**WHAT FILLS YOU, CONTROLS YOU** Walter Masocha, 2014-06-06 There are so many things that control the character and behaviour of man In my view no one ever just does things without a controlling force behind Nothing just happens There is a force behind everything done or said by man under the sun That includes creatures too When someone bursts out or loses it explodes or suddenly just goes quiet moody or commits suicide what will have happened with various practical examples I apply Biblical passages to analyse the impact of such things as pregnancy alcohol and drugs bitterness and anger jealousy and hatred love charity evil spirits and the Holy Spirit I know there are a lot more substances and things that fill and control mankind I just picked a few to highlight the whole point of the book One by one consider the items in the above list again Read the book and you will know what you are full of If you don t like what you are full of try being born again Hey these things do not care whether someone is rich or poor educated or uneducated king prince ss or pauper male or female young or old black or white or whatever classification you may make They have no respect for such human forms of classification I call them levellers Once you allow them to take up space inside of you they immediately take over They are in charge They take control of the way you think the way you speak the way you act and the way you behave I admit there is fallacy in generalizations but in this book allow me to generalise Whether it s man or creature plant animal or bird \_ I propose a ONE LINE answer to all these scenarios \_ what fills you controls you     *I Praise You Because I Am Fearfully and Wonderfully Made; Your Works Are Wonderful, I Know That Full Well. -Psalm 139* Color Happy, 2019-09-13 I praise you because I am fearfully and wonderfully made your works are wonderful I know that full well Psalm 139 14 Beautiful and colorable bible psalms coloring book and sermon journal Features 6x9 Journal Full color MATTE finish cover 51 Sermon
