Fatal Memories:

Deadly Memories Pamela M. Richter, 2012-06-12 DEADLY MEMORIES What she can't remember might kill her

She doesn't remember a thing Rolph snapped into the phone Andrea froze His back was turned away from her He didn't know she was there listening It's been six months for God's sake If you harm one hair on her head I'll contact the authorities My father would be disgraced but that will not deter me Now Andrea couldn't move There was no doubt Rolph was talking about her She wondered how his father the French Ambassador could be disgraced His voice modulated to a threatening whisper This is the end Otherwise she goes directly into protective custody and I spill my guts You've lied to me made me into a damned traitor and I'm angry enough to do it out of spite Now Andrea knew there were secrets he was keeping from her What did he mean about protective custody Was she in danger The one blank spot in her mind was a mysterious car crash She didn't know how she had landed at the bottom of a cliff in the Santa Monica mountains of Los Angeles She remembered the fabulous party in Beverly Hills that night but try as she might she couldn't remember the sequence of events leading to the accident Rolph's last words chilled her I have nothing to lose I'm a dead man
