Reclaimed provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Fatherhood Reclaimed has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Fatherhood Reclaimed. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Fatherhood Reclaimed. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Fatherhood

Reclaimed, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Fatherhood Reclaimed has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Fatherhood Reclaimed Books

What is a Fatherhood Reclaimed PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Fatherhood Reclaimed PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Fatherhood Reclaimed PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Fatherhood Reclaimed PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Fatherhood Reclaimed PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac),

or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
