Ransom, Dominick Grace, 2019-05-27 Canadian Science Fiction Fantasy and Horror Bridging the Solitudes exposes the limitations of the solitudes concept so often applied uncritically to the Canadian experience This volume examines Canadian and Québécois literature of the fantastic across its genres such as science fiction fantasy horror indigenous futurism and others and considers how its interrogation of colonialism nationalism race and gender works to bridge multiple solitudes Utilizing a transnational lens this volume reveals how the fantastic is ready made for exploring in non literal terms the complex and problematic nature of intercultural engagement *Breathe, Baby, Breathe!* Annie Janvier, MD, PhD, 2020-01-04 Neonatal intensive care prematurity and complicated pregnancies

delights of a still largely frontier era Vancouver As a young man enrolled at SFU he refuses the perm pressed upon him in a Chinatown barber shop and eavesdrops on his rowdy neighbours in a Powell Street apartment house Working in the post office Serafin discovers Michel Tremblay's *The Fat Woman Next Door* is Pregnant and realizes for the first time that writing about working class people is not only possible but desirable Later Serafin embarks upon an intimate criticism of touchstones of Western culture Roland Barthes and Daniel Defoe are counterparts he suggests and shows why Leonard Cohen was read so avidly by the young proto hippies of the era not because of his writing but because he physically modelled a way to be cool The ceremonial objects collected by anthropologists according to Serafin are not actually art but something else again Serafin critiques literary magazines and western novels He discusses the work of Don DeLillo Terry Glavin Steve McCaffery Northrop Frye and William Henry Drummond There's an engagement to these essays that lightly sketches the workings of a mind forever learning *The Rise of the Neighbourhood in Canada, 1880s-2020s* Richard Harris,2025-03-31

Neighbourhoods matter now more than ever before They sustain fewer social connections but in an era of great social inequality and high levels of immigration they have become vital as places for homeowner investment and educational opportunity for children *The Rise of the Neighbourhood in Canada 1880s 2020s* traces the changing character and significance of Canadian urban neighbourhoods city and suburban since the 1880s The book highlights patterns in neighbourhood life particularly noticeable in larger urban areas which are especially important for the least mobile people workers lower income households immigrants women children and the elderly It explores how the physical and social characteristics of neighbourhoods affect public health crime rates social capital and job opportunities while shaping the lifelong prospects of children Analysing long term trends the book examines the importance of communications technology in the context of rising inequality and immigration It shows how as homeownership rose neighbourhoods became vital settings for investment increasingly financialized reducing affordability Using examples from all types of neighbourhoods in cities small and large from St John's through Montreal and Winnipeg to Victoria *The Rise of the Neighbourhood in Canada* argues that the current prominence of neighbourhoods will persist ***The Woman Next Door*** Barbara Delinsky,2001 The lives of three couples are thrown into turmoil when their beautiful and much younger neighbor who has been widowed for a year announces that she is pregnant forcing the wives to reevaluate their marriages and relationships *Mindscales of Montreal*

Ceri Morgan,2012-10-15 This innovative study of the Montreal novel in French looks at how imaginary and material landscapes come together to produce a city of neighbourhoods *Canadian Literary Landmarks* John Robert Colombo,1984-01-01 *Canadian Literary Landmarks* ***Canadian Books in Print. Sanctioned Ignorance Paul Martin,2013-11-15 There is no such thing as the ivory tower Rather there sit side by side numerous windowless towers of knowledge each seeming to have only a small entrance and no discernable exit Paul Martin Multilingual multicultural and vast Canada enjoys a rich diversity of literatures So why does Canadian Literature as it has

been taught fail to encompass a common geography history and government yet reveal the diverse experiences of its immigrants long term residents and original peoples Martin s research interviews with 95 professors in 27 universities maps the institutional chasms in communication and the nature of their persistence His own example of venturing out from his tower to dialogue with colleagues shows a way toward cultivating a conception of the literatures of Canada that is expansive and inclusive Canadianists professors of English French Postcolonial and Comparative Literatures and leaders in education will profit from Martin s frank investigations
