Father Lands:

The Basuto Hugh Ashton, 2018-08-16 Originally published in 1952 and as a second edition in 1967 this volume provides a systematic and comprehensive account of the Basuto people and their changing culture and reviews the developments and changes leading up to 1966 when Basutoland achieved independence as Lesotho. It describes in detail daily lives, the education and upbringing of children, initiation, marriage, economic activities and political developments within and outside the country. It includes a discussion of tribal and modern law and the workings of the courts and a study of the part played by magic and sorcery and an analysis of the motives leading to the outbreak of medicine murders in the 1940s. **Land and Social Change in East Nepal** Lionel Caplan, 1970 This book examines the relations between the Limbus, an indigenous tribal people in East Nepal, and the Hindus who have entered their region during the past two hundred years. The Waking Land Callie Bates, 2017-06-27 In the lush and magical tradition of Naomi Novik's award-winning *Uprooted* comes this riveting debut from brilliant young writer Callie Bates whose boundless imagination places her among the finest authors of fantasy fiction including Sarah J. Maas and Sabaa Tahir. Lady Elanna is fiercely devoted to the king who raised her like a daughter. But when he dies under mysterious circumstances, Elanna is accused of his murder and must flee for her life. Returning to the homeland of magical legends, she has forsaken Elanna is forced to reckon with her despised, estranged father branded a traitor long ago. Feeling a strange, deep connection to the natural world, she also must face the truth about the forces she has always denied or disdained as superstition powers that suddenly stir within her. But an all too human threat is drawing near, determined to exact vengeance. Now Elanna has no choice but to lead a rebellion against the kingdom to which she once gave her allegiance. Trapped between divided loyalties, she must summon the courage to confront a destiny that could tear her apart. Don't miss any of Callie Bates's magical *Waking Land* trilogy: *THE WAKING LAND*, *THE MEMORY OF FIRE*, *THE SOUL OF POWER*. Praise for *The Waking Land*: Callie Bates has written an exciting and involving first book, and she is clearly a writer of real talent. Terry Brooks: A heartbreaking, enchanting edge of the seat read that held me captive from start to finish. Tamora Pierce: *The Waking Land* is all about rising to challenges, and it succeeds wonderfully. Charlaiane Harris: A simmering tale of magic that builds to a raging inferno and hits like a cross between Brandon Sanderson and Pierce Brown. Scott Sigler: This superior novel blends passionate romance and sweeping magic. Bates has a delicate, precise touch with human and superhuman relationships. Publishers Weekly: A wonderfully stunning debut. Bates' clear, captivating, imaginative storytelling and vivid, distinctive characters will cause readers to soak up every word.
