Fatal Venture:

Fatal Venture Freeman Wills Crofts, 2011-01 AN INSPECTOR FRENCH MYSTERY Three men come up with a scheme to make money by cruising round the British Isles in an old transatlantic liner All appears to be going well until one of them is found dead Many of the passengers and crew would appear to have motive to kill the man but all of them would seem to have an alibi It takes the full extent of Inspector French's analytical skills to unpick the crime Metropolitan Pulpit and Homiletic Monthly, 1927 The Compensation Review, 1927 Reports of all decisions rendered in workmen's compensation cases in the federal courts and in the state supreme courts

Masters of the "Humdrum" Mystery Curtis Evans, 2014-01-10 In 1972 in an attempt to elevate the stature of the crime novel influential crime writer and critic Julian Symons cast numerous Golden Age detective fiction writers into literary perdition as Humdrums condemning their focus on puzzle plots over stylish writing and explorations of character setting and theme This volume explores the works of three prominent British Humdrums Cecil John Charles Street Freeman Wills Crofts and Alfred Walter Stewart revealing their work to be more complex as puzzles and as social documents than Symons allowed By championing the intrinsic merit of these mystery writers the study demonstrates that reintegrating the Humdrums into mystery genre studies provides a fuller understanding of the Golden Age of detective fiction and its aftermath Coal Review, 1923 **American Patriots** Rick

Santorum, 2012-10-02 The United States of America was founded and established by ordinary citizens just like you and me In their struggle for independence these heroic men and women willingly shed their blood sweat and tears often sacrificing their own lives and fortunes in order to hand down the precious legacy of freedom we all enjoy today Now is the time for a new generation of American patriots to rise up and join in the fight Now is the time for every American to return to the virtues values and ideals that formed our foundation of freedom and enable America to remain a great nation a powerful democracy and a beacon of hope for the world American Patriots highlights the heroic men and women who valiantly fought to secure our God given rights of life liberty and the pursuit of happiness not only for themselves and their children but for countless future generations Their stories are a true reminder of the extraordinary faith courage and determination that set this country on the path to greatness centuries ago and an inspiration for future generations of great American patriots
