Favorite Old Time American Songs For Dulcimer:

Favorite Old-Time American Songs for Dulcimer Mark Nelson, 2011-02-24 This giant book features over 100 of America's favorite folk songs expertly arranged for the Appalachian dulcimer. Children's songs, work songs, old Anglo-American ballads, songs of strife and freedom, love songs and much, much more are all gathered here in arrangements suitable for the beginning and intermediate player. The songs come from all over old books and sheet music transcriptions from field recordings but mostly from the singing of countless folks in kitchens and festival hallways, street corners and concert stages. Songs include Poor Wayfaring Stranger, Tenting Tonight Don't Let Your Deal Go Down, Oh Death, Careless Love and many, many more. Tunings used include D A D and D A A as well as C G C and C G G and several modal tunings. All are playable on any three or four stringed dulcimer. Some use a 6 1 2 fret. Includes information on reading music and TAB notes on transposing and a useful index of songs by tuning. In standard notation and TAB with guitar chords. **Favorite**

Old-Time American Songs for Ukulele Mark "Kailana" Nelson, 2016-07-19 This book features over 100 traditional American folk songs newly arranged for the ukulele with chord diagrams and melody lines in tablature and standard notation. This extensive collection makes Favorite Old Time American Songs for Ukulele a treasury of the best songs from the American tradition. Nothing in this book is out of range for novice ukulele players. The songs are in keys that are both easy to sing and that fit the melodic range of the ukulele. Of course not every voice sings comfortably in every key so information on transposition and a short discussion for players of the baritone ukulele are included. Although you do not need to read music or tablature to use this book, short introductions to each are included. In putting together this collection the author was inspired by the old American practice of making a sampler, an endearing needlework design showing off various stitches and techniques. The book presents a sampling of the best American songs for folks working in schools, churches, hospitals, coffeehouses and other public performance spaces or for anyone wishing to expand their repertoire and brush up on a few old chestnuts. There's a little of everything here: sentimental old hearth songs, laments and lullabies, ballads and play parties, the sacred and profane. The overwhelming majority of songs come from pre-industrial rural traditions because this is the kind of music that seems to go well with homemade music making in any age. Downloadable audio of 18 of the songs is available online.

Psalms, Hymns and Spiritual Songs for Voice and Dulcimer Peter B. They can be sung by soloists, choirs and congregations alike. Written in standard notation and tablature in DAD tuning. **O'Carolan**
