The Devil You Know Gwen Adshead, Eileen Horne, 2022-08-23 Serial homicide, Stalking, Arson, Gang crime. Who are the people behind these acts of terrible violence? What are their stories? And what is it like to sit opposite them? Dr. Gwen Adshead is one of Britain's leading forensic psychiatrists, and she has spent thirty years providing therapy inside secure hospitals and prisons. Whatever her patient's crime, she aims to help them to better know their minds by helping them to articulate their life experience. This book contains fascinating, unflinching portraits of individuals whose newspaper headlines, TV dramas, and crime fiction label them as monsters. Case by case, Adshead takes us into the treatment room and reveals these men and women in all their complexity and vulnerability. She sheds new light on the unpredictable nature of the therapeutic process as doctor and patient try to find words for the unspeakable. These are stories of cruelty and despair but also of change and recovery. In a time of increasing polarisation in the face of overcrowded prisons and devastating cuts to mental health care, Adshead speaks to our shared humanity and makes the case for compassion over condemnation, empathy over fear.
