Fatal Honor:

Fatal Union Matthew D. Stroud, 1990 The Spanish wife murder comedias constitute an important category of seventeenth century peninsular plays Fatal Union considers thirty one comedias by fifteen authors to show that they present anything but a unified perspective

Fatal Love Victor Uribe-Uran, 2015-12-16 One night in December 1800 in the distant mission outpost of San Antonio in northern Mexico Eulalia Californio and her lover Primo plotted the murder of her abusive husband While the victim was sleeping Prio and his brother tied a rope around Juan Californio's neck One of them sat on his body while the other pulled on the rope and the woman grabbing her husband by the legs pulled in the opposite direction After Juan Californio suffocated Eulalia ran to the mission and reported that her husband had choked while chewing tobacco Suspicious the mission priests reported the crime to the authorities in charge of the nearest presidio For historians spousal murders are significant for what they reveal about social and family history in particular the hidden history of day to day gender relations conflicts crimes and punishments Fatal Love examines this phenomenon in the late colonial Spanish Atlantic focusing on incidents occurring in New Spain colonial Mexico New Granada colonial Colombia and Spain from the 1740s to the 1820s In the more than 200 cases consulted it considers not only the social features of the murders but also the legal discourses and judicial practices guiding the historical treatment of spousal murders helping us understand the historical intersection of domestic violence private and state church patriarchy and the law

Fatal Fictions Alison L. LaCroix, Richard H. McAdams, Martha Craven Nussbaum, 2017 Writers of fiction have always confronted topics of crime and punishment This age old fascination with crime on the part of both authors and readers is not surprising given that criminal justice touches on so many political and psychological themes essential to literature and comes equipped with a trial process that contains its own dramatic structure This volume explores this profound and enduring literary engagement with crime investigation and criminal justice The collected essays explore three themes that connect the world of law with that of fiction First defining and punishing crime is one of the fundamental purposes of government along with the protection of victims by the prevention of crime And yet criminal punishment remains one of the most abused and terrifying forms of political power Second crime is intensely psychological and therefore an important subject by which a writer can develop and explore character A third connection between criminal justice and fiction involves the inherently dramatic nature of the legal system itself particularly the trial Moreover the ongoing public conversation about crime and punishment suggests that the time is ripe for collaboration between law and literature in this troubled domain The essays in this collection span a wide array of genres including tragic drama science fiction lyric poetry autobiography and mystery novels The works discussed include works as old as fifth century BCE Greek tragedy and as recent as contemporary novels memoirs and mystery novels The cumulative result is arresting there are killer wives and crimes against trees a government bureaucrat who sends political adversaries to their death for treason before falling to the same fate himself a convicted murderer who doesn't die when hanged a

psychopathological collector whose quite sane kidnapping victim nevertheless also collects Justice Thomas reading and misreading of Bigger Thomas a man who forgives his son's murderer and one who cannot forgive his wife's non-existent adultery fictional detectives who draw on historical analysis to solve murders These essays begin a conversation and they illustrate the great depth and power of crime in literature

Fatal Illusion Luz Garcia, 2012-07 I wrote this book aiming to wake up the conscience of the youth who had fallen prey in the jaws of a beast called La vida loca It is world of fatal illusion scandalized by Hollywood and rap music giving the impression that you can achieve anything you have dreamt of without having to face the consequences that La vida loca leaves behind This is the story of my life as I was 28 years old and believed I had the world on my feet I never imagined waking up from this fatal illusion in the dark city La Crecel where I spent the last 28 years of my life If after reading this story you still want to continue the journey of La vida loca then you will surely end up in one of three destinations The hospital the prison and the cemetery Where would you want to go At least God gave me the opportunity to live to tell it the majority have left with their stories onto eternity
