A man and a woman are walking away from the camera in a field of tall, golden grass. The man, on the left, is wearing a blue denim shirt and jeans. The woman, on the right, is wearing a white t-shirt and a black and white checkered skirt. They are holding hands and looking back over their shoulders at each other. The background shows a line of trees and hay bales under a clear blue sky.

**Young People's Training** Witness Lee, 1976-12-01 Young people who love the Lord and wish to follow Him need a vision of Christ We must see the things concerning Christ not merely objectively but subjectively and inwardly We can then experience Christ as the Spirit in our spirit bring others to the Lord and practice the church life on the ground of oneness I challenge you to pray with all these verses If you pray something will come out and you will see the vision of the full gospel and become a witness of what you see of the Lord to today's young generation *New Research on Parenting Programs for Low-Income Fathers* Jay Fagan, Jessica Pearson, 2021-04-19 This book presents state of the art findings of research on fatherhood programs funded by the Fatherhood Research and Practice Network FRPN which advance knowledge and practice in the fathering field *New Research on Parenting Programs for Low Income Fathers* includes research on how to engage mothers to support father child contact and to successfully employ social media and online technology for practice It offers findings on how to increase paternal engagement and parenting skills and to include fathers in policies and programs for children and families It discusses the importance of providing staff training and resources to practitioners who work directly with fathers Chapters also provide summaries of key implications for evidence based practice and future directions for research that encourage effective fatherhood practice This book is an excellent resource for therapists social workers fatherhood educators fatherhood practitioners researchers and policy makers on how to inspire positive father engagement with children and healthy coparenting relationships *Fathers across Cultures* Jaipaul L. Roopnarine, 2015-08-26 This volume offers a comprehensive up to date synopsis of fathering and father child relationships in diverse regions of the world helping students and practitioners alike understand cultural variations in male parenting Interest in the role of the father and his influence on children's development and economic well being has grown considerably This edited volume uses detailed accounts to provide culturally situated analysis of fathering in cultures around the world The book's contributors a multidisciplinary group of scholars bring together the most recent theoretical thinking and research findings on fatherhood and fathering in cultural communities across developed recently developed and developing societies They address such issues as fathering and gender equality in caregiving concepts of masculinity in contemporary societies fathering in various ethnic groups immigrant fathers fathering and childhood outcomes and social policies as they affect and are affected by issues related to fathering Organized geographically the book scrutinizes major sociocultural demographic economic and other factors that influence men's relationships within families It shows how economic conditions impact men's involvement with children and considers the effects of ideological belief systems and views of spousal partner roles and responsibilities The analysis is underpinned by recent data that underscores the significance of fathers involvement with and investment in the well being of their children *Life with Father* Stephen M. Frank, 1998-08-20 Who was the Victorian patriarch and what kind of father was he In this richly documented study Stephen M Frank presents the first account of nineteenth century

family life to focus on the role of fathers Drawing on letters diaries memoirs and other primary sources Frank explores what fathers thought about their family responsibilities and how men behaved as parents His findings are often surprising Beneath the stereotype of the starched Victorian patriarch he discovers fathers who were playful demanding uncertain of their authority and deeply anxious about their children s prospects in a rapidly changing society men with strikingly modern attitudes toward parenthood Focusing on Northern middle class families he also uncovers the social origins of the family man ideal and explores how this standard of middle class propriety found its way into practice Life with Father looks beyond the well known nineteenth century fascination with motherhood to discover a social order that valued a father s care no less than a mother s love as a basis for stable family relationships This compelling social history engages readers with the story of how families in the past struggled with economic and social changes that required fathers to reassess themselves as parents and as men

*The Heart of a Father* Ken Canfield PH.D.,2006-04-01 Every father has a hidden longing to see his children surpass him To help him achieve this Ken Canfield offers a three part plan First a dad should examine his own heart Next he should take steps to improve the way he connects with his children Lastly he should take a longer range view and plan specifically for a lifetime of involved fathering Canfield s plan addresses a father s past a father should resolve his relationship with his own father in order to effectively build a relationship with his children Canfield also explains how to build the four walls or dimensions of fathering involvement awareness consistency and nurturing He then supplies a plan for the future From being a new father to being a grandfather dads face challenges at each stage of their life With the long range perspective this book provides fathers can anticipate and prepare for the changing situations they ll face Based on years of careful research involving thousands of fathers this book is a solid reference tool for dads

Pattnaik,2012-12-30 This vital addition to Springer s Educating the Young Child series addresses gaps in the literature on father involvement in the lives of young children a topic with a fast rising profile in today s world of female breadwinners and single parent households While the significant body of theoretical understanding and empirical data accumulated in recent decades has done much to characterize the fluidity of evolving notions of fatherhood the impact of this understanding on policy and legal frameworks has been uneven at an international level In a field where groups of fathers were until recently marginalized in research this book adopts a refreshingly inclusive attitude aiming to motivate researchers to capture the nuanced practices of fathers in minority groups such as those who are homeless gay imprisoned raising a disabled child or from ethnically distinct backgrounds including Mexican and African American and indigenous fathers The volume includes chapters highlighting the unique challenges and possibilities of father involvement in their children s early years of development Contributing authors have integrated theories research policies and programs on father involvement so as to attract readers with diverse interest and expertise and material from selected countries in Asia Australia and Africa as well as North America evinces the international scope of their analysis Their often interdisciplinary analyses draw too on

historical and cultural legacies even as they project a vision of the future in which fathers involvement in their young children s lives develops alongside the changing political economic and educational landscapes around the world
