

A silhouette of a man and a young child walking away from the viewer on a sandy beach. The man is on the left, and the child is to his right. They are walking towards the ocean under a bright, hazy sky, likely at sunset or sunrise. The water shows gentle waves.

"My father gave me the greatest gift  
anyone could give another person:

**Fatherhood** Doug Spangler,1994 Successful fathering requires personal ownership It means developing relationships instead of playing roles Fatherhood An Owner s Manual will help you become intentional and effective in owning all your relationships personal marital parental and family Beginning now Book jacket *The New Father: A Dad's Guide to The Toddler Years, 12-36 Months (Third Edition) (The New Father)* Armin A. Brott,2019-05-14 The essential guide for fathers of one and two year olds completely revised and updated Learn how to make a positive impact in these milestone years of your child s development when he or she goes from crawling to walking and from knowing just a few words to speaking in complete sentences Armin Brott guides you through this crucial phase of fatherhood three months at a time in the third volume of the New Father series trusted by millions of dads nationwide Each chapter covers Your child s physical intellectual verbal and emotional social development What you re experiencing as a father Age appropriate activities you and your child can enjoy together Family matters including your relationship with your partner sibling relationships and more This new edition of The New Father A Dad s Guide to the Toddler Years has been thoroughly updated to cover the issues dads face today from balancing work and family to managing kids screen time Dads will rely on this friendly yet authoritative book and moms will find it helpful too **American Fatherhood** Lawrence R. Samuel,2015-11-05 American Fatherhood A Cultural History traces changes in what it means to be a dad in America from the 1960s through today The book begins with an overview of fatherhood in America from the founding fathers through the 1950s and progresses to the role of fathers as they were encouraged to move beyond being simply providers to becoming more engaged parents navigating complex and changing gender and family expectations By tracing the story of fatherhood in the United States over the course of the last half century American Fatherhood reveals key insights that add to our understanding of American culture The book argues that for most of the twentieth century male parents were urged to embrace the values and techniques of motherhood In recent years however fathers have rejected this model in place of one that affirms and even celebrates their maleness and their relationships with their children After decades of attempting to adopt the parenting styles of women in other words men have finally forged a form of child raising that is truer to themselves In short fatherhood has become a means of asserting rather than denying or suppressing masculinity an original and counterintuitive argument that makes us rethink the idea and practice of being a dad today **Fathering Your Toddler: A Dad's Guide To The Second And Third Years** Armin A. Brott,2005-04-15 At what age should you introduce your child to computers When and how should you go about drawing up a will The day your child starts preschool how will you cope with the pangs of adult separation anxiety The answers to these questions and hundreds more are found in the pages of this information packed volume Author Armin Brott devotes a chapter to every three months of the second and third years In each chapter Brott charts the physical intellectual verbal and emotional changes the child is going through and examines the emotional and psychological developments the father may be

experiencing He discusses issues that may develop between fathers and their partners as well as matters that involve the whole family In addition each chapter contains a section called You and Your Child in which activities and issues appropriate to the given age are discussed New topics in this revised and expanded edition cover the latest research on child development including brain growth There is more advice for dads who are older single or in the military fathers of preemies and multiples stepfathers and stay at home dads This new edition adds information on a wide range of subjects from helping a child grieve over the loss of a relative or a pet to health and safety issues to care of special needs children Incorporating the author s and other fathers personal experiences as well as the advice of top researchers in the field and illustrated throughout with delightful New Yorker style cartoons underscoring the universality of the joys and woes of parenting Fathering Your Toddler is an essential sourcebook for every dad It s certain to give every mom helpful insights as well
