*Death of a Stranger* Noël, Denise, 1980      *Dark Suspicion* Gayet, Caroline, 1980      **Lesson in Love** Claude Virmonne, 1981      *Wheel of Fate* Saint-Lambert, Patrick, 1980      **The Murder Mystique** Laurie Nalepa, Richard Pfefferman, 2013-02-07 Although they account for only ten percent of all murders those attributed to women seem especially likely to captivate the public This absorbing book examines why that is true and how some women literally get away with murder Combining compelling storytelling with insightful observations the book invites readers to take a close look at ten high profile killings committed by American women The work exposes the forces that underlie the public s fascination with female killers and determine why these women so often become instant celebrities Cases are paired by motive love money revenge self defense and psychopathology Through them the authors examine the appeal of women who commit murders and show how perceptions of their crimes are shaped The book details both the crimes and the criminals as it explores how pop culture treats stereotypes of female murderers in film and print True crime aficionados will be fascinated by the minute descriptions of what happened and why while pop culture enthusiasts will appreciate the lens of societal norms through which these cases are examined      Wedding His Takeover Target Emilie Rose, 2010-11-02 Nothing could stop Aspen resort heir Gavin Jarrod s land grab Not even the ornery owner s insistence that Gavin marry his granddaughter to seal the deal Gavin was up to the challenge of wedding perfect stranger Sabrina Taylor since this beautiful stranger was perfect After a whirlwind seduction he had her wed and bedded to their mutual satisfaction But what was this new groom to do once his bride announced she was pregnant with his child It was back to the bargaining table because she wanted a real father for her baby or this merger was off      Maximilian Voloshin's Poetic Legacy and the Post-Soviet Russian Identity M. Landa, 2015-06-10 Famed and outspoken Russian poet Maximilian Voloshin s notoriety has grown steadily since his slow release from Soviet censorship For the first time Landa showcases his vast poetic contributions proving his words to be an overlooked solution both to the political and cultural turmoil engulfing the Soviet Union in the early twentieth century      **Fatal Legacy** Luisa-Maria Linares, 1979      **Billie Holiday** Michael V. Perez, Jessica McKee, 2019-10-31 Eleanora Lady Day Fagan better known as Billie Holiday played a primary role in the development of American jazz culture and in African American history Devoted to the enduring jazz icon covering many aspects of her career image and legacy these fresh essays range from musical and vocal analyses to critical assessments of film depictions of the singer to analysis of the social movements and protests addressed by her signature songs including her impact on contemporary movements such as BlackLivesMatter More than a century after her birth Billie Holiday s abiding relevance and impact is a testament to the power of musical protest This collection pays tribute to her creativity bravery and lasting legacy      In Defense of Witches Mona Chollet, 2022-03-08 Mona Chollet s In Defense of Witches is a brilliant well documented celebration Le Monde by an acclaimed French feminist of the witch as a symbol of female rebellion and independence in the face of misogyny and

persecution Centuries after the infamous witch hunts that swept through Europe and America witches continue to hold a unique fascination for many as fairy tale villains practitioners of pagan religion as well as feminist icons Witches are both the ultimate victim and the stubborn elusive rebel But who were the women who were accused and often killed for witchcraft What types of women have centuries of terror censored eliminated and repressed Celebrated feminist writer Mona Chollet explores three types of women who were accused of witchcraft and persecuted the independent woman since widows and celibates were particularly targeted the childless woman since the time of the hunts marked the end of tolerance for those who claimed to control their fertility and the elderly woman who has always been an object of at best pity and at worst horror Examining modern society Chollet concludes that these women continue to be harassed and oppressed Rather than being a brief moment in history the persecution of witches is an example of society's seemingly eternal misogyny while women today are direct descendants to those who were hunted down and killed for their thoughts and actions With fiery prose and arguments that range from the scholarly to the cultural *In Defense of Witches* seeks to unite the mythic image of the witch with modern women who live their lives on their own terms Billboard ,1992-07-25 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Games of Terror** Vera Dika,1990 A critical study of the low budget film formula described as the stalker film popular in the late 1970s and early 1980s The discussion suggests reasons for its impressive popularity and demonstrates how a generic form is organized to speak a cultural text Illustrated New Scientist ,1996 *Popular Mechanics* ,1993-12 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle *Bulletin of the Atomic Scientists* ,1994-09 *New Scientist and Science Journal* ,1995 New Woman ,1986 **Best Sellers** ,1984 **The Video Librarian** ,2005 **New York Magazine** ,1979-04-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
