wolf he's unforgettably dangerous unforgettably hot Yet Maggie can't remember him Not even when she learns she once agreed to mate him Yeah that was years ago before she was kidnapped and tortured before she lost her memory Now she knows just one thing about herself she'll do whatever it takes to bring down the monsters who took her even trust her ex He's got her right where he wants her Tamed Caleb Donovan was never meant to be a prophet At heart he's a conqueror his appetites far more carnal than spiritual He's not inclined to repress his passions and surrender to fate After all that's what cost him Lily three centuries ago She married another because it was ordained Now that he's in the same benighted calling and forced into proximity with her all the old desires are roaring back to life After widowhood and centuries of celibacy Lily is eager to explore the wild side of life except now she's vulnerable to another forced relationship with an enemy But this time she's determined to choose her own path And if hot furious Caleb comes charging to the rescue it might just change both their destinies Love is about to start conquering
