*THE WISDOM OF THE DESERT FATHERS SYSTEMATIC SAYINGS from the ANONYMOUS SERIES OF THE APOPHTHEGMATA PATRUM*, 2012-03-22 Fairacres Publications 48 Sister Benedicta notes in her Introduction that the virtues and obligations inherent in the gospel for all are presented in the literature of the desert in stark and vivid colours like a poster in their clarity In this collection of Sayings from the desert tradition arranged under subject headings the monks and nuns of fourth century Egypt show us that the spirituality of the desert is for everyone Their teaching speaks to any who follow the way of Christ it is concerned more with action and behaviour than with mystical experience with compassion forbearance self knowledge and facing inner conflict *The Anonymous Sayings of the Desert Fathers*, 2013-05-02 The Tales and Sayings of the Desert Fathers Apophthegmata Patrum are a key source of evidence for the practice and theory respectively of eremitic monasticism a significant phenomenon within the early history of Christianity The publication of this book finally ensures the availability of all three major collections which constitute the work edited and translated into English Richer in Tales than the Alphabetic collection to which this is an appendix both to be dated c AD 500 the Anonymous collection presented in this volume furnishes almost as much material for the study of the late antique world from which the monk sought to escape as it does for the monastic endeavour itself More material continued to be added well into the seventh century and so the spread and gradual evolution of monasticism are illustrated here over a period of about two and a half centuries Parents Anonymous Teresa Rafael, 1999 **Parents Anonymous** Kee MacFarlane, Leonard Lieber, 1978

**Fathers and Families** Henry B. Biller, 1993-01-21 Biller well known for his extensive research into the impacts of involved fathering or the absence thereof provides a comprehensive straightforward analysis of just how important paternal involvement really is He describes the great advantages accruing to a child when the father as well as the mother actively participates in the parenting process Fathers who sustain high interest and a true presence in a child s nurturing significantly influence body image self esteem moral standards intellectual achievement and social competency The benefits Biller shows extend beyond the father child relationship and include heightened spousal satisfaction and a sense of overall family well being The reciprocal influences of father mother and child development are considered within a lifespan biopsychosocial perspective This is an important and compelling treatment of a topic of immense concern not only to individual families but to society as a whole Biller by relating specific issues to fathers roles and influences offers the first integrated analysis of just how important a father s caring presence and active involvement is to his child s and spouse s psychosocial well being This balanced study of paternal factors addresses not only such issues as nurturance discipline and the cultivation of self esteem intelligence and creativity but also family problems so evident in current society There is a thorough analysis concerning complex connections among gender roles parenting and personality development The work is highly substantive realistic and encouraging in its potential for guidance and offers insightful useful conclusions on paternal
