Faust: Parts 1 & 2 Johann Wolfgang von Goethe, 1969 Faust: Parts 1 & 2 Johann Wolfgang von Goethe, 1969 Faust: Parts 1 & 2 Johann Wolfgang von Goethe, 1941 Faust ,2015-01-01 What would you give to know everything that can be known For the German scholar Heinrich Faust the answer is everything In Goethe's dramatic epic poem Faust perhaps the best known version of this age old legend Faust pledges his soul to Mephistopheles if and only if he is satisfied with the knowledge he attains Following the Dedication Prelude in the Theater and Prelude in Heaven the action in this sprawling drama moves rapidly from scene to scene including a witch s kitchen a dungeon an imperial throne room and ultimately the scene of Faust's burial Along the way we are treated to a variety of characters most notably Faust himself and the sly and witty Mephistopheles Behind the often bantering dialogue lie serious metaphysical questions on the nature of temptation the struggle of good and evil and humankind s incessant striving for a rightful place in the universe Written over a period of some three decades Faust is a drama of epic proportions theatrical productions of the uncut two part text can take more than 20 hours In this new translation commissioned by the Target Margin Theater and produced in 2006 at the Classic Stage Company in New York the play was presented in two three hour sections In its review The New York Times praised the lucid and direct language of Douglas Langworthy's translation Indeed bringing a modern sound and sensibility to Goethe's poetry Langworthy has created a stage worthy rendition of a major literary classic Faust Johann Wolfgang von Faust, Parts 1 & 2 Johann Wolfgang von Goethe, 1979 Goethe's Faust Johann Wolfgang von Goethe.1965 Goethe, 1914 **Goethe** Johann Wolfgang von Goethe, 1952 Goethe's Faust, Parts 1 & 2 Johann Wolfgang von Goethe's Faust Johann Wolfgang von Goethe, 1965 Goethe's Faust, Parts 1 Goethe, 1954 Goethe's Faust ,1950\* & 2 Johann Wolfgang von Goethe, 1951 Goethe's Faust Johann Wolfgang von Goethe, 1965 Faust. Part I Goethe, 2005-07-28 Goethe's Faust reworks the late medieval myth of Dr Faust a brilliant scholar so disillusioned he resolves to make a contract or wager with the devil Mephistopheles The devil will do all he asks on Earth and seek to grant him a moment in life so glorious that he will wish it to last for ever But if Faust does bid the moment stay he falls to Mephisto and must serve him after death In this first part of Goethe's great work the embittered thinker and Mephistopheles enter into their agreement and soon Faust is living a life beyond his study and in rejuvenated form winning the love of the charming and beautiful Gretchen But in this compelling tragedy of arrogance unfulfilled desire and self delusion Faust served by the devil heads inexorably towards destruction The Faustian Century James M. Van der Laan, Andrew Weeks, 2013 The Reformation and Renaissance though segregated into distinct disciplines today interacted and clashed intimately in Faust the great figure that attained European prominence in the anonymous 1587 Historia von D Johann Fausten The original Faust behind Goethe's great drama embodies a remote culture In his century Faust evolved from an obscure cipher to a universal symbol The age explored here as the Faustian century invested the Faustbuch and its theme with a symbolic significance still

of exceptional relevance today The new essays in this volume complement one another providing insights into the tensions and forces that gave the century its distinct character Several essays seek Faust's prototypes Others elaborate the symbolic function of his figure and discern the resonance of his tale in conflicting allegiances This volume focuses on the intersection of historical accounts and literary imaginings on shared aspects of the work and its times on concerns with obedience and transgression obsessions with the devil and curiosity about magic and quandaries created by shifting religious and worldly authorities From publisher s website Faust, Part II Goethe, 2009-04-30 In this seguel to Faust Mephistopheles takes Faust on a journey through ancient Greek mythology conjuring for him the insurpassably beautiful Helen of Troy as well as the classical gods Faust falls in love with and marries Helen embodying for Goethe his imaginative longing to join poetically the Romantic Medievalism of the germanic West to the classical genius of the Greeks Further to the themes of redemption and salvation in this great drama are Goethe's eerie premonitions of modern phenomena such as inflation and the creation of life by scientific synthesis A History of Western Choral Music Chester Lee Alwes, 2015 Comprehensive history of western choral music from the Medieval era to the begginings of the Romantic period Unique in its detailed analysis and breadth of Western choral music and key composers Ample musical examples to supplement discussion In depth discussions of historical connections The Works of Elizabeth Gaskell, Part I Vol 1 Joanne Shattock, Angus Easson, Josie Billington, Deirdre d'Albertis, Linda K Hughes, Elisabeth Jay, Charlotte Mitchell, Linda H Peterson, Marion Shaw, Alan Shelston, Joanne Wilkes, 2017-09-29 A selection of texts by Elizabeth Gaskell accompanied by annotations It brings together Gaskell academics to provide readers with scholarship on her work and seeks to bring the crusading spirit and genius of the writer into the 21st century to take her place as a major Victorian writer A History of Western Choral Music, Volume 2 Chester L. Alwes, 2016-08-03 A History of Western Choral Music explores the various genres key composers and influential works essential to the development of the western choral tradition Author Chester L Alwes divides this exploration into two volumes which move from Medieval music and the Renaissance era up to the 21st century Volume II begins at the transition from the Classical era to the Romantic with an examination of the major genres common to both periods Exploring the oratorio part song and dramatic music it also offers a thorough discussion of the choral symphony from Beethoven to Mahler through to the present day It then delves into the choral music of the twentieth century through discussions of the major compositional approaches and philosophies that proliferated over the course of the century from impressionism to serialism neo classicism to modernism minimalism and the avant garde It also considers the emerging tendency towards nationalistic composition amongst composers such as Bart k and Stravinsky and discusses in great detail the contemporary music of the United States and Great Britain Framing discussion within the political religious cultural philosophical aesthetic and technological contexts of each era A History of Western Choral Music offers readers specialized insight into major composers and works while providing a cohesive understanding of choral music s place in Western history Kierkegaard's Journals and Notebooks, Volume 11, Part 1 Søren Kierkegaard, 2019-11-26 For over a century the Danish thinker S ren Kierkegaard 1813 55 has been at the center of a number of important discussions concerning not only philosophy and theology but also more recently fields such as social thought psychology and contemporary aesthetics especially literary theory Despite his relatively short life Kierkegaard was an extraordinarily prolific writer as attested to by the 26 volume Princeton University Press edition of all of his published writings But Kierkegaard left behind nearly as much unpublished writing most of which consists of what are called his journals and notebooks Kierkegaard has long been recognized as one of history s great journal keepers but only rather small portions of his journals and notebooks are what we usually understand by the term diaries By far the greater part of Kierkegaard's journals and notebooks consists of reflections on a myriad of subjects philosophical religious political personal Studying his journals and notebooks takes us into his workshop where we can see his entire universe of thought We can witness the genesis of his published works to be sure but we can also see whole galaxies of concepts new insights and fragments large and small of partially or almost entirely completed but unpublished works Kierkegaard's Journals and Notebooks enables us to see the thinker in dialogue with his times and with himself Kierkegaard wrote his journals in a two column format one for his initial entries and the second for the extensive marginal comments that he added later This edition of the journals reproduces this format includes several photographs of original manuscript pages and contains extensive scholarly commentary on the various entries and on the history of the manuscripts being reproduced Volume 11 Part 1 and Volume 11 Part 2 present an exciting enlightening and enormously varied treasure trove of papers that were found carefully sorted and stored by Kierkegaard himself in his apartment after his death These papers many of which have never before been published in English provide a window into many different aspects of Kierkegaard's life and creativity Volume 11 Part 1 includes items from his earliest formative years through his extensive studies at the university and up to the publication of Either Or These materials include Kierkegaard's studies in biblical exegesis his reading of theologians such as Schleiermacher and Baader his concern with aesthetic matters including a lengthy consideration of the Faust legend his first trial sermon delivered at the Pastoral Seminary his views on the burgeoning field of political journalism in the 1830s and a group of papers he titled The First Rudiments of Either Or The Green Book Some Particulars that were not Used
