

# Faulkners Mississippi

**William Faulkner**

## **Faulkners Mississippi:**

Faulkner, Mississippi Edouard Glissant, 2000-06-15 In 1989 the Caribbean writer Edouard Glissant visited Rowan Oak William Faulkner's home in Oxford Mississippi His visit spurred him to write a revelatory book about the work of one of our greatest but still least understood American writers A fascinating way to read Faulkner Glissant's case is nothing less than that no matter how Faulkner's personal Furies twisted his public speech Faulkner was a great world beating multiculturalist Jonathan Levi Los Angeles Times Book Review A sharp challenging and wholly unique tour of Yoknapatawpha County Kirkus Reviews Passionate Glissant's prose sometimes vies with Faulkner's for intricacy and evocative nuance Scott McLemee Newsday Glissant tries to engage Faulkner on many fronts simultaneously positioning himself as a critic a fellow artist and as a descendant of slaves He makes a convincing case that Faulkner is not just another dead white male author Scott Yarbrough Raleigh News Observer An ambitious and at times rambunctious expedition into Yoknapatawpha County Christine Schwartz Hartley New York Times Book Review *Faulkner's Mississippi* Willie Morris, 1990 An insightful analysis of William Faulkner's complex fictional world of Yoknapatawpha County is juxtaposed with evocative photographs of the rural Southern countryside many of which are enhanced by excerpts from Faulkner's works **Every Day by the Sun** Dean Faulkner Wells, 2012-02-21 In *Every Day by the Sun* Dean Faulkner Wells recounts the story of the Faulkners of Mississippi whose legacy includes pioneers noble and ignoble war veterans three never convicted murderers the builder of the first railroad in north Mississippi the founding president of a bank an FBI agent four pilots all brothers and a Nobel Prize winner arguably the most important American novelist of the twentieth century She also reveals wonderfully entertaining and intimate stories and anecdotes about her family in particular her uncle William or Pappy with whom she shared colorful sometimes utterly frank sometimes whimsical conversations and experiences This deeply felt memoir explores the close relationship between Dean's uncle and her father Dean Swift Faulkner a barnstormer killed at age twenty eight during an air show four months before she was born It was William who gave his youngest brother an airplane and after Dean's tragic death William helped to raise his niece He paid for her education gave her away when she was married and maintained a unique relationship with her throughout his life From the 1920s to the early civil rights era from Faulkner's winning of the Nobel Prize in Literature to his death in 1962 *Every Day by the Sun* explores the changing culture and society of Oxford Mississippi while offering a rare glimpse of a notoriously private family and an indelible portrait of a national treasure Faulkner, Mississippi Édouard Glissant, 1999 The Caribbean writer examines the racial complexities of Faulkner's works set in the fictitious Yoknapatawpha County **The Mansion** William Faulkner, 2011-11-01 *The Mansion* completes Faulkner's great trilogy of the Snopes family in the mythical county of Yoknapatawpha Mississippi which also includes *The Hamlet* and *The Town* Beginning with the murder of Jack Houston and ending with the murder of Flem Snopes it traces the downfall of this indomitable post bellum family who managed to seize control of the town of Jefferson within a generation The Town William Faulkner, 2011-11-01

This is the second volume of Faulkner's trilogy about the Snopes family his symbol for the grasping destructive element in the post bellum South Like its predecessor *The Hamlet* and its successor *The Mansion The Town* is completely self contained but it gains resonance from being read with the other two The story of Flem Snopes's ruthless struggle to take over the town of Jefferson Mississippi the book is rich in typically Faulknerian episodes of humor and profundity **Faulkner's County** Don Harrison Doyle,2001 This history of Lafayette County Mississippi uses William Faulkner's rich fictional portrait of a place and its people to illuminate the past From the arrival of Europeans in Chickasaw Indian territory in 1540 to Faulkner's death in 1962 Doyle chronicles more than four centuries of local history 27 illustrations 3 maps **The Reivers** William Faulkner,1962 This grand misadventure is the story of three unlikely thieves or reivers 11 year old Lucius Priest and two of his family's retainers In 1905 these three set out from Mississippi for Memphis in a stolen motorcar The astonishing and complicated results reveal Faulkner as a master of the picaresque Copyright Libri GmbH All rights reserved **Light in August** William Faulkner,2002-04-02 Selected by the Modern Library as one of the 100 best novels of all time From the Modern Library's new set of beautifully repackaged hardcover classics by William Faulkner also available are *Snopes As I Lay Dying The Sound and the Fury Absalom Absalom* and *Selected Short Stories* One of William Faulkner's most admired and accessible novels *Light in August* reveals the great American author at the height of his powers Lena Grove's resolute search for the father of her unborn child begets a rich poignant and ultimately hopeful story of perseverance in the face of mortality It also acquaints us with several of Faulkner's most unforgettable characters including the Reverend Gail Hightower plagued by visions of Confederate horsemen and Joe Christmas a ragged itinerant soul obsessed with his mixed race ancestry Powerfully entwining these characters stories *Light in August* brings to life Faulkner's imaginary South one of literature's great invented landscapes in all of its unerringly fascinating glory Along with a new Foreword by C E Morgan this edition reproduces the corrected text of *Light in August* as established in 1985 by Faulkner expert Noel Polk **Faulkner's Cartographies of Consciousness** John Michael Corrigan,2023-11-16 William Faulkner continues to be an author who is widely read studied and admired This book provides a new and interdisciplinary account of Faulkner's legacy arguing that his fiction is just as relevant today as it was during his own time Indeed Faulkner's far reaching critique of his Southern heritage speaks directly to the anti racism discourse of our own time and engages the dire threat to subjecthood in a technologically saturated civilization Combining literary critique with network and complexity science this study offers a new reading of William Faulkner as a novelist for the information age Over the course of his career we find an artist struggling to articulate the threat to human wellbeing in rapidly scaling social systems and gradually developing a hard won humanism that affirms the individual and interpersonal life as a source of novelty and social change William Faulkner and the Tangible Past Thomas S. Hines,Thomas Spight Hines,1996-01-01 This jewel of a book is a great pleasure to read In point of fact it is not a book one reads but savors Narciso G Menocal author of *Architecture as Nature* **Faulkner's Artistic**

**Vision** Ryuichi Yamaguchi,2004-04 Although William Faulkner's imagination is often considered solely tragic it actually blended what Faulkner himself called the bizarre and the terrible Not only did Faulkner's vision encompass both comedy and tragedy it perceived a latent humor in tragedy and vice versa As a result Faulkner's fiction is seldom simply comic or simply tragic Faulkner's comedy incorporates tragedy and despair and the humor in his novels may serve as well to intensify as to relieve a tragic or horrific effect This study examines Faulkner's first nine novels from *Soldiers Pay* to *Absalom Absalom* showing how humor is used to express theme how it appears in the action characters and discourse of each novel and how it contributes to the overall effect of each novel In each case even in the most pained and angry novels Faulkner's practice of humor expresses his view that humor is an inseparable element of human experience Ryuichi Yamaguchi is Professor of English and American literature at the Aichi University in Japan

**William Faulkner at Twentieth Century-Fox** Sarah Gleeson-White,2017-02-15 The edition makes available for the first time and in one volume Faulkner's Fox screen writings With its essays and annotations it also makes a valuable contribution to recent scholarship across a number of fields including screenplay studies and film and literature as well as to the history of Twentieth Century Fox during Hollywood's golden age

**The Life of William Faulkner** Carl Rollyson,2020-09-22 By the end of volume 1 of *The Life of William Faulkner* A filling satisfying feast for Faulkner aficionados Kirkus the young Faulkner had gone from an unpromising self-mythologizing bohemian to the author of some of the most innovative and enduring literature of the century including *The Sound and the Fury* and *Light in August* The second and concluding volume of Carl Rollyson's ambitious biography finds Faulkner lamenting the many threats to his creative existence Feeling as an artist he should be above worldly concerns and even morality he has instead inherited only debts a symptom of the South's faded fortunes and numerous mouths to feed and funerals to fund And so he turns to the classic temptation for financially struggling writers Hollywood Thus begins roughly a decade of shuttling between his home and family in Mississippi lifeblood of his art and the backlots of the Golden Age film industry Through Faulkner's Hollywood years Rollyson introduces such personalities as Humphrey Bogart and Faulkner's long time collaborator Howard Hawks while telling the stories behind films such as *The Big Sleep* and *To Have and Have Not* At the same time he chronicles with great insight Faulkner's rapidly crumbling though somehow resilient marriage and his numerous extramarital affairs including his deeply felt if ultimately doomed relationship with Meta Carpenter In his grief over their breakup Faulkner a dipsomaniac capable of ferocious alcoholic binges received third degree burns when he passed out on a hotel room radiator Where most biographers and critics dismiss Faulkner's film work as at best a necessary evil at worst a tragic waste of his peak creative years Rollyson approaches this period as a valuable window on his artistry He reveals a fascinating previously unappreciated cross pollination between Faulkner's film and literary work elements from his fiction appearing in his screenplays and his film collaborations influencing his later novels fundamentally changing the character of late career works such as the Snopes trilogy Rollyson takes the reader on a fascinating journey through the

composition of *Absalom Absalom* widely considered Faulkner's masterpiece as well as the film adaptation he authored unproduced and never published *Revolt in the Earth*. He reveals how Faulkner wrestled with the legacy of the South both its history and its dizzying racial contradictions and turned it into powerful art in works such as *Go Down Moses* and *Intruder in the Dust*. Volume 2 of this monumental work rests on an unprecedented trove of research giving us the most penetrating and comprehensive life of Faulkner and providing a fascinating look at the author's trajectory from underappreciated writer to world renowned Nobel laureate and literary icon. In his famous Nobel speech Faulkner said what inspired him was the human ability to prevail. In the end this beautifully wrought life shows how Faulkner the man and the artist embodies this remarkable capacity to endure and prevail. *A Companion to Faulkner Studies* Charles Peek, Robert W.

Hamblin, 2004-06-30 Faulkner scholarship is one of the largest critical enterprises currently at work. Because of its size and scope, accessing that scholarship has become difficult for scholars, students, and general readers alike. This reference includes chapters on individual approaches to Faulkner studies including archetypal, historical, biographical, feminist, and psychological criticism among others. Each chapter is written by an expert contributor and surveys the contributions of that approach to Faulkner scholarship. The volume concludes with a selected general bibliography and glossary of critical terms. William Faulkner is one of the most widely read and studied American writers. His works have also generated a vast body of scholarship and elicited criticism from a wide range of approaches. Because of its size, scope, and diversity, accessing that scholarship has become difficult for scholars, students, and general readers alike. This reference comprehensively overviews the present state of Faulkner studies. The volume includes chapters written by expert contributors. Each chapter defines a particular critical approach and surveys the contributions of that approach to Faulkner studies. Some of the approaches covered are archetypal, biographical, feminist, historical, and psychological among others. The book closes with a selected general bibliography and glossary of critical terms. **Following Faulkner** Taylor Hagood, 2017 An examination of how

Faulkner's work has been analyzed, elucidated, and promoted by a massive body of scholarly work spanning over seven decades. **A Reader's Guide to William Faulkner** Edmond L. Volpe, 2015-02-01 The new guide, the first comprehensive book of its kind, offers analyses of all Faulkner's short stories published and unpublished that were not incorporated into novels or turned into chapters of a novel. Seventy-one stories receive individual critical analysis and evaluation. These discussions reveal the relationship of the stories to the novels and point up Faulkner's skills as a writer of short fiction. Although Faulkner often spoke disparagingly of the short story form and claimed that he wrote stories for money, which he did, Edmond L. Volpe's study reveals that Faulkner could not escape even in this shorter form his incomparable fictional imagination nor his mastery of narrative structure and technique. *A Companion to William Faulkner* Richard C.

Moreland, 2017-06-14 This comprehensive *Companion to William Faulkner* reflects the current dynamic state of Faulkner studies. Explores the contexts, criticism, genres, and interpretations of Nobel Prize-winning writer William Faulkner, arguably

the greatest American novelist Comprises newly commissioned essays written by an international contributor team of leading scholars Guides readers through the plethora of critical approaches to Faulkner over the past few decades Draws upon current Faulkner scholarship as well as critically reflecting on previous interpretations *Faulkner's Short Fiction* James Ferguson, 1991 This comprehensive overview of William Faulkner's short fiction is a systematic study of this body of work which Faulkner produced over a period of forty years The author examines Faulkner's struggle to master the special problems posed by the genre The book is organized topically A chronological survey of Faulkner's career as a writer of short fiction is followed by chapters devoted to aspects of Faulkner's craft thematic patterns points of view and other technical and formal patterns The author offers a frank assessment of Faulkner's failures and successes as a writer of short fiction **A William Faulkner Encyclopedia** Robert W. Hamblin, Charles Peek, 1999-11-30 Sometimes called the American Shakespeare William Faulkner is known for providing poignant and accurate renderings of the human condition creating a world of colorful characters in his fictional Yoknapatawpha County and writing in a style that is both distinct and demanding Though he is known as a Southern writer his appeal transcends regional and even national boundaries Since winning the Nobel Prize for Literature in 1950 he has been the subject of more than 5 000 scholarly books and articles Academic interest in his career has been matched by popular acclaim with some of his works adapted for the cinema This reference is an authoritative guide to Faulkner's life literature and legacy The encyclopedia includes nearly 500 alphabetically arranged entries for topics related to Faulkner and his world Included are entries for his works and major characters and themes as well as the literary and cultural contexts in which his texts were conceived written and published There are also entries for relatives friends and other persons important to Faulkner's biography historical events persons and places social and cultural developments and literary and philosophical terms and movements The entries are written by expert contributors who bring a broad range of perspectives and experience to their analysis of his work Entries typically conclude with suggestions for further reading and the volume closes with a bibliography and detailed index
