

A young man with dark hair and a beard is sitting next to an older man with white hair and a beard. They are both looking down at a smartphone held by the older man. The young man has his arm around the older man's shoulder. They are both smiling. The background is a simple indoor setting with a wooden chair and a white wall.

One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine. The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set. The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices. But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers. In Volume I of the 10 volume collected works of the Ante Nicenes first published between 1885 and 1896, readers will find the writings of Clement of Rome, the fourth pope who was supposedly martyred by being tied to an anchor and tossed overboard. Mathetes, an anonymous writer, considered the first Christian apologist. Polycarp, a Christian bishop who was stabbed to death after he failed to burn at the stake. Ignatius, a student of John the Apostle who was Bishop of Antioch before he was killed. Barnabas, an anonymous writer given the name of Saint Barnabas. Papias, author of *Interpretations of the Sayings of the Lord*, a textbook on quotes from Jesus. Justin Martyr, a Christian apologist and accomplished philosopher and Irenaeus, disciple of Polycarp, apologist and bishop of Lugdunum. *John Irving and Cultural Mourning* Bouchra Belgaid, 2011-01-01. John Irving and Cultural Mourning offers a chronological survey of his eleven novels examining his prose via thematically focused chapters on postmodernism, the sixties, fatherhood, narcissism, mourning, and finally self redemption.

Fictive Fathers in the Contemporary American Novel Debra Shostak, 2020-02-20. *Fictive Fathers in the Contemporary American Novel* explores the unstable construction of heteronormative white masculinity in the contemporary United States by focusing on relationships between fathers and their children. Debra Shostak reads the novels of 18 North American writers publishing in the late 20th and early 21st centuries as allegories of cultural conflict and change within the nuclear family. The authors considered include Paul Auster, Don DeLillo, Jeffrey Eugenides, Jonathan Safran Foer, Jonathan Franzen, John Irving, Jonathan Lethem, Carole Maso, Bobbie Ann Mason, Cormac McCarthy, Claire Messud, Viet Thanh Nguyen, Tim O'Brien, Marilynne Robinson, Philip Roth, Mona Simpson, Jane Smiley, and Anne Tyler. These novelists portray father figures who often literally or figuratively absent from the family scene disrupt the familial order and their family members' identities. Shostak's close readings illuminate unexpectedly conservative even subversive ideological positions at the heart of these fictions. *Fictive Fathers* traces the eroding myth of paternal authority that sustained a patriarchal model within real American families and their literary representations. *A Golden Key to Open Hidden Treasures, or Several great points, that refer to the Saints present blessedness, and their future happiness, etc* Thomas Brooks, 1675.

Encyclopedia of Postmodernism Victor E. Taylor, Charles E. Winquist, 2003. Provides comprehensive and authoritative coverage of academic disciplines, critical terms, and central figures relating to the vast field of postmodern studies. Publisher's description.

The Expositions On The Psalms Volume 2 St. Augustine of Hippo, In any commentary on a portion of the Old Testament by a writer unacquainted with Hebrew, exact criticism and

freedom from mistake must not be expected But the Psalms have been so in the mouth and in the heart of God's people in all languages that it has been necessary often to find an explanation suitable to imperfect translations And no doubt it is intended that we should use such explanations for the purpose of edification when we are unable to be more accurate though in proving doctrine it is necessary always to remember and allow for any want of acquaintance with the original or uncertainty with respect to its actual meaning However the main scope and bearing of the text is rarely affected by such points as vary in different translations and the analogy of the faith is sufficient to prevent a Catholic mind from adopting any error in consequence of a text seeming to bear a heterodox meaning Perhaps the errors of translation in the existing versions may have led the Fathers to adopt rules of interpretation ranging too far from the simple and literal but having such translations they could hardly use them otherwise Meanwhile St Augustin will be found to excel in the intense apprehension of those great truths which pervade the whole of Sacred Writ and in the vivid and powerful exposition of what bears upon them It is hardly possible to read his practical and forcible applications of Holy Scripture without feeling those truths by the faith of which we ought to live brought home to the heart in a wonderful manner His was a mind that strove earnestly to solve the great problems of human life and after exhausting the resources and discovering the emptiness of erroneous systems found truth and rest at last in Catholic Christianity in the religion of the Bible as expounded by St Ambrose This is volume two out of two covering the Psalms LXXIV through CL
