**The Father of Flesh** Nicholas Paschall,2017-06-15 Terror befalls a rural Chinese village when an ancient evil awakens from its slumber Within days the villagers start transforming into horribly deformed blobs of skin with an unslakable hunger for human flesh The town is soon overrun by an ever growing mass of skin that devours livestock houses and people The Chinese government calls in Professor Davis Nickels to investigate the otherworldly horror A centenarian occultist and professor of archaeology Davis is no stranger to the paranormal having spent a lifetime battling monsters from beyond human understanding But age is catching up to the old professor and this new threat is bigger than anything he s ever faced With the help of two graduate students and the Chinese military he sets off to thwart the ancient menace before it can engulf the world The Reading Promise Alice

Ozma,2024-09-24 A thoroughly entertaining memoir about a single father who read to his daughter from 4th grade until she left for college Washington Post When Alice Ozma was in 4th grade she and her father decided to see if he could read aloud to her for one hundred consecutive nights On the hundredth night they shared pancakes to celebrate but it soon became

evident that neither wanted to let go of their storytelling ritual So they decided to continue what they called The Streak Alice s father read aloud to her every night without fail until the day she left for college Alice approaches her book as a series of vignettes about her relationship with her father and the life lessons learned from the books he read to her Books included in the Streak were Great Expectations by Charles Dickens the Oz books by L Frank Baum Harry Potter by J K Rowling Alice s Adventures in Wonderland by Lewis Carroll and Shakespeare s plays

**Currere and Legacy in the Context of Family Business** Samuel Chen,2023-03-28 This book presents a new conceptualization of the idea of legacy in a family business setting as an educational experience of teaching and learning between generations Using the lived experience of the author it combines autoethnography with a discussion on the influence of Chinese culture on family business and expectations placed on the eldest son as well as Bill Pinar s model of Currere to investigate the processes around intergenerational learning The author argues that legacy is the process of journeying to full personhood and the results of connected and collective aspirations shifting the focus from succession that is often marked by silence and power control The author s approach to business as a field has transformed its strong instrumental approach into an existential orientation with self discovery and self creation as an ongoing process Providing the new and innovative beginnings of a theoretical curriculum that could foster legacy processes and taking a unique and interdisciplinary approach to looking at family business and legacy this book will be relevant to scholars and researcher of both education and business studies
