Jesus and the Father Kevin N. Giles, 2009-08-30 The doctrine of the Trinity is one of the cornerstones of Christianity. In *Jesus and the Father*, Kevin Giles wrestles with questions about the Trinity that are dividing the evangelical community: What is the error called subordinationism? Is the Son eternally subordinated to the Father in function? Are the Father and the Son divided or undivided in power and authority? Is the Father-Son-Spirit relationship ordered hierarchically or horizontally? How should the Father and the Son be differentiated to avoid the errors of modalism and subordinationism? What is the relationship between the so-called economic Trinity and the immanent Trinity? Does the Father-Son relationship in the Trinity prescribe male-female relationships in the home and the church? Kevin Giles points out serious problems in the teaching that the Son is eternally subordinated to the Father and argues effectively for the full eternal equality within the Trinity. This book should be read by all who wrestle with the complex but crucial doctrine of the Trinity.

Millard Erickson, author *Christian Theology* By showing that subordinationism is a revival of a heresy that was systematically rejected by the non-Arian Church, the author reinstates the classical orthodox doctrine of the Trinity in all its scriptural majesty and grandeur.

Gilbert Bilezikian, professor emeritus, Wheaton College Giles skillfully places before us the stark choice which each generation of theologians must face: will we allow the Bible to speak its message about the Father, Son, and Holy Spirit to us, or will we use the Bible to advance our own agenda? This important book deserves to be widely read and carefully considered.

Paul D. Molnar, professor of systematic theology, St. John's University

Father, Son and Spirit Andreas J. Köstenberger, Scott R. Swain, 2008-05-15 In this *New Studies in Biblical Theology* volume, Andreas J. Köstenberger and Scott R. Swain provide a thorough biblical survey and theological treatment of the three persons of the Godhead in John's Gospel.

In the Name of the Father, Son, and Holy Spirit Thomas K. Johnson, David Parker, Thomas Schirrmacher, 2020-12-16 Our six authors from four continents representing several branches of Evangelicalism are united in affirming the classical Christian understanding of God as Trinity as crucial for knowing God, understanding the world, and serving God honestly. Their essays lead up to a compilation of classical creeds regarding this foundational proclamation.

Thomas K. Johnson The Trinity is a matter of knowing God in his complexity, totally different from us in our singularity yet radically similar in having personality in his image, then letting this knowledge of God become the pattern of a renewed Christian mind.

Brian Edgar This presentation of the consummate dimensions of the Trinity tells us that the life of God as Trinity is something in which we participate rather than something to be intellectually comprehended.

J. Scott Horrell The suggestion humbly submitted is especially for a missional Trinitarian worldview, not missional as from one culture to another but missional as each body of believers seeks to engage and express Trinitarian faith within their own culture.

William P. Atkinson As the Father's kenotic leadership of the Trinity thereby exalts the Son and the Spirit, so too we can expect that the sort of servant leadership that answers Jesus' high

priestly prayer will lift those who are being led Pavel Ho ek The Enlightenment reductionist rationalism in theology is going through a serious crisis and the relativistic postmodern alternatives do not provide any firm epistemological basis for responsible theological thinking I suggest that the trinitarian intellectual framework which Comenius and Lewis tried to develop offers a promising and inspiring way forward for Christian theologians faithful to the orthodox teachings of the church who are struggling with the intellectual challenges of contemporary culture Tersur Aben The Trinity is the heart of God s self disclosure to and involvement with humans on earth The mission of the church is thus to proclaim the gospel of salvation and the restoration of humans back to God which the Son accomplished on Calvary and the Holy Spirit applies to believers on Pentecost

His Father's Son Malcolm Macdonald,2013-10-10 On a winter s morning in 1915 a baby boy is quietly brought down to a Cotswold gamekeeper s cottage Fitzie is the love child of Miriam Lessore the wayward daughter of the manor house The father is rumoured to be the Prince of Wales although one man knows different Brought up as their own by Patrick and Martha Davy the gamekeeper and his wife the scandalous truth will never be known Until Patrick returns from the war his obedience to the old order gone and ambitious now to become wealthy and independent Until Martha joins Miriam in a business venture Then as the traditional divisions between squire and servant change the pressures for the truth to be revealed become even more unbearable

What Makes A Good Father Roger Turner,2021-01-09 A colleague of mine recently exclaimed too many men are just guessing at what fatherhood should be like She went on to note that after twenty five years and eight children her husband had finally found what it meant to be a good father He had a late start she d said Because as a young boy he d had a distant unloving relationship with his father So initially in their marriage he had been a good provider but fell short of being a good father He seemed unable to express the caring and helpful modeling characteristic of such a father Then my husband had a spiritual awakening which eventually brought him into association with men who had experience being raised and loved by good fathers Overnight my husband seemed to change Even the relationship with his own father greatly improved she said Still the failure of my husband to have had a bonding father son relationship early in his life has left some distance between them This is the burden of not having been raised by a good father My colleague s early frustration is understandable and it highlights the issue facing many American families today It is the need for more good fathers to help guide and emotionally equip their sons to reach toward manhood and to thrive Without such fathers our ability to sustain the traditional nuclear family is threatened Too many sons and daughters are being raised without the emotional and moral guidance they need from their fathers This book is based upon the experiences of countless fathers some very good and some not so good And it is designed to offer suggestions to all fathers young and old on how to avoid mistakes in the father son relationship and thereby to become even better fathers

You Could Be a Better Father Hansen a Harper,2017-01-07 Hansen has penned a game changing inspirational book for all fathers entitled You Could be a

Better Father 7 Keys to Having a Better Father Son Relationship God s Way Hansen believes the tie that binds families together is the Father Even more important than that is the relationship a son has with that father In today s society either that dad is present absent or somewhere between the two Without a strong father son the relationship the family as a whole will struggle to exist Every father and son should have this interactive book in their homes to help keep confusion down This book also adds as a bonus Buddy Builders these are fun activities that the father and son do together For fathers that are serious about fatherhood this book is for you Be blessed Resurrection and Discipleship Thorwald Lorenzen,2004-01-30 The authority of the Bible in the Gospel narratives and Paul s impassioned epistles revolve around the factual basis and foundational nature of Christ s resurrection for Christianity The question is how can the resurrection best be understood In **Rural Manhood** ,1921 **The Filioque** A. Edward Siecienski,2010-06-03 Ed Siecinski examines how the Church has viewed the procession of the Holy Spirit throughout its history beginning with the Trinitarian controversies of the early Christian centuries The first comprehensive study of the key controversy separating the Eastern and Western churches *Retrieving Nicaea* Khaled Anatolios,2011-08-01 Khaled Anatolios a noted expert on the development of Nicene theology offers a historically informed theological study of the development of the doctrine of the Trinity showing its relevance to Christian life and thought today According to Anatolios the development of trinitarian doctrine involved a global interpretation of Christian faith as a whole Consequently the meaning of trinitarian doctrine is to be found in a reappropriation of the process of this development such that the entirety of Christian existence is interpreted in a trinitarian manner The book provides essential resources for this reappropriation by identifying the network of theological issues that comprise the systematic scope of Nicene theology focusing especially on the trinitarian perspectives of three major theologians Athanasius Gregory of Nyssa and Augustine It includes a foreword by Brian E Daley
