Fatima Prophecy Days Of Darkness Promise:

Fatima Prophecy Ray Stanford, 1974 *Earth Dream Awakening* David W. Letts, 2012-08 All that has happened in the past all of Earth's history man has created in his dream and the end of time will come when man wakes up and realizes he has been dreaming Suddenly a young family wrests themselves from life in a North American city to seek a rustic existence close to nature and a circle of new friends in mountain valleys of British Columbia But that is only one of the levels to this story For David and Kelly Siofra are a mystic and a psychic on an out of the ordinary quest inspired by higher energy presences Moita and Amar How will their experiment in communication between worlds illuminate the process of planetary rebirth that will accelerate years later in the awakening of 2012 and beyond This time period is at crossroads Paths before you lead into the future some not pleasant some extremely promising We are here to help you choose the road that leads not to destruction but that leads to life and to this change of man and his awareness to the reuniting of our worlds Among facets of this visionary yet down to earth adventure helping persons in crisis to unlock their hearts find their new balance deepening our sense of community as a core group risks old selves in order to truly meet confronting dark energies across lifetimes undoing man's obsession with power seeing that the planet's upheavals now mirror our own as a vast evolution in consciousness comes full circle aided by higher dimensional beings and the Earth Mother voicing her plea for man to awaken as a willing partner We are entering a New Age of humanity Instead of man creating only on his own set apart from the rest of the universe this time he is involved in a co creation and we are the co creators Those who are here have arrived to help found a new world **The World Conspires** David W. Letts, 2011-02-04 Highly recommended prophetic and relevant for this time Elihu Edelson Both Sides Now _____ From the Mind Leap series one Book in two Parts 1 Age of Metamorphosis an invitation to expanding consciousness From that first leap in your mind the door to spirit opens leading on toward direct experience of other realities It is an entirely different experience to fly Join the authors widely shared channeling sessions in chapters like these First Meetings with Moita a variety of newcomers and their diverse reactions Finding Your Own Path through our mistakes we grow to become our own teacher A Universe of Presences Moita states her difference from Seth and Edgar Cayces source The Art of Discretion the lesson Dr Elisabeth Kbler Ross learned after seeking Moita's help with the scandal that ultimately threatened her courageous life 2 The World Conspires an adventure in psychic spiritual exploration The unfolding of a visionary journey as David and Kelly Siofra learn to flow with new energies As communications with Moita and yet higher levels evolve experiences range from depths Objects become fuzzy Instantly Moita's presence is much stronger She tells me that I am in danger I am losing the thread of my consciousness to heights The Earth is now filled with the wonder of its discoveries He speaks to the Sun and I speak to the Ground We weave together what we are told and make it whole from personal There is much fear of joy in this world and when people fear something they want to destroy it In order to release it you must be very strong and know yourself very well to cosmic It

is the arrival of the High Ones on your plane The texture of the world is changing We are preparing you for the inevitable shock of seeing us as we really are from A Channeling for December 20 2012 Something is happening tomorrow to everyone on the planet There is a great deal of energy bent in this direction It requires my complete presence We have watched for a great many years and now there is a drawing together of worlds a time when the two worlds may touch when they may integrate and understand Life will never be the same again *The Lost Teachings of Jesus* Mark Prophet, Elizabeth Clare Prophet, 1994 Unmistakable evidence that many of Jesus teachings were altered deleted or never recorded In their classic series The Lost Teachings of Jesus Mark L Prophet and Elizabeth Clare Prophet prove that many of Jesus original teachings are missing They show that the New Testament records only a fragment of what Jesus taught That what was written down was tampered with by numerous editors or suppressed by guardians of the faith And that some of what was recorded has been misinterpreted to this day The authors fill in the gaps with a bold reconstruction of the essence of Jesus message They unfold the lost teachings Jesus gave in public to the multitudes and in secret to his closest disciples In modern vernacular they offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message And they answer questions that have puzzled readers of the Bible for centuries **You Are God** Merrilyn Richardson, 2012-12-04 So writes Merrilyn Richardson in You Are God The Challenge to Achieve Christ Consciousness in the Modern Era Richardson States that her viewpoint is based on the values of the founders of our Republic The founders she notes established our ideals of individual freedom but gave final authority to the people who put their trust in God In You Are God she adroitly weaves together secular and Spiritual subjects to help readers come to an expanded understanding of current circumstances She tackles the major challenges our nation currently faces along with their causes and consequences and then offers principled solutions Before addressing the weighty topic of our nation s current crisis of indebtedness however she begins quite logically at the beginning who we are and from whence we came We are spiritual beings having a human experience filled with intelligence of the highest order or God But we also have free will one of mankind s first gifts from the Creator and so she addresses the causes of our not living up to the ideal of perfection Book jacket **The Lost Teachings of Jesus, Book 1** Mark L.
