Faulkners Yoknapatawpha Comedy:

Faulkner's Yoknapatawpha Comedy Lyall Harris Powers,1980 An examination of 13 major novels of Faulkner that emphasizes the unity of themes and structure *Faulkner's Yoknapatawpha Comedy* Lyall H. Powers,1980-01-01

Faulkner and Humor Doreen Fowler,University of Mississippi,1986-01-01 **Faulkner and Humor** Doreen Fowler,1986 While the essays in this volume explore various aspects of Faulkner s rich and inexhaustible comic art they all hold in common one axiom that William Faulkner the recognized genius of tragic art is a master of comic forms as well and further that neither mode tragic or comic is ever very far from the other in Faulkner s world James Cox and William Claxton reassert a familiar but helpful reminder of the outlandish humor in Jason Compson s world The comic world of *As I Lay Dying* *Light in August* and *Go Down Moses* is treated variously as irony of miscommunication as framing device for character portrayal and as comedy of incongruity three qualities that offer new insights about these richly funny works ISBN 0 87805 282 8 pbk 14 95 **Faulkner's Artistic Vision** Ryuichi Yamaguchi,2004-04 Although William Faulkner s imagination is often considered solely tragic it actually blended what Faulkner himself called the bizarre and the terrible Not only did Faulkner s vision encompass both comedy and tragedy it perceived a latent humor in tragedy and vice versa As a result Faulkner s fiction is seldom simply comic or simply tragic Faulkner s comedy incorporates tragedy and despair and the humor in his novels may serve as well to intensify as to relieve a tragic or horrific effect This study examines Faulkner s first nine novels from *Soldiers Pay* to *Absalom Absalom* showing how humor is used to express theme how it appears in the action characters and discourse of each novel and how it contributes to the overall effect of each novel In each case even in the most pained and angry novels Faulkner s practice of humor expresses his view that humor is an inseparable element of human experience Ryuichi Yamaguchi is Professor of English and American literature at the Aichi University in Japan **Faulkner's Geographies** Jay Watson,Ann J. Abadie,2015-06-25 The recent spatial turn in social theory and cultural studies opens up exciting new possibilities for the study of William Faulkner s literature The fictional domains of Yoknapatawpha County and Jefferson Mississippi are not simply imagined communities but imaginative geographies of remarkable complexity and detail as evidenced by the maps Faulkner created of his apocryphal county Exploring the diverse functions of space in Faulkner s artistic vision the eleven essays in *Faulkner's Geographies* delve deep into Yoknapatawpha but also reach beyond it to uncover unsuspected connections and flows linking local regional national hemispheric and global geographies in Faulkner s writings Individual contributions examine the influence of the plantation as a land use regime on Faulkner s imagination of north Mississippi s geography the emergence of micro Souths as a product of modern migratory patterns in the urban North of Faulkner s fiction the enlistment of the author s work in the geopolitics of the cultural Cold War during the 1950s the historical and literary affiliations between Faulkner s Deep South and Greater Mexico the local and idiosyncratic as alternatives to region and nation the unique intersection of regional and metropolitan geographies that Faulkner

encountered as a novice writer immersed in the literary culture of New Orleans the uses of feminist geography to trace the interplay of gender space and movement and the circulation of Caribbean and Black South spaces and itineraries through Faulkner's masterpiece *Absalom Absalom* By bringing new attention to the function of space place mapping and movement in his literature Faulkner's *Geographies* seeks to redraw the very boundaries of Faulkner studies [Sixteen Modern American Authors](#) Jackson R. Bryer, 1989 Praise for the earlier edition *Students of modern American literature* have for some years turned to *Fifteen Modern American Authors* 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form *Sixteenth Modern American Authors* it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains *American Studies* **Faulkner in the Twenty-First Century** Robert W. Hamblin, Ann J. Abadie, 2009-09-18 A turn of the century map of where Faulkner studies have traveled and where they are headed **A William Faulkner Encyclopedia** Robert W. Hamblin, Charles Peek, 1999-11-30 Sometimes called the American Shakespeare William Faulkner is known for providing poignant and accurate renderings of the human condition creating a world of colorful characters in his fictional Yoknapatawpha County and writing in a style that is both distinct and demanding Though he is known as a Southern writer his appeal transcends regional and even national boundaries Since winning the Nobel Prize for Literature in 1950 he has been the subject of more than 5 000 scholarly books and articles Academic interest in his career has been matched by popular acclaim with some of his works adapted for the cinema This reference is an authoritative guide to Faulkner's life literature and legacy The encyclopedia includes nearly 500 alphabetically arranged entries for topics related to Faulkner and his world Included are entries for his works and major characters and themes as well as the literary and cultural contexts in which his texts were conceived written and published There are also entries for relatives friends and other persons important to Faulkner's biography historical events persons and places social and cultural developments and literary and philosophical terms and movements The entries are written by expert contributors who bring a broad range of perspectives and experience to their analysis of his work Entries typically conclude with suggestions for further reading and the volume closes with a bibliography and detailed index [William Faulkner](#) M. Thomas Inge, 1995-02-24 This book the first comprehensive collection of contemporary published reactions to the writing of William Faulkner from 1926 to 1962 documents the response of reviewers to specific works and chronicles the development of Faulkner's reputation among the nation's book reviewers The material presented here clarifies the development of Faulkner's literary career and provides a fuller understanding of the part played by book reviewing in the sales promotion and success of American literature **The Humor of the Old South** M. Thomas Inge, Edward J. Piacentino, 2014-10-17 The humor of the Old South tales almanac entries turf reports historical sketches gentlemen's essays on outdoor sports profiles of local characters flourished between 1830 and 1860 The genre's popularity and influence can be traced in the works of major southern writers such as William Faulkner Erskine

Caldwell Eudora Welty Flannery O'Connor and Harry Crews as well as in contemporary popular culture focusing on the rural South This collection of essays includes some of the past twenty five years best writing on the subject as well as ten new works bringing fresh insights and original approaches to the subject A number of the essays focus on well known humorists such as Augustus Baldwin Longstreet Johnson Jones Hooper William Tappan Thompson and George Washington Harris all of whom have long been recognized as key figures in Southwestern humor Other chapters examine the origins of this early humor in particular selected poems of William Henry Timrod and Washington Irving's *The Legend of Sleepy Hollow* which anticipate the subject matter character types structural elements and motifs that would become part of the Southwestern tradition Renditions of *Sleepy Hollow* were later echoed in sketches by William Tappan Thompson Joseph Beckman Cobb Orlando Benedict Mayer Francis James Robinson and William Gilmore Simms Several essays also explore antebellum southern humor in the context of race and gender This literary legacy left an indelible mark on the works of later writers such as Mark Twain and William Faulkner whose works in a comic vein reflect affinities and connections to the rich lode of materials initially popularized by the Southwestern humorists [The Arizona Quarterly](#) ,1999 *A Companion to Faulkner Studies* Charles Peek,Robert W. Hamblin,2004-06-30 Faulkner scholarship is one of the largest critical enterprises currently at work Because of its size and scope accessing that scholarship has become difficult for scholars students and general readers alike This reference includes chapters on individual approaches to Faulkner studies including archetypal historical biographical feminist and psychological criticism among others Each chapter is written by an expert contributor and surveys the contributions of that approach to Faulkner scholarship The volume concludes with a selected general bibliography and glossary of critical terms William Faulkner is one of the most widely read and studied American writers His works have also generated a vast body of scholarship and elicited criticism from a wide range of approaches Because of its size scope and diversity accessing that scholarship has become difficult for scholars students and general readers alike This reference comprehensively overviews the present state of Faulkner studies The volume includes chapters written by expert contributors Each chapter defines a particular critical approach and surveys the contributions of that approach to Faulkner studies Some of the approaches covered are archetypal biographical feminist historical and psychological among others The book closes with a selected general bibliography and glossary of critical terms **Faulkner** [],1998 [REAL. Vol. 5](#) Herbert Grabes,H. J. Diller,Hans Bungert,2020-05-18 No detailed description available for REAL YEARBOOK VOL 5 REAL E BOOK **Faulkner and the short story** Ann J. Abadie,1992 *Faulkner and Slavery* Jay Watson,James G. Thomas Jr.,2021-05-28 Contributions by Tim Armstrong Edward A Chappell W Ralph Eubanks Amy A Foley Michael Gorra Sherita L Johnson Andrew B Leiter John T Matthews Julie Beth Napolin Erin Penner Stephanie Rountree Julia Stern Jay Watson and Randall Wilhelm In 1930 the same year he moved into Rowan Oak a slave built former plantation home in his hometown of Oxford Mississippi William Faulkner published his first work of fiction that gave serious attention to the experience and

perspective of an enslaved individual For the next two decades Faulkner repeatedly returned to the theme of slavery and to the figures of enslaved people in his fiction probing the racial economic and political contours of his region nation and hemisphere in work such as *The Sound and the Fury* *Light in August* *Absalom Absalom* and *Go Down Moses* Faulkner and Slavery is the first collection to address the myriad legacies of African chattel slavery in the writings and personal history of one of the twentieth century s most incisive authors on US slavery and the long ordeal of race in the Americas Contributors to the volume examine the constitutive links among slavery capitalism and modernity across Faulkner s oeuvre They study how the history of slavery at the University of Mississippi informs writings like *Absalom Absalom* and trace how slavery s topologies of the rectilinear grid or square run up against the more reparative geography of the oval in Faulkner s narratives Contributors explore how the legacies of slavery literally sound and resound across centuries of history and across multiple novels and stories in Faulkner s fictional county of Yoknapatawpha and they reveal how the author s remodeling work on his own residence brought him into an uncomfortable engagement with the spatial and architectural legacies of chattel slavery in north Mississippi Faulkner and Slavery offers a timely intervention not only in the critical study of the writer s work but in ongoing national and global conversations about the afterlives of slavery and the necessary work of antiracism Faulkner and Print Culture Jay Watson,Jaime Harker,James G. Thomas Jr.,2017-05-25 With contributions by Greg Barnhisel John N Duvall Kristin Fujie Sarah E Gardner Jaime Harker Kristi Rowan Humphreys Robert Jackson Mary A Knighton Jennifer Nolan Carl Rollyson Tim A Ryan Jay Satterfield Erin A Smith Jay Watson and Yung Hsing Wu William Faulkner s first ventures into print culture began far from the world of highbrow New York publishing houses such as Boni in the culture of twentieth century magazines journals newspapers and other periodicals from pulp to avant garde in the history of modern readers and readerships and in the construction and cultural politics of literary authorship Several contributors focus on Faulkner s sensational 1931 novel *Sanctuary* to illustrate the author s multifaceted relationship to the print ecology of his time tracing the novel s path from the wellsprings of Faulkner s artistic vision to the novel s reception among reviewers tastemakers intellectuals and other readers of the early 1930s Other essayists discuss Faulkner s early notices the *Saturday Review* of Literature *Saturday Evening Post* men s magazines of the 1950s and Cold War modernism *The Enduring Legacy of Old Southwest Humor* Edward Piacentino,2006-02-01 The Old Southwest flourished between 1830 and 1860 but its brand of humor lives on in the writings of Mark Twain the novels of William Faulkner the television series *The Beverly Hillbillies* the material of comedian Jeff Foxworthy and even cyberspace where nonsoutherners can come up to speed on subjects like hickphonics The first book on its subject *The Enduring Legacy of Old Southwest Humor* engages topics ranging from folklore to feminism to the Internet as it pays tribute to a distinctly American comic style that has continued to reinvent itself The book begins by examining frontier southern humor as manifested in works of Faulkner Erskine Caldwell Flannery O Connor Eudora Welty Woody Guthrie Harry Crews William Price Fox Fred Chappell Barry Hannah Cormac McCarthy and African

American writers Zora Neale Hurston Ralph Ellison Alice Walker Ishmael Reed and Yusef Komunyakaa It then explores southwestern humor s legacy in popular culture including comic strips comedians and sitcoms and on the Internet Many of the trademark themes of modern and contemporary southern wit appeared in stories that circulated in the antebellum Southwest Often taking the form of tall tales those stories have served and continue to serve as rich reusable material for southern writers and entertainers in the twentieth century and beyond The Enduring Legacy of Old Southwest Humor is an innovative collaboration that delves into jokes about hunting drinking boasting and gambling as it studies among other things the styles of comedians Andy Griffith Dave Gardner and Justin Wilson It gives splendid demonstration that through the centuries southern humor has continued to be a powerful tool for disarming hypocrites and opening up sensitive issues for discussion

Individual and Community Kenneth Huntress Baldwin, David Kirby, 1975 The contributors to Individual and Community attempt to illuminate aspects of the individual community relationship Though different in focus and approach the essays themselves express a community of concern a concern which includes not just the situations of characters in fictional worlds but one which touches the relationship of both novelists and reader to a world of words The essays are intended to point to the continuity of an important theme in American fiction and to offer insight into the variety of philosophical and literary strategies utilized in significant works of significant authors in dealing with the question of the individual and the community

Right here, we have countless books **Faulkners Yoknapatawpha Comedy** and collections to check out. We additionally offer variant types and as well as type of the books to browse.
