Can Delaware Be Dethroned? Stephen M. Bainbridge, Iman Anabtawi, Sung Hui Kim, James Park, 2018-01-11 Delaware is the state of incorporation for almost two thirds of the Fortune 500 companies as well as more than half of all companies listed on the New York Stock Exchange NASDAQ and other major stock exchanges This gives Delaware a seemingly unchallengeable position as the dominant producer of US corporate law In recent years however some observers have suggested that Delaware s competitive position is eroding Other states have long tried to chip away at Delaware s position and recent Delaware legal developments may have strengthened the case for incorporating outside Delaware More importantly however the federal government is increasingly preempting corporate governance law The contributors to this volume are leading academics and practitioners with decades of experience in Delaware corporate law They bring together a variety of perspectives that collectively provide the reader with a broad understanding of how Delaware achieved its dominant position and the threats it faces
