Reflections by Daughters

A Virago Paperback
Original

Of all the shaping human relationships, the one between father and daughter is the least written about, especially from the daughter's point of view. This book is a collage of essays, prose and poetic, stories and poems, describing experiences which range from the most intense loyalty and love to the dark and painful areas of paternal tyranny and incest. Every daughter and every father will recognise something of their story here: some will realise, perhaps for the first time, just how deeply this bond has affected their lives. For these writers, whose ages range from thirteen to sixty, have produced fascinating and sometimes shocking insights into what is probably the most unresolved relationship of them all.

Splashing in Puddles: How to Be a Father

to Your Daughter David B. Van Heemst, 2012-07-06 Many of us feel comfortable raising boys because we were and maybe still are boys We re comfortable with rough and tumble with fishing shooting hoops and geeking out with technology But girls How do you raise a girl More importantly how do you raise a Godly girl Based on the latest research and his personal experience as the father of five daughters author David B Van Heemst details what a father must do in order to give his daughter strong foundations in Christ With statistics anecdotes and discussion questions Splashing in Puddles How to Be a Father to Your Daughter brings clarity to fatherhood s complexity Van Heemst shows just how crucial a role the father has in the development of his daughter s relationship with God herself and others Any man can teach her how to ride a bike But

only one man can teach her how to walk with God *Father's Guide to Raising a Strong Daughter* Vincenzo Venezia, Have you ever felt that silence when your daughter asks a question that makes your heart race You hesitate wondering if the wrong words might push her to seek answers elsewhere Fatherhood brings moments no one prepares you for the fear of not knowing how to guide her in a world eager to shape her before she can shape herself What if your hesitation lets someone else step in What if your silence makes her believe some topics are shameful leading her toward voices that don't have her best interests at heart Whether you're raising your daughter alone or with a partner your role is irreplaceable Every father needs the right tools to build a strong lasting connection This book is for dads who Struggle to find the right words in tough conversations Fear one mistake could damage their bond forever Feel unprepared to help her through challenges they never faced See the world limiting her and feel powerless to stop it Want to be her strongest ally but don't always know how Wonder what they're missing when other dads seem to handle it with ease Sense time slipping away widening a gap that may never close Most parenting books offer generic advice or focus on mothers This guide speaks directly to fathers providing real solutions instead of vague theories It doesn't just tell you what to do it shows you how with real stories from dads who've been there This isn't a rulebook It's a lifeline for fathers who refuse to let uncertainty define their relationship with their daughters Inside you'll learn how to Turn tough moments into trust building opportunities Help her develop confidence in a world that tries to shrink her Equip her to handle peer pressure while staying true to herself Build a relationship that supports her through every stage of life Be the example that teaches her how men should treat her Your daughter is watching From you she learns what love looks like how she deserves to be treated what to accept and what to walk away from The question isn't if she'll be influenced but by whom You don't need all the answers just a willingness to show up The conversations you fear today could become the bridge she needs tomorrow When you choose courage over comfort both her strength and your relationship will grow in ways you never imagined She doesn't need a perfect father She needs you present trying and willing to stand beside her **Literature and Philosophy** Herbert Grabes,1997 Filha Do Heroi, a Maureen Murdock,1998 **Conversations with Mary Gordon** Mary Gordon,2002 This collection allows the reader to trace the roots both literary and autobiographical of one of America's most fiercely intelligent and thoughtful writers *The Pleasure of the Feminist Text* Susanne Gruss,2009 I would regard myself as a feminist writer because I'm a feminist in everything else and one can't compartmentalise these things in one's life Angela Carter When I became a feminist in 1968 I felt that I'd come home the first home I ever had that was feminine And it was very wild and theatrical and erotic the early feminism Michèle Roberts Angela Carter and Michèle Roberts share a keen interest in gender and sexual identity but many of their topics seem to mark them as opposites Roberts's fascination with the impact of religion motherhood and autobiography on female identity covers areas that Carter shuns in her writings In reading these two authors parallel and in contrast to each other this monograph follows a triple objective it provides a comprehensive critical introduction to the works of Roberts

explores aspects of Carter's work that have not yet been analyzed sufficiently religion motherhood and masculinity and uses both authors to explore motifs and strategies of feminist writing The analyses of both authors works are supplemented by close readings of a wide range of theoretical perspectives especially French feminism and psychoanalysis and concise theoretical outlines of the topics covered radical feminism religion motherhood and fatherhood masculinity fairy tales romances and chick lit and history and auto biography
