Flash Move Andy Kasch,2022-10-26 Freedom left unchallenged is an undervalued asset It s been 25 years since the Earthlings were resuscitated and Brandon Foss s unique set of skills became the deciding factor in Tora s first interstellar war A second generation of Torian humans is now in young adulthood including Derek s thrill seeking son Jumper whose

insatiable thirst for adventure often entangles him and his friends in the darker shenanigans of their home world's fallen culture. Amulen society has been decimated due to widespread addiction to the alien game *polwar*. Derek and his family stubbornly remain on Amulen despite the continually deteriorating conditions. When a new suspiciously power hungry leader makes progress in reuniting Amulen through the very thing that destroyed it, Brandon shows up and gets the kids involved in reconnaissance work. Half of the Erobian Sphere shows up for the first interstellar *polwar* tournament. But so does an uninvited guest and at the worst possible time. The Torian military is provoked into action and forced to discover who their friends really are and who they aren't.

Tales from the Tibetan Operas Gavin Kilty, 2019-07-30 Eight Tibetan opera narratives express Buddhist concepts in myths and stories for the enjoyment and edification of readers of all ages. Timeless Buddhist ideas come to life in the myths and stories in *Tales from the Tibetan Operas*. Poetically vibrant, these eight classic *lhamo* stories have continued to delight and edify Tibetan audiences of all backgrounds, from village children to learned scholar monks and Dalai Lamas. Western readers can now also get a glimpse into ancient Indian and Tibetan history and mythology through these cultural touchstones. The operas revolve around the drives of the human condition: the desire for power, the irresistible seduction of attraction, thoughts of revenge, attachment to family, the fear of separation and pain, the wish to be free from oppression. On visual display are the human and nonhuman characters of history and folklore: kings, queens, conniving ministers, ordinary folk, yogis, monks, and powerful beings from other realms such as gods and nagas engaged in plotting, kidnapping, fighting, and death journeys to faraway lands. Separation and reconciliation often with a quest for seemingly impossible treasure. The suspenseful tales have many dramatic plot twists but they all end in happiness where the good achieve their goals and the bad receive their just desserts. The operas thus bring to the people the fundamental ethical laws of behavior and teachings of natural justice based on Buddhist doctrine. The book features more than fifty gorgeous photos of the operas being performed in Tibet and India.
