Urgo, Noel Polk, 2010-02-02 Absalom Absalom has long been regarded as one of William Faulkner's most difficult dense and multilayered novels It is on one level the story of Thomas Sutpen an enigmatic stranger who came to Jefferson in the early 1830s to wrest his mansion out of the muddy bottoms of the north Mississippi wilderness He was a man Faulkner

said who wanted sons and the sons destroyed him On another level the book narrates the tragedy that befalls the entire Sutpen family and that tragedy's legacy that continues well into the twentieth century and beyond The novel's intricate demanding prose style and its haunting dramatization of the South's intricate demanding history make it a masterpiece of twentieth century American literature Reading Faulkner's *Absalom, Absalom!* offers a close examination and interpretation of the novel Here difficult words and cultural terms that might prove to be a problem for general readers are explained and keyed to page numbers in the definitive Faulkner text Library of America and Vintage editions The authors place Faulkner's novel in its historical context while also connecting it to his other works **Faulkner's Revision of *Absalom, Absalom!***

Gerald Langford, 2015-01-15 Faulkner's Revision of *Absalom, Absalom!* is a study of the creative process as exemplified in one of the major achievements in twentieth century fiction Portions of the original handwritten version of the story are collated line by line with corresponding sections of the published version In an introductory discussion the major changes are analyzed and evaluated It is particularly interesting to observe Faulkner revising not only his choice of words and the construction of his sentences but also the central design of the story Most notably he changed his mind about having it known from the beginning that Charles Bon was Sutpen's part Negro son and he developed Quentin Compson into the pivotal figure who finally supplies this missing piece of information In the process of revision *Absalom, Absalom!* became a kind of detective story and the reader is forced to join the quest and participate in the undertaking which is the basic subject of the book the human attempt to comprehend and deal with the past To trace the process of this revision is to experience a sharp focusing of theme and to witness a demonstration of how the meaning of a fictional work can shape its structure and in turn stand revealed by what has become the outward sign or form of that meaning **William Faulkner's *Absalom, Absalom!***

Copyright Libri GmbH All rights reserved      **Absalom, Absalom by William Faulkner** William Faulkner, 1936 Absalom Hebrew mean father of peace was the third son of David King of Israel with Maacah daughter of Talmai King of Geshur Absalom Absalom details the rise and fall of Thomas Sutpen a white man born into poverty in western Virginia who moves to Mississippi with the dual aims of gaining wealth and becoming a powerful family patriarch The story is told entirely in flashbacks narrated mostly by Quentin Compson to his roommate at Harvard College Shreve who frequently contributes his own suggestions and surmises The narration of Rosa Coldfield and Quentin's father and grandfather are also included and reinterpreted by Shreve and Quentin with the total events of the story unfolding in nonchronological order and often with differing details This results in a peeling back the onion revelation of the true story of the Sutpens Rosa initially narrates the story with long digressions and a biased memory to Quentin Compson whose grandfather was a friend of Sutpen's Quentin's father then fills in some of the details to Quentin Finally Quentin relates the story to his roommate Shreve and in each retelling the reader receives more details as the parties flesh out the story by adding layers The final effect leaves the reader more certain about the attitudes and biases of the characters than about the facts of Sutpen's story Thomas Sutpen arrives in Jefferson Mississippi with some slaves and a French architect who has been somehow forced into working for him Sutpen obtains one hundred square miles of land from a local Native American tribe and immediately begins building a large plantation called Sutpen's Hundred including an ostentatious mansion All he needs to complete his plan is a wife to bear him a few children particularly a son to be his heir so he ingratiates himself with a local merchant and marries the man's daughter Ellen Coldfield Ellen bears Sutpen two children a son named Henry and a daughter named Judith both of whom are destined for tragedy Henry goes to the University of Mississippi and meets fellow student Charles Bon who is ten years his senior Henry brings Charles home for Christmas and Charles and Judith begin a quiet romance that leads to a presumed engagement However Thomas Sutpen realizes that Charles Bon is his son from an earlier marriage and moves to stop the proposed union Sutpen had worked on a plantation in the French West Indies as overseer and after subduing a slave uprising was offered the hand of the plantation owner's daughter Eulalia Bon She bore him a son Charles Sutpen did not know that Eulalia was of mixed race until after the marriage and birth of Charles but when he discovered that he had been deceived he renounced the marriage as void and left his wife and child though leaving them his fortune as part of his own moral recompense The reader also later learns of Sutpen's childhood when young Thomas learned that society could base human worth on material worth It is this episode that sets into motion Thomas plan to start a dynasty      **Old Tales and Talking** Estella Schoenberg, 1977      **William Faulkner's Absalom, Absalom!** David Paul Ragan, 1987      *Absalom, Absalom!* Noel Polk, John D. Faulkner's "Absalom, Absalom!" Julia Klewin, 2008-03-05 Seminar paper from the year 2007 in the subject American Studies Literature grade 2.7 University of

Wuppertal course American Historical Novels language English abstract William Faulkner's novel Absalom Absalom is often proclaimed to be one of his best writings no matter how hard and difficult the first glance seems to be After I had finished Faulkner's masterwork Dimino 181 I decided at once to choose it for my term paper For me the novel is not a difficult one It is demanding and gives you as a reader the opportunity to activate all of your background information and ideas concerning a story about the South Of course it is not a kind of book you can look through at one day on your vacation but it is hugely eventful that you could read it again and again without losing interest The more often you spend some time with Absalom Absalom the more you will find out about the plot's hints and ideas This term paper concentrates on Thomas Sutpen's three white women namely Rosa Coldfield Ellen Coldfield Sutpen and Judith Sutpen To be examined are their roles in the novel their relationship to Sutpen and their femininity or gender respectively The interpretation of Rosa will be the largest one because she gives the reader as a narrator more information than the other females After a short overview of Absalom Absalom I begin every analysis of the single white female characters with a short introduction of their biography and status before I describe more detailed aspects and facets of their functions in the story Because the novel itself is full of useful passages that have to be interpreted and questioned I have decided to limit the secondary literature for this term paper in order to stay close to the book as much as possible My research in the internet did not turn out to be useful for this term paper What perhaps might be true in Absalom Absalom One absolute important aspect which should be kept in mind during entire the novel is the fact that nothing actually is a fact When you think you are done with Faulkner's Absalom Absalom you suddenly realize that every detail of the plot has to be questioned and rethought In Absalom Absalom the reader comes across three or rather four narrators Starting with Rosa Coldfield Faulkner introduces furthermore Mr Compson who passes over his father's stories about his friend Thomas Sutpen in Yoknapatawpha County and the roommates at the Harvard dormitory Quentin Compson and Shrevlin McCannon As it would not be enough two totally different settings move the detailed hints about the plot even more apart from each other [CliffsNotes on Faulkner's Absalom, Absalom!](#) James L.
