The Brotherhood in Islam, Message to the Jews, Christians and Muslims Ahmed Shendy Yousef, 2011      The Evangelical Dictionary of World Religions H. Wayne House, 2019-02-19 With all of the different religions sects denominations and belief systems out there it can be difficult to separate the facts from mere opinion especially if one is relying solely on online sources which may or may not be vetted and which often have an ideological or political slant to them How can we truly understand if we cannot even be sure we are getting the facts straight In this comprehensive resource more than 75 evangelical scholars offer a thoroughly researched guide to Christianity other world religions and alternative religious views including entries on movements theological terms and major historical figures Perfect for pastors students and anyone who wants ready access to information on today's religious landscape      **Military Brats** Mary Edwards Wertsch, 2006 Military brats' childhoods are often scarred by alcoholism abuse and an ever present threat of a parent's loss to war This eye opening sometimes shocking exploration tells what life is really like for the stepchildren of Uncle Sam A new recovery group Adult Children of Military Personnel Inc has been formed as a direct result of this book's publication      Moral Partiality Yong Li, 2022-07-29 Situated within the framework of Confucian family oriented ethics this book explores the issue of familial partiality and specifically discusses whether it is morally praiseworthy to love one's family partially In reviewing the tension between familial partiality and egalitarian impartiality from different perspectives while also drawing on binary metrics to understand the issue that is the weak and strong sense of familial partiality in Confucian moral theory the author carefully discusses the efficacy of three major arguments to justify moral partiality It is concluded that the tree argument fails to justify moral partiality in Confucianism the evolutionary argument only justifies moral partiality in the weak sense that we should devote more resources to our family and the care argument fails to justify moral partiality in the strong sense that family takes priority in any case even at the expense of the principle of justice Seeking to address the quandary the author advances an alternative argument based on Thomas Aquinas' theory of love to interpret Confucian view of partial relationships holding that partial treatment is assumed in partial relationships The title will appeal to scholars and students interested in Confucianism Chinese philosophy moral philosophy and comparative philosophy      The Unknown God Nate Taylor, 2008-09-04 An LDS Bishop's Counsel to a member of his ward on the Adam God theory Did Brigham Young teach the doctrine that God became Adam What about Joseph Smith What do the scriptures have to say on this subject Includes the

book *The Forgotten God* and a series of study guides on this subject     'The Real Scriptures' of God James Platter, 2012-08-14 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone elses church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language     *The Old Testament Pseudepigrapha* James H. critical race theory to the pervasive pattern of behavior among largely liberal leaning whites Li elucidates truths about whiteness that challenge any hope of national unity and most devastatingly the basic humanity of others Retail e book files for this title are screen reader friendly     *The Apocrypha #1* Apostle Arne,2015-04-30 The Biblical apocrypha from the Greek *apokryphos* meaning hidden denotes the collection of ancient books found in some editions of the Bible in a separate section between the Old and New Testaments or as an appendix after the New Testament     **Now You Know** Earvin Eugene,2020-06-30 Enjoy this classic literary fiction Discover the human conditions of pain love sorrow and jubilation Thinking Living presents fantastic biographical fiction and the compassion shared between mother and son Don t Go Blind formulates the sadness of mental illness and poor treatment SURGE is the search for true happiness Trapped discusses the confinement of society Lastly How To Escape Death is a love story for the ages     *Notes and Queries* ,1894     **Mormons Answered Verse by Verse** John R. Badowski,2024-03-18 This book is a historical fiction that I have written about the 1960 baseball World Series specifically about game 7 of that series that many baseball experts feel was the greatest game ever played in the history of Major League Baseball The seventh game of that World Series was played on a sunny fall day on October 13 1960 at Forbes Field in Pittsburgh Pennsylvania On that date around 3 00 p m Bill Mazeroski the second baseman for the Pirates hit a walk off home run in the top of the ninth inning to win the game On the second pitch thrown by Yankee pitcher Ralph Terry Mazeroski hit a ball over the 402 sign in left field which gave the Pirates an improbable and almost miraculous win over the heavily favored New York Yankees This home run was the highlight of the many strange and dramatic plays that took place during game 7 which makes that game one for all ages and one that would make for an excellent script for any Hollywood movie This book however is about more than the 1960 World Series It is also about two nine year old boys who meet each other in the summer of 1960 and who become close friends united by not only baseball but also by a crisis that plagues one of the main character s family Daniel Pryzinski and Adam Brodziak are the two fictional characters in this book who meet each other by chance during the summer of 1960 Daniel lives in the Polish Hill

section of Pittsburgh while Adam lives in a small rural coal mining town in western Pennsylvania sixty miles from Pittsburgh. The two meet each other by chance when Adam's family is invited to stay with Daniel's family while they are attending a Polish Festival in Pittsburgh. While staying with the Pryzinski family, the Brodziaks discover a dark secret: Daniel's father, Peter, is an alcoholic whose drinking problems are so bad that it threatens to destroy the Pryzinski family. Daniel's mother, Pauline, is desperately trying to hold the family together but is on the verge of leaving her husband. She is a devout Catholic, so that decision was one that she did not want to make. Besides, she loved her husband so much that she was willing to do anything to help him recover from his drinking problem. Through the intervention of the Brodziaks and their family doctor, Tom Slevic, they are able to convince Peter to admit himself to an Alcohol Rehab Center in Somerset, Pennsylvania. Although the focus of this book is the seventh game of the 1960 World Series, it is the relationship of the fictional characters that will show the reader how reliance upon family and friends and hope in God and faith can serve to change the lives of so many whose loved ones are affected by alcohol or other types of addiction or substance abuse.
