Jay Watson, James G. Thomas Jr.

Faulkners Families A Southern Saga:

The Family Saga in the South: Generations and Destinies Robert O. Stephens, 1995 *Faulkner's Families* Jay

Watson, James G. Thomas Jr., 2023-06-23 Contributions by Josephine Adams Jeff Allred Garry Bertholf Maxwell Cassity John N Duvall Katherine Henninger Maude Hines Robert Jackson Julie Beth Napolin Rebecca Nisetich George Porter Thomas Jay Watson and Yuko Yamamoto If it seems outrageous to suggest that one of the twentieth century's most important literary cartographers of the private recesses of consciousness is also among its great novelists of family William Faulkner nonetheless fits the bill on both counts Family played an outsized role in both his life and his writings often in deeply problematic ways surfacing across his oeuvre in a dazzling range of distorted defamiliarized and transgressive forms while on other occasions serving as a crucible for crushing forces of conformity convention and tradition The dozen essays featured in this collection approach Faulkner's many families actual and imagined as especially revealing windows to his work and his world Contributors explore the role of the child in Faulkner's vision of family and regional society sibling relations throughout the author's body of work the extension of family networks beyond blood lineage and across racial lines the undutiful daughters of Yoknapatawpha County the critical power of family estrangement and subversive genealogies in Faulkner's imagination forms of queer and interspecies kinship the epidemiological imagination of Faulkner's notorious Snopes family as social contagion the experiences of the African American families who worked on the writer's Greenfield Farm property and Faulkner's role in promoting a Cold War era ideology of the family of man in post World War II Japan

Faulkner's Families Gwendolyn Chabrier, 1993 This is the first book to show in detail how the families William Faulkner created in his novels reflect his own family experiences Gwendolyn Chabrier shows how Faulkner's earliest work presents a gloomy view of family relations characterized by misalliance adultery and incestuous relationships But then drawing on his own experience Faulkner gradually came to a new view of the family both his own and those he created and worked through to his later novel where both his life and that of his fictional families became more peaceful and rewarding **Faulkner and Postmodernism** John Noel Duvall, Ann J. Abadie, 2002 Since the 1960s William Faulkner Mississippi's most famous author has been recognized as a central figure of international modernism But might Faulkner's fiction be understood in relation to Thomas Pynchon's *Gravity's Rainbow* as well as James Joyce's *Ulysses* In eleven essays from the 1999 Faulkner and Yoknapatawpha Conference held at the University of Mississippi Faulkner and Postmodernism examines William Faulkner and his fiction in light of postmodern literature culture and theory The volume explores the variety of ways Faulkner's art can be used to measure similarities and differences between modernism and postmodernism Essays in the collection fall into three categories those that use Faulkner's novels as a way to mark a period distinction between modernism and postmodernism those that see postmodern tendencies in Faulkner's fiction and those that read Faulkner through the lens of postmodern theory's contemporary legacy the field of cultural studies In order to make their particular arguments essays in

the collection compare Faulkner to more contemporary novelists such as Ralph Ellison Vladimir Nabokov Thomas Pynchon Walker Percy Richard Ford Toni Morrison and Kathy Acker But not all of the comparisons are to high culture artists since even Elvis Presley becomes Faulkner's foil in one of the essays A variety of theoretical perspectives frame the work in this volume from Fredric Jameson's pessimistic sense of postmodernism's possibilities to Linda Hutcheon's conviction that cultural critique can continue in postmodernism through innovative new forms such as metafiction Despite the different theoretical premises and distinct conclusions of the individual authors of these essays Faulkner and Postmodernism proves once again that in the key debates surrounding twentieth century fiction Faulkner is a crucial figure John N Duvall an associate professor of English at Purdue University is the editor of Modern Fiction Studies Ann J Abadie is associate director of the Center for the Study of Southern Culture at the University of Mississippi **William Faulkner** John E.

Bassett,2009-05-22 Considered one of the great American authors of the 20th century William Faulkner 1897 1962 produced such enduring novels as *The Sound and the Fury* *Light in August* and *As I Lay Dying* as well as many short stories His works continue to be a source of interest to scholars and students of literature and the immense amount of criticism about the Nobel prize winner continues to grow Following his book *Faulkner in the Eighties* Scarecrow 1991 and two previous volumes published in 1972 and 1983 John E Bassett provides a comprehensive annotated listing of commentary in English on William Faulkner since the late 1980s This volume dedicates its sections to book length studies of Faulkner commentaries on individual novels and short works criticism covering multiple works biographical and bibliographical sources and other materials such as book reviews doctoral dissertations and brief commentaries This bibliography provides an organized and accessible list of all significant recent commentary on Faulkner and the annotations direct readers to those materials of most interest to them The information contained in this volume is beneficial for scholars and students of this author but also general readers of fiction who have a special interest in Faulkner *The Life of William Faulkner* Carl Rollyson,2020-09-22

By the end of volume 1 of *The Life of William Faulkner* A filling satisfying feast for Faulkner aficionados Kirkus the young Faulkner had gone from an unpromising self mythologizing bohemian to the author of some of the most innovative and enduring literature of the century including *The Sound and the Fury* and *Light in August* The second and concluding volume of Carl Rollyson's ambitious biography finds Faulkner lamenting the many threats to his creative existence Feeling as an artist he should be above worldly concerns and even morality he has instead inherited only debts a symptom of the South's faded fortunes and numerous mouths to feed and funerals to fund And so he turns to the classic temptation for financially struggling writers Hollywood Thus begins roughly a decade of shuttling between his home and family in Mississippi lifeblood of his art and the backlots of the Golden Age film industry Through Faulkner's Hollywood years Rollyson introduces such personalities as Humphrey Bogart and Faulkner's long time collaborator Howard Hawks while telling the stories behind films such as *The Big Sleep* and *To Have and Have Not* At the same time he chronicles with great insight Faulkner's rapidly

crumbling though somehow resilient marriage and his numerous extramarital affairs including his deeply felt if ultimately doomed relationship with Meta Carpenter In his grief over their breakup Faulkner a dipsomaniac capable of ferocious alcoholic binges received third degree burns when he passed out on a hotel room radiator Where most biographers and critics dismiss Faulkner s film work as at best a necessary evil at worst a tragic waste of his peak creative years Rollyson approaches this period as a valuable window on his artistry He reveals a fascinating previously unappreciated cross pollination between Faulkner s film and literary work elements from his fiction appearing in his screenplays and his film collaborations influencing his later novels fundamentally changing the character of late career works such as the Snopes trilogy Rollyson takes the reader on a fascinating journey through the composition of Absalom Absalom widely considered Faulkner s masterpiece as well as the film adaptation he authored unproduced and never published Revolt in the Earth He reveals how Faulkner wrestled with the legacy of the South both its history and its dizzying racial contradictions and turned it into powerful art in works such as Go Down Moses and Intruder in the Dust Volume 2 of this monumental work rests on an unprecedented trove of research giving us the most penetrating and comprehensive life of Faulkner and providing a fascinating look at the author s trajectory from under appreciated writer s writer to world renowned Nobel laureate and literary icon In his famous Nobel speech Faulkner said what inspired him was the human ability to prevail In the end this beautifully wrought life shows how Faulkner the man and the artist embodies this remarkable capacity to endure and prevail

Faulkner's Absalom, Absalom! John P. Anderson, 2003-07-01 This non academic author a retired lawyer brings William Faulkner s Absalom Absalom to life as uncertainty in Dixie He traces Faulkner s portrait of the efforts of Thomas Sutpen to create a family dynasty in wealth and community respect and of Rosa Coldfield to revenge Sutpen s treatment of her as a mere reproduction tool Both efforts are analyzed as life sterilizers inevitably doomed to failure by the uncertainties in life and as examples of the tension between control of the future and love a choice Faulkner had to make in his own personal life Line by line analyses of critical portions of the novel reveal its subtleties to the reader The explanation points out the intentional gaps and spaces in the story that invite reader participation as to what happened This author gives you his interpretation You are invited to create your own version of what really happened in this archetypal setting in Faulkner s famous Jefferson

Mississippi **Between Grief and Nothing** Lisa C. Hickman, 2025-01-07 In 1962 William Faulkner left his homestead in Oxford Mississippi to travel to the nearby Byhalia sanatorium for alcoholism rehabilitation Mere hours later the usual recovery he sought turned tragic This book traces the sequence of events leading to his initial hospitalization exploring facets of his emotional instability mental health and various addictions It reveals how Faulkner s fervent passions shaped both his life and his art brilliance and madness emerged in equal measure as the author s substance abuse shaped his reality Beneath the scholarly facade depicted in photographs was a troubled man entangled in a complex marriage seeking solace through serial sexual and romantic affairs perilous pastimes and the pervasive culture of alcohol abuse The ultimate truth

surrounding Faulkner's final decline gradually emerges as this book examines previously undisclosed medical details such as patient records administered medications and financial statements Interviews with close associates at the Leonard Wright Sanatorium the sight of his unexpected death provide further insights The text reveals a culture ill prepared to address mental health crises and identifies the habitual forces that hastened the demise of one of America's most celebrated authors

William Faulkner: The Sound and the Fury Michael Cotsell, 2008-01-01 Chapter 1 provides some general context about Faulkner's life and work in the American South and Yoknapatawpha County and introduces the form and style of Faulkner's novel Chapter 2 provides a discussion of the contexts of Southern history and Faulkner's family history Chapter 3 is a discussion of the influences on Faulkner of Modernist literature and Modernist psychology and philosophy Chapter 4 gives a close commentary on each of the novel's four narratives

A William Faulkner Encyclopedia Robert W. Hamblin, Charles Peek, 1999-11-30 Sometimes called the American Shakespeare William Faulkner is known for providing poignant and accurate renderings of the human condition creating a world of colorful characters in his fictional Yoknapatawpha County and writing in a style that is both distinct and demanding Though he is known as a Southern writer his appeal transcends regional and even national boundaries Since winning the Nobel Prize for Literature in 1950 he has been the subject of more than 5 000 scholarly books and articles Academic interest in his career has been matched by popular acclaim with some of his works adapted for the cinema This reference is an authoritative guide to Faulkner's life literature and legacy The encyclopedia includes nearly 500 alphabetically arranged entries for topics related to Faulkner and his world Included are entries for his works and major characters and themes as well as the literary and cultural contexts in which his texts were conceived written and published There are also entries for relatives friends and other persons important to Faulkner's biography historical events persons and places social and cultural developments and literary and philosophical terms and movements The entries are written by expert contributors who bring a broad range of perspectives and experience to their analysis of his work Entries typically conclude with suggestions for further reading and the volume closes with a bibliography and detailed index

William Faulkner M. Thomas Inge, 1995-02-24 This book the first comprehensive collection of contemporary published reactions to the writing of William Faulkner from 1926 to 1962 documents the response of reviewers to specific works and chronicles the development of Faulkner's reputation among the nation's book reviewers The material presented here clarifies the development of Faulkner's literary career and provides a fuller understanding of the part played by book reviewing in the sales promotion and success of American literature

Spatialities in Italian American Women's Literature Eva Pelayo Sañudo, 2021-07-05 Examining the family saga as an instrument of literary analysis of writing by Italian American women this book argues that the genre represents a key strategy for Italian American female writers as a form which distinctly allows them to establish cultural gender and literary traditions Spaces are inherently marked by the ideology of the societies that create and practice them and this volume engages with spaces of cultural and

gendered identity particularly those of the mean streets in Italian American fiction which provide a method of critically analyzing the configurations and representations of identity associated with the Italian American community Key authors examined include Julia Savarese Marion Benasutti Tina De Rosa Helen Barolini Melania Mazzucco and Laurie Fabiano This book is suitable for students and scholars in Literature Italian Studies Cultural Studies and Gender Studies *Mother Jones Magazine*, 1996-11 *Mother Jones* is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues *William Faulkner and the Southern Landscape* Charles Shelton Aiken, 2009 Charles S Aiken a native of Mississippi who was born a few miles from Oxford has been thinking and writing about the geography of Faulkner's Yoknapatawpha County for more than thirty years *William Faulkner and the Southern Landscape* is the culmination of that long term scholarly project It is a fresh approach to a much studied writer and a provocative meditation on the relationship between literary imagination and place Four main geographical questions shape Aiken's journey to the family seat of the Compsons and the Snopeses What patterns and techniques did Faulkner use consciously or subconsciously to convert the real geography of Lafayette County into a fictional space Did Faulkner intend Yoknapatawpha to serve as a microcosm of the American South In what ways does the historical geography of Faulkner's birthplace correspond to that of the fictional world he created Finally what geographic legacy has Faulkner left us through the fourteen novels he set in Yoknapatawpha With an approach methodology and sources primarily derived from historical geography Aiken takes the reader on a tour of Faulkner's real and imagined worlds The result is an informed reading of Faulkner's life and work and a refined understanding of the relation of literary worlds to the real places that inspire them **American Fiction Between the Wars** Harold Bloom, 2009 America in the 1920s and 30s saw the emergence of some of the best known writers of the modern generation John Steinbeck Ernest Hemingway and William Faulkner **Faulkner and the Native Keystone** Biljana Oklopčić, 2014-06-26 The last fifty years have witnessed a never ending flow of criticism of William Faulkner and his fiction While this book touches on the prevailing critical theory it concentrates on a number of fresh observations on themes and motifs that place William Faulkner's fiction in general regional global and universal contexts of American and Western literature Paying special attention to themes and motifs of racism sexism women's education myths and stereotypes to mention just a few the book analyzes Faulkner's ability to write and to be read within and beyond his native keystone his South Coming from a non US Americanist perspective this contribution to the scholarly literature on William Faulkner discusses his best known novels contends that regionalism internationalism and universalism are the context of his fiction and argues for feminist post colonial and psychoanalytical approaches to it The book is intended for scholars in the field of American literature American Studies and Southern Studies as it covers the South's complex history its peculiar cultural institutions and the daunting body of international critical studies that has flourished around the novels during the last five decades Graduate students will also find this book useful as

it analyzes and interprets the novels and short stories of one of the greatest American novelists of the 20th century in an easily understandable way offering new and fresh readings on 1 race and gender stereotypes present in American and European culture and literature 2 conventions of family genealogical fiction drama and 3 universal life situations and feelings

Mississippi Quarterly ,1996

Bloom's How to Write about William Faulkner Anna Priddy,Harold Bloom,2009

William Faulkner is one of America s most highly regarded novelists This title reveals his timeless novels and short stories including *The Sound and the Fury* *Light in August* *Go Down Moses* *As I Lay Dying* *Absalom Absalom* *Barn Burning* *The Bear* and *A Rose for Emily*

American Writers Elizabeth H. Oakes,2004 *American Writers* focuses on the rich diversity of

American novelists

Faulkner and History Jay Watson,James G. Thomas Jr.,2017-03-15 Contributions by W Fitzhugh

Brundage Jordan Burke Rebecca Bennett Clark James C Cobb Anna Creadick Colin Dayan Wai Chee Dimock Sarah E Gardner Hannah Godwin Brooks E Hefner Andrew B Leiter Sean McCann Conor Picken Natalie J Ring Calvin Schermerhorn and Jay Watson William Faulkner remains a historian s writer A distinguished roster of historians are drawn to him as a fellow historian a shaper of narrative reflections on the meaning of the past as a historiographer a theorist and dramatist of the fraught enterprise of doing history and as a historical figure himself especially following his mid century emergence as a public intellectual after winning the Nobel Prize for Literature This volume brings together historians and literary scholars to explore the many facets of Faulkner s relationship to history the historical contexts of his novels and stories his explorations of the historiographic imagination his engagement with historical figures from both the regional and national past his influence on professional historians his pursuit of alternate modes of temporal awareness and the histories of print culture that shaped the production reception and criticism of Faulkner s work Contributors draw on the history of development in the Mississippi Valley the construction of Confederate memory the history and curriculum of Harvard University twentieth century debates over police brutality and temperance reform the history of modern childhood and the literary histories of antislavery writing and pulp fiction to illuminate Faulkner s work Others in the collection explore the meaning of Faulkner s fiction for such professional historians as C Vann Woodward and Albert Bushnell Hart In these ways and more Faulkner and History offers fresh insights into one of the most persistent and long recognized elements of the Mississippian s artistic vision
