Federal Court Of Canada A History 1875 1992:

A History of Law in Canada, Volume Two Jim Phillips, Philip Girard, R. Blake Brown, 2022-11-01 This is the second of three volumes in an important collection that recounts the sweeping history of law in Canada. The period covered in this volume witnessed both continuity and change in the relationships among law, society, Indigenous peoples, and white settlers. The authors explore how law was as important to the building of a new urban industrial nation as it had been to the establishment of colonies of agricultural settlement and resource exploitation. The book addresses the most important developments in the seventeenth, eighteenth, and nineteenth centuries, including legal pluralism and the co-existence of European and Indigenous law. It pays particular attention to the Métis and the Red River Resistance, the Indian Act, and the origins and expansion of residential schools in Canada. The book is divided into four parts: the law and legal institutions; Indigenous peoples and Dominion law; capital, labour, and criminal justice; and those less favoured by the law. **A History of Law in Canada** examines law as a dynamic process shaped by and affecting other histories over the long term. **Essays in the History of Canadian**

Law George Blain Baker, Jim Phillips, 1999-12-15 This volume in the Osgoode Society's distinguished series on the history of Canadian law is a tribute to Professor R. C. B. Risk, one of the pioneers of Canadian legal history and for many years regarded as its foremost authority. The fifteen original essays are by notable scholars, some of whom were students of Professor Risk, and represent some of the best and most original work in the area of Canadian legal history. They cover a number of important topics that range from the form of the criminal trial in the eighteenth century to debates over the meaning of property in the nineteenth century and to lawyer-poet Tom MacInnes's views on the law of aboriginal title in the twentieth century.

Essays in the History of Canadian Law: In honour of R.C.B. Risk Philip Girard, Osgoode Society, 1981-01-01 The collected essays in this volume represent the highlights of legal historical scholarship in Canada today. All of the essays refer back in some form to Risk's own work in the field. *The Guardianship of Best Interests* Renée Nicole Lafferty, 2013 A history of charitable children's homes and emergent state-centred child welfare policy in Nova Scotia. **Essays in the History of Canadian Law** J. Phillips, R. Roy, McMurtry, John T. Saywell, 2008-09-18 Written to honour the life and work of the late Peter N. Oliver, the distinguished historian and editor in chief of the Osgoode Society for Canadian Legal History from 1979 to 2006, this collection assembles the finest legal scholars to reflect on the issues in and development of the field of legal history in Canada. Covering a broad range of topics, this volume examines developments over the last two hundred years in the legal profession and the judiciary, nineteenth-century prison history, as well as the impact of the 1815 Treaty of Paris. The introduction also provides insight into the history of the Osgoode Society and of Oliver's essential role in it, along with an illuminating analysis of the Society's publications program, which produced sixty-six books during his tenure. A fitting tribute to one of the foremost legal historians, this tenth volume of *Essays in the History of Canadian Law* is a significant contribution to the discipline to which Oliver devoted so much. *Claire L'Heureux-Dubé* Constance Backhouse, 2017-11-06 Both lionized

and vilified Claire L Heureux Dub has shaped the Canadian legal landscape and in particular its highest court The second woman appointed to the Supreme Court of Canada and the first from Quebec she was known as the great dissenter on the bench making judgments that were applauded and criticized in turn L Heureux Dub s innovative legal approach was anchored in the social economic and political context of her cases Constance Backhouse employs a similar tactic Rather than focusing exclusively on her high profile cases and jurisprudential legacy she explores the socio political and cultural setting in which L Heureux Dub s career unfolded while also considering her personal life This compelling biography covers aspects of legal history that have never been so fully investigated enhancing our understanding of the judiciary the creation of law the distinctive socio legal environment of Quebec the experiences of women in the legal profession and the inner workings of the top court

Ruin and Redemption Thomas G. W. Telfer, 2014-11-05 In 1880 the federal Parliament of Canada repealed the Insolvent Act of 1875 leaving debtor creditor matters to be regulated by the provinces Almost forty years later Parliament finally passed new bankruptcy legislation recognizing that what was once considered a moral evil had become a commercial necessity In *Ruin and Redemption* Thomas G W Telfer analyses the ideas interests and institutions that shaped the evolution of Canadian bankruptcy law in this era Examining the vigorous public debates over the idea of bankruptcy Telfer argues that the law was shaped by conflict over the morality of release from debts and by the divergence of interests between local and distant creditors *Ruin and Redemption* is the first full length study of the origins of Canadian bankruptcy law thus making it an important contribution to the study of Canada s commercial law

Borderline Crime Bradley Miller, 2016-01-01 *Borderline Crime* examines how law reacted to the challenge of the border in British North America and post Confederation Canada Miller also reveals how the law remained confused amorphous and often ineffectual at confronting the threat of the border to the rule of law
