

This Declaration, made the 11th day of May, 1992, I being of sound mind, fully aware and knowing my desire that my dying shall not be artificially prolonged under the circumstances set forth below, do hereby declare:

I am not suffering an incurable injury, disease, or illness regarded as a terminal condition by my physician, and if my physician has advised that life-sustaining procedures would serve only to artificially prolong the dying process and that my death will occur whether or not life-sustaining procedures are utilized, I direct that such procedures, including the intubation for sustenance and hydration, be withheld or withdrawn and that I be permitted to die

with only the administration of medication or the performance of any medical procedure deemed necessary to provide **five** comfort care, with the exception of providing for sustenance and hydration.

IN THE ABSENCE of my ability to give instructions regarding the use of such life-sustaining procedures, it is my intention that this Declaration shall be honored by my family and physician as the final expression of my legal right to refuse medical or surgical treatment and accept the consequences from such refusal, and that I have discussed my views as to life-sustaining measures with my friends and family, with whom I understand my wishes.

I understand the full import of this Declaration, and I am emotionally and mentally competent to make this Declaration.

Fathers Arent Supposed To Die:

Fathers Aren't Supposed to Die T. M. Shine, 2000 In an intimate and humorous memoir writer T M Shine explores an emotionally devastating experience the struggle to come to terms with a parent's death [Living in the Father's Embrace](#) George Montague, 2014-05-01 Most of us have a personal relationship with Jesus but how well do we know God the Father Are we able to call him Abba as Jesus did Did we have a complicated relationship with our earthly father that keeps us distant from our Father How do we look at the Father when we are dealing with grief and loss Scripture scholar and popular author George Montague touches on these questions and more in twenty beautifully written reflections that provide rich insights into the love at the heart of the Trinity Montague uses everyday examples to help us to envision what that awesome relationship is like between Father and Son and how they long through the Holy Spirit to bring each one of us into their communion of love This is a book you will want to read again and again **When Parents Die** Rebecca Abrams, 2013 The death of a parent marks an emotional and psychological watershed in a person's life For children and teenagers the loss of a parent if not handled sensitively can be a lasting trauma and for adults too a parent's death can be a tremendous blow When Parents Die speaks to bereaved children of all ages Rebecca Abrams draws on her personal and professional understandings of parental loss as well as the experiences of many other adults teenagers and children to provide the reader with an honest compassionate and insightful exploration of the experience of losing a parent The book covers the entire course of grieving from the immediate aftermath of a parent's death through to the point of recovery paying particular attention to the many circumstances that can prolong and complicate mourning including sudden death An indispensable aid to the bereaved and the many professionals who work with them this book is written in a clear and sympathetic style It has been fully revised for this third edition to take recent research into account **Our Father Who Aren't in Heaven** Robert S. Turner, 2015-03-02 The Lord's Prayer holds an honored place in the worship and devotional practices of countless Christians around the world People of every ethnic background denominational affiliation and theological leaning pray to Our Father who art in heaven But what if there's more to it than we think Our Father Who Aren't in Heaven takes a decidedly this worldly approach to the prayer and seeks to understand what Jesus meant to teach his original disciples and us through this radical manifesto of the kingdom of God In these pages Robert S Turner presents a political reading of the prayer and explores how we can encounter through it a God who has left the divine hammock empty and cast God's lot with humanity and the rest of creation A renewed understanding of the prayer may have the capacity to transform the world These subversive reflections on the Lord's Prayer may have the capacity to transform the reader as well **You Are Not The Father** Miranda Queen, 2019-12-21 RIVETING and RAW Miranda Queen is an inner city young lady that made it out She embodies pure strength motivation and sheer will to survive She is a woman determined to defy all odds against her An admired esteemed and well respected Naval veteran This book identifies with anyone with an active heartbeat She outlines how to heal past the pain of anyone hurt both past and

present Miranda shares how she was forced to deal with the deep dark rooted secrets of her parents that affected her while she found her truth in her parents lives As painful as it was to find out at age 36 that the man who she thought was all her mother s children s father also molested her at age 9 He was in fact not her biological father but a man everyone knew in her neighborhood and family The long lasting pain was so deep she questioned everything in her life Clearly uncertain of her future as a mother Miranda harbored anguish doubt pain and regret Miranda details how she healed past the pain of this deep family secret A 13 year old mother and 34 year old grandmother Her family members and classmates thought that she would have at least 3 more kids by 18 but instead she visited 8 countries by 18 Miranda wanted to be normal like her other friends and family members but nothing about her childhood and life was normal One adversity after another and just when she thought she was catching a break the secret was revealed to her It was time to face her past now PTSD both pre and post military and the anxiety and depression suppressed for 30 years along with this secret for 36 *You Are Not Going to*

Heaven (and why it doesn't matter) Wes Bergen,2013-07-08 Honesty Humility The purpose and future of the church Useful and not useful parts of the Bible A doctrine of salvation that includes mosquitoes These are some of the topics dealt with in this controversial book Written for those who still have hope for the church as well as those who don t Wes Bergen s aim is to cast a vision of the church beyond divine fire insurance Bergen s contention is that salvation is something that either happens here and now on this earth or not at all Salvation is something that happens to bodies More importantly salvation is something that either will happen on this earth or we risk making the world uninhabitable by human beings Souls are irrelevant when the air is dirty the water is undrinkable and there isn t enough to eat These are the things that the Bible really cares about and form the building blocks for the salvation that God offers This is also why this book is not about heaven The Bible is not a manual for getting to heaven The Bible cares very little about heaven and neither should you Salvation is about what happens to bodies on Tuesday rather than what we do Sunday morning or what happens to souls after the body dies Forget about heaven Either you trust in God or you don t Now get to work helping salvation happen

You Are Not a Stranger Here Adam Haslett,2003-08-12 In these unforgettable stories the acclaimed author of *Imagine Me Gone* explores lives that appear shuttered by loss and discovers entire worlds hidden inside them The impact is at once harrowing and thrilling An elderly inventor burning with manic creativity tries to reconcile with his estranged gay son A bereaved boy draws a thuggish classmate into a relationship of escalating guilt and violence A genteel middle aged woman a long time resident of a psychiatric hospital becomes the confidante of a lovelorn teenaged volunteer Told with Chekhovian restraint and compassion and conveying both the sorrow of life and the courage with which people rise to meet it *You Are Not a Stranger Here* is a triumph of storytelling **Life's Toughest Lessons Aren't Meant for Nothing** Terry Dodd,2007-07 Writing from a journal of love and care for his wife of 46 years as she courageously and faithfully yet unsuccessfully battled cancer for 19 months the author conveys how God uses circumstances to prune and refine believers

Motivation **Clouds Are Not Spheres: A Portrait Of Benoit Mandelbrot, The Founding Father Of Fractal Geometry** Nigel Lesmoir-gordon,2018-03-12 The book is well illustrated earlier chapters with monochrome portraits of Mandelbrot his family and those who influenced him and later ones with striking colour pictures not only of the Mandelbrot set and other computer generated fractals but also of real fractals including cloud formations and rural and mountain scenes This celebration of Mandelbrot s scientific life is largely based on interviews that the author had with him when making films on his work A challenge for historians of mathematics and science in coming years will be to produce a more broadly contextual and rounded account of the advent of fractals London Math Society The time is right following Beno t Mandelbrot s death in 2010 to publish this landmark book about the life and work of this maverick math genius This compact book celebrates the life and achievements of Beno t Mandelbrot with the ideas of fractals presented in a way that can be understood by the interested lay person Mathematics is largely avoided Instead Mandelbrot s ideas and insights are described using a combination of intuition and pictures The early part of the book is largely biographical but it portrays well how Mandelbrot s life and ideas developed and led to the fractal notions that are surveyed in the latter parts of the book
