Faust Nabil Kanso Paintings:

Faust Nabil Kanso, 1996 The book provides a prism through which to view full page color reproductions of Nabil Kanso's Faust series of paintings Inspired by Goethe's timeless masterpiece the Faust body of work was executed during 1976-79 and has never been publicly shown *Lebanon and the Split of Life* Meriam Soltan, 2024-05-14 This scholarly biography traces the life and art of Lebanese American neo-expressionist Nabil Kanso 1940-2019 It explores key moments across the artist's transnational career by foregrounding his longest running internationally toured exhibition the Journey of Art for Peace 1985-1993 More specifically it traces the historical trajectory of his 10 x 28 mural scale painting Lebanon from the circumstances of its production at the height of the Lebanese Civil War in 1983 through its short lived exhibition history with the Split of Life series in the few years that followed The book scaffolds an understanding of the artist as an activist and works toward offering distinctly spatial readings of his painterly practice of which the act of bearing witness is highlighted as permeating the entirety of his oeuvre It concludes with a contemporary recontextualization of Lebanon in the country's current social political and cultural climate and emphasizes the artist's work as essential to the theorization of larger traditions of political and protest art The first of its kind and the result of a research fellowship wherein the author was invited to be the first to work through the artist's unpublished archive this book lays the groundwork for scholarship on the art of Nabil Kanso an essential yet hitherto unstudied pioneer of the neo-expressionist art movement of the 1960s It draws extensively on primary source material including personal notes diaries sketchbooks correspondences paintings watercolors photographs recorded interviews and the like To best animate that source material within the context of this publication each chapter is prefaced with short narrative anecdotes inspired by the artist's personal notes to better ground the subsequent research and scholarship in the artist's own terms and experiences Born in Beirut Kanso like many of his generation would seek sought refuge abroad from political instability in his home country It is through this intrinsic proximity to yet physical distance from the cycles of violence and corruption in Lebanon that Kanso would go on to create his grandest greatest mural scale series This book more than anything explores the artist's oeuvre as an attempt to bear witness and offer testimony to those moments an inclination that would see the artist grapple with some of the most ferocious crimes against humanity committed throughout his lifetime As such this book pairs close readings of Kanso's art and personal practice with both historical and contemporary context meant to animate the relevance of his vast yet never before seen artistic archive *The Faust Tales of Christoph Rosshirt* Christoph Rosshirt, 2019 Introduction Faust Christoph Rosshirt and his manuscript Facsimile edition Annotated German transcription with English translation Faust illustrated from Rosshirt to Delacroix Faust's identity and the significance of Rosshirt's tales about him *Death and Transfiguration* Istvan Hornyak, 2011-12-14 The romantic sweep of Death and Transfiguration greets the reader immediately from the onset of the first verse of the play to its dramatic conclusion Set in the stunning locale of the magnificent vistas of the Swiss Alps by the Viervaldstettersee this play takes you

on a breathtaking journey into the psychological worlds of its characters Based partly on earlier stories and legends of Faust more specifically works by Christopher Marlowe and Wolfgang von Goethe we find him in this version challenging the temptations of evil rather than embracing them The cosmic conflict between good and evil between the light and the darkness is the central theme of this work Can man withstand the temptations of the evil forces or will he eventually succumb to those desires Can his will his spirit withdraw from the constant knocking of Satan Can love overcome the seeds of hate and anger Faust at the outset resists the invitation to join Mephistopheles and in subsequent engagements with the amoral and immortal prevaricator he attempts and continues to withstand the clever manipulations of the devil As a result of this ongoing conflict the plot intensifies as this singular antagonist unveils and harnesses his many talents and powers relentlessly attempting to infuse his will into the characters The touching love story between Faust and Margaret takes on new dimensions here Her growing madness tests the very sanity of Faust himself who finds himself more and more incapable of action as the tragedy unfolds Will he too join her in the darkness Is there or can there be any redemption or salvation from suffering Set throughout in poetry the heart pounding pulse and rhythm of the work undeniably transports the reader or the spectator watching the play to new dimensions Relish in a work that is unpredictable and unique a play that will test your own convictions
