Favorite Flowers Of The Cumbres Toltec:

Favorite Flowers of the Cumbres and Toltec Merrillee Ann Dolan, 1996-11 **Mountain Wildflowers of the Southern Rockies** Carolyn Dodson, William W. Dunmire, 2007 More than a field guide this work offers cultural and botanical essays that present useful and fascinating facts about 75 species of wildflowers including strategies for survival plant evolution origins of common and scientific plant names family characteristics and their roles in human history *Best Plants for New Mexico Gardens and Landscapes* Baker H. Morrow, 2016-04-15 First published in 1995 this invaluable guide to the trees shrubs ground covers and smaller plants that thrive in New Mexico s many life zones and growing areas is now available in a long awaited new edition Landscape architect Baker H Morrow considers the significant factors that impact planting in New Mexico including soil conditions altitude drought urban expansion climate change and ultraviolet radiation to provide the tools for successful gardens and landscapes in the state Added photographs and sketches identify the forms and uses of plants including many new species that have become widely available in the region since the 1990s The latest recommendations for specific cities and towns include more photos for ease of reference and botanical names have also been updated With ingenuity and efficient water management Morrow demonstrates how to create landscapes that provide shade color oxygen soil protection windscreening and outdoor enjoyment **A Tortilla Is Like Life** Carole M. Counihan, 2010-01-01 An innovative portrait of a small Colorado town based on a decade s worth of food centered life histories from nineteen of its female residents Located in the southern San Luis Valley of Colorado the remote and relatively unknown town of Antonito is home to an overwhelmingly Hispanic population struggling not only to exist in an economically depressed and politically marginalized area but also to preserve their culture and their lifeways Between 1996 and 2006 anthropologist Carole Counihan collected food centered life histories from nineteen Mexicanas Hispanic American women who had long standing roots in the Upper Rio Grande region The interviews in this groundbreaking study focused on southern Colorado Hispanic foodways beliefs and behaviors surrounding food production distribution preparation and consumption In this book Counihan features extensive excerpts from these interviews to give voice to the women of Antonito and highlight their perspectives Three lines of inquiry are framed feminist ethnography Latino cultural citizenship and Chicano environmentalism Counihan documents how Antonito s Mexicanas establish a sense of place and belonging through their knowledge of land and water and use this knowledge to sustain their families and communities Women play an important role by gardening canning and drying vegetables earning money to buy food cooking and feeding family friends and neighbors on ordinary and festive occasions They use food to solder or break relationships and to express contrasting feelings of harmony and generosity or enmity and envy The interviews in this book reveal that these Mexicanas are resourceful providers whose food work contributes to cultural survival An important contribution to Mexican American culture Oral History Review Counihan s book is well written and will appeal to a wide spectrum of readers I would

recommend this book to those whose interests lie in foodways gender studies ethnography and folklore A Tortilla is Like Life would be a good addition to any reading list and a beneficial resource for those who desire to understand the complex associations of gender food culture and ethnicity Digest A Journal of Foodways and Culture
