Brown, 2000-10-06 A few weeks after Dad passed away says H Jackson Brown Jr the compiler of A Father's Book of Wisdom we found eight shoeboxes in his closet filled with scraps of paper all covered with ideas Dad thought were profound interesting or merely amusing The result is one father's view of life and what he thought about the importance of self reliance commitment love generosity and success It contains 159 quotes from Socrates Eleanor Roosevelt Andrew Jackson Mother Teresa and many others covering such topics as achievement courage happiness parenting success and values Quotations such as If you're looking for a big opportunity seek out a big problem and Life doesn't come with an instruction book that's why we have fathers communicate an upbeat positive view of the world that will inspire and charm the reader It is the perfect gift book for Father's Day graduation or any time of the year and may even inspire you to jot down a few notes of your own

**Wisdom of Our Fathers** Tim Russert, 2006-05-23 What does it really mean to be a good father What did your father tell you that has stayed with you throughout your life Was there a lesson from him a story or a moment that helped to make you who you are Is there a special memory that makes you smile when you least expect it After the publication of Tim Russert's number one New York Times bestseller about his father Big Russ Me he received an avalanche of letters from daughters and sons who wanted to tell him about their own fathers most of whom were not superdads or heroes but ordinary men who were remembered and cherished for some of their best moments of advice tenderness strength honor discipline and occasional eccentricity Most of these daughters and sons were eager to express the gratitude they had carried with them through the years Others wanted to share lessons and memories and most important pass them down to their own children This book is for all fathers young or old who can learn from the men in these pages how to get it right and to understand that sometimes it is the little gestures that can make the big difference for your child For some in this book the appreciation came later than they would have liked But as Wisdom of Our Fathers reminds us it is never too late to embrace it From the father who coached his daughter in sports and life attending every meet game performance and tournament to the daughter who after a fifteen year estrangement learned to make peace with her difficult father just before he died to the son who came at last to appreciate the silent way his father could show affection Wisdom of Our Fathers shares rewarding lessons immeasurable gifts and lasting values Heartfelt humorous engaging irresistibly readable and bound to bring back memories of unforgettable moments with our own fathers Tim Russert's new book is not only a fitting companion to his own marvelous memoir but also a celebration of the positive qualities passed down from generation to generation
