Fathers Who Made A Difference:

Eighty-three Different Questions (The Fathers of the Church, Volume 70) Saint Augustine, 1982 No description available

Nicene and Post-Nicene Fathers Philip Schaff, 2007-06-01 **My Dad Made a Difference** , 2001 This moving collection

from Focus on the Family listeners illustrates how a father's encouragement, prayerfulness and guidance can give his children the solid foundation they need to building a meaningful life. Hand tinted portraits by Kathleen Francour enhance this collection of Scriptures, poems and quotations. *Fathers of Influence* , 2007-03 Fathers of Influence features men throughout history who have made a difference in the world or raised their children to have a powerful impact on the world. Organized to present each father individually, this book contains the name, dates he lived, a Father of Influence Principle that highlights the significant contribution the father made to the world or to his child's life, a Bible verse that complements the principle, and a short biographical sketch of his life. Also included is a Famous Fathers of the Bible section and a discussion on what it means to be a Father of Influence. Features and Benefits: Fathers will be inspired by true stories of how dads influenced their children. Fathers will be given practical ways to improve their fathering skills. Fathers of Influence will make a great companion for Mothers of Influence. *IBM SPSS for Intermediate Statistics* Nancy L. Leech, Karen C.

Barrett, George A. Morgan, 2012-03-29 Designed to help readers analyze and interpret research data using IBM SPSS, this user friendly book shows readers how to choose the appropriate statistic based on the design, perform intermediate statistics including multivariate statistics, interpret output and write about the results. The book reviews research designs and how to assess the accuracy and reliability of data, whether data meet the assumptions of statistical tests, how to calculate and interpret effect sizes for intermediate statistics including odds ratios for logistic and discriminant analyses, how to compute and interpret post hoc power, and an overview of basic statistics for those who need a review. Unique chapters on multilevel linear modeling, multivariate analysis of variance, MANOVA, assessing reliability of data, and factor analysis are provided. SPSS syntax along with the output is included for those who prefer this format. The new edition features IBM SPSS version 19, although the book can be used with most older and newer versions. Expanded discussion of assumptions and effect size measures in several chapters, expanded discussion of multilevel modeling, expansion of other useful SPSS functions in Appendix A, examples that meet the new formatting guidelines in the 6th edition of the APA Publication Manual, 2010 flowcharts and tables to help select the appropriate statistic and interpret statistical significance and effect sizes, multiple realistic data sets available on the website used to solve the chapter problems, password protected Instructor's Resource materials with PowerPoint slides, answers to interpretation questions and extra SPSS problems and chapter outlines and study guides. *IBM SPSS for Intermediate Statistics Fourth Edition* provides helpful teaching tools: all of the key SPSS windows needed to perform the analyses, outputs with call out boxes to highlight key points, interpretation sections and questions to help students better understand and interpret the output, extra problems using multiple realistic data sets for practice in

conducting analyses using intermediate statistics helpful appendices on how to get started with SPSS writing research questions and review of basic statistics An ideal supplement for courses in either intermediate advanced statistics or research methods taught in departments of psychology education and other social and health sciences this book is also appreciated by researchers in these areas looking for a handy reference for SPSS
