Fear Fortune, Father Stanley Bennett Hough, 1984-01-01 When a technical manager is fired from his job he is forced to become a thief in order to support his family      **The Declamations of Calpurnius Flaccus** Calpurnius Flaccus, 2018-07-17 The excerpts from the Declamations of Calpurnius Flaccus 2nd century A D are one of our major sources of knowledge concerning controversiae model court speeches on fictitious themes These formed the focus of Roman higher education and therefore had an enormous effect on Latin literary style and content from the late Republic on They also contain important indirect evidence for contemporary social history This book provides a general introduction to the work a new Latin text plus the first English translation and only full modern commentary The latter discusses the legal background and origins of the cases points at issue textual problems and matters of Latin style The volume will therefore be of interest to students of classical rhetoric education history and philology      **The Night Riders** Ridgwell Cullum, 2022-09-04 DigiCat Publishing presents to you this special edition of The Night Riders A Romance of Early Montana by Ridgwell Cullum DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature      **The Night Riders: A Romance of Early Montana** Ridgwell Cullum, 2020-09-28 Forks Settlement no longer occupies its place upon the ordnance map of the state of Montana At least not the Forks Settlement the one which nestled in a hollow on the plains beneath the shadow of the Rocky Mountains It is curious how these little places do contrive to slip off the map in the course of time There is no doubt but that they do and are wholly forgotten except perhaps by those who actually lived or visited there It is this way with all growing countries and anywhere from twenty to thirty years ago Montana was distinctly a new country It was about 85 that Forks Settlement enjoyed the height of its prosperity a prosperity based on the supply of dry goods and machinery to a widely scattered and sparse population of small ranchers and farmers These things brought it into existence and kept it afloat for some years Then it gradually faded from existence just as such places do When John Tresler rode into Forks he wondered what rural retreat he had chanced upon He didn't wonder in those words his language was much more derogatory to the place than that It was late one afternoon when his horse ambled gently on to the green patch which served Forks as a market place He drew up and looked around him for some one to give him information The place was quite deserted It was a roasting hot day and the people of Forks were not given to moving about much on hot days unless imperative business claimed them As there were only two seasons in the year when such a thing was likely to happen and this was not one of them no one was stirring The sky was unshaded by a single cloud Tresler was tired stiff and consumed by a sponge like thirst for he was unused to long hours in the saddle And he had found a dreary monotony in riding over the endless prairie lands of the West Now he found himself surrounded by an uncertain circle of wooden houses None of them suggested luxury but after

the heaving rollers of grass land they suggested companionship and life And just now that was all the horseman cared about He surveyed each house in turn searching for a single human face And at last he beheld a window full of faces staring curiously at him from the far side of the circle It was enough Touching his jaded horse s flanks he rode over toward it Further life appeared now in the form of a small man who edged shyly round the angle of the building and stood gazing at him The stranger was a queer figure His face was as brown as the surface of a prairie trail and just as scored with ruts His long hair and flowing beard were the color of matured hay His dress was simple and in keeping with his face moleskin trousers worn and soiled a blue serge shirt a shabby black jacket and a fiery handkerchief about his neck while a battered prairie hat adorned the back of his head
