Fatima In Twilight:

A Full and Accurate Description of the Popular Romance of Blue-Beard; Or, Female Curiosity, 1808 *The Eternalists* Scott Kirkland, 2018-03-09 *The Eternalists* is about seven high school teenagers from New York City's metropolitan area recruited by an advanced educational program by a lottery to help further their education so they can attend college. Unbeknownst to the teens, there's a lot going on beneath the surface of this program. Before long, the teens are thrust into a world of mysticism, magic, and the underworld in order to help their teachers, the enigmatic but charismatic Dr. Maximillian and the lovely *Plays by George Colman the Younger and Thomas Morton* Barry Sutcliffe, 1983-09-08 This volume contains edited texts of five plays by two late eighteenth-century dramatists. The plays have been chosen to represent the range of the two playwrights and the variety of dramatic material on offer during the period. The full-length plays and afterpieces by George Colman the Younger and Thomas Morton were as popular as Sheridan's works in their time but today are seldom performed or read. This discrepancy lies at the heart of Barry Sutcliffe's extensive introduction, which explores the critical and social background to the dramatic activity of the period and relates the dramas to the shifting demands of the theatre audiences for whom these plays were written *The Broadview Anthology of Romantic Drama* Jeffrey N. Cox, Michael Gamer, 2003-02-05 The London theatres arguably were the central cultural institutions in England during the Romantic period and certainly were arenas in which key issues of the time were contested. While existing anthologies of Romantic drama have focused almost exclusively on closet dramas rarely performed on stage, *The Broadview Anthology of Romantic Drama* instead provides a broad sampling of works representative of the full range of the drama of the period. It includes the dramatic work of canonical Romantic poets Samuel Coleridge's *Remorse*, Percy Shelley's *The Cenci*, and Lord Byron's *Sardanapalus* and important plays by women dramatists Hannah Cowley's *A Bold Stroke for a Husband*, Elizabeth Inchbald's *Every One Has His Fault*, and Joanna Baillie's *Orra*. It also provides a selection of popular theatrical genres from melodrama and pantomime to hippodrama and parody, most popular in the period, featuring plays by George Colman the Younger, Thomas John Dibdin, and Matthew Gregory Lewis. In short, this is the most wide-ranging and comprehensive anthology of Romantic drama ever published. The introduction by the editors provides an informative overview of the drama and stage practices of the Romantic Period. The anthology also provides copious supplementary materials, including an Appendix of reviews and contemporary essays on the theater, a Glossary of Actors and Actresses, and a guide to further reading. Each of the ten plays has been fully edited and annotated **Blue-Beard; Or, Female Curiosity! ... The Seventh Edition** George Colman, 1802 **Blue-beard; or, Female curiosity! A dramattick romance.
