Faulkners Bicycle:

Faulkner and War Noel Polk, Ann J. Abadie, 2004 A critical exploration of the effects and influence of America's wars upon the works of the Nobel Prize laureate **William Faulkner** John E. Bassett, 2009-05-22 Considered one of the great American authors of the 20th century William Faulkner 1897-1962 produced such enduring novels as *The Sound and the Fury* *Light in August* and *As I Lay Dying* as well as many short stories His works continue to be a source of interest to scholars and students of literature and the immense amount of criticism about the Nobel prize winner continues to grow Following his book *Faulkner in the Eighties* Scarecrow 1991 and two previous volumes published in 1972 and 1983 John E. Bassett provides a comprehensive annotated listing of commentary in English on William Faulkner since the late 1980s This volume dedicates its sections to book length studies of Faulkner commentaries on individual novels and short works criticism covering multiple works biographical and bibliographical sources and other materials such as book reviews doctoral dissertations and brief commentaries This bibliography provides an organized and accessible list of all significant recent commentary on Faulkner and the annotations direct readers to those materials of most interest to them The information contained in this volume is beneficial for scholars and students of this author but also general readers of fiction who have a special interest in Faulkner **New York Court of Appeals. Records and Briefs.** New York (State)., **A Companion to Faulkner Studies** Charles Peek, Robert W. Hamblin, 2004-06-30 Faulkner scholarship is one of the largest critical enterprises currently at work Because of its size and scope accessing that scholarship has become difficult for scholars students and general readers alike This reference includes chapters on individual approaches to Faulkner studies including archetypal historical biographical feminist and psychological criticism among others Each chapter is written by an expert contributor and surveys the contributions of that approach to Faulkner scholarship The volume concludes with a selected general bibliography and glossary of critical terms William Faulkner is one of the most widely read and studied American writers His works have also generated a vast body of scholarship and elicited criticism from a wide range of approaches Because of its size scope and diversity accessing that scholarship has become difficult for scholars students and general readers alike This reference comprehensively overviews the present state of Faulkner studies The volume includes chapters written by expert contributors Each chapter defines a particular critical approach and surveys the contributions of that approach to Faulkner studies Some of the approaches covered are archetypal biographical feminist historical and psychological among others The book closes with a selected general bibliography and glossary of critical terms *Faulkner, Aviation, and Modern War* Michael Zeitlin, 2021-12-02 Faulkner Aviation and Modern War frames William Faulkner's airplane narratives against major scenes of the early 20th century the Great War the rise of European fascism in the 1920s and 30s the Second World War and the aviation arms race extending from the Wright Flyer in 1903 into the Cold War era Placing biographical accounts of Faulkner's time in the Royal Air Force Canada against analysis of such works as *Soldiers Pay* 1926

All the Dead Pilots 1931 Pylon 1935 and A Fable 1954 this book situates Faulkner's aviation writing within transatlantic historical contexts that have not been sufficiently appreciated in Faulkner's work Michael Zeitlin unpacks a broad selection of Faulkner's novels stories film treatments essays book reviews and letters to outline Faulkner's complex and ambivalent relationship to the ideologies of masculine performance and martial heroism in an age dominated by industrialism and military technology

Faulkner's County William Faulkner, 1955 *The Play's the Thing* James Magruder, Marguerite Elliott, 2024-09-24 An insider's spirited history of Yale Repertory Theatre In this serious and entertaining chronicle of the first fifty years of Yale Repertory Theatre award winning dramaturg James Magruder shows how dozens of theater artists have played their parts in the evolution of a sterling American institution Each of its four chapters is dedicated to one of the Yale Rep's artistic directors to date Robert Brustein Lloyd Richards Stan Wojewodski Jr and James Bundy Numerous sidebars dedicated to the spaces used by the theater the playwrights produced most often casting the prop shop the costume shop artist housing and other topics enliven the lavishly illustrated four color text This fascinating insider account full of indelible descriptions of crucial moments in the Rep's history is based in part on interviews with some of America's most respected actors about their experiences at the Rep including Paul Giamatti James Earl Jones Frances McDormand Meryl Streep Courtney B Vance Dianne Wiest and Henry Winkler among many others More than just a valentine to an important American theater *The Play's the Thing* is a story about institution building and the force of personality about the tug of war between vision and realpolitik and about the continuous negotiation between educational needs and artistic demands

Old Wheelways Robert L. McCullough, 2024-06-11 How American bicyclists shaped the landscape and left traces of their journeys for us in writing illustrations and photographs In the later part of the nineteenth century American bicyclists were explorers cycling through both charted and uncharted territory These wheelmen and wheelwomen became keen observers of suburban and rural landscapes and left copious records of their journeys in travel narratives journalism maps photographs illustrations They were also instrumental in the construction of roads and paths wheelways building them funding them and lobbying legislators for them Their explorations shaped the landscape and the way we look at it yet with few exceptions their writings have been largely overlooked by landscape scholars and many of the paths cyclists cleared have disappeared In *Old Wheelways* Robert McCullough restores the pioneering cyclists of the nineteenth century to the history of

American landscapes McCullough recounts marathon cycling trips around the Northeast undertaken by hardy cyclists who then describe their journeys in such magazines as *The Wheelman Illustrated* and *Bicycling World* the work of illustrators including Childe Hassam before his fame as a painter efforts by cyclists to build better rural roads and bicycle paths and conflicts with park planners including the famous Olmsted Firm who often opposed separate paths for bicycles Today s ubiquitous bicycle lanes owe their origins to nineteenth century versions including New York City s asphalt ribbons Long before there were rails to trails there was a movement to adapt existing passageways including aqueduct corridors trolley rights of way and canal towpaths for bicycling The campaigns for wheelways McCullough points out offer a prologue to nearly every obstacle faced by those advocating bicycle paths and lanes today McCullough s text is enriched by more than one hundred historic images of cyclists often attired in skirts and bonnets suits and ties country lanes and city streets

Hawthorne Melville and Mark Twain [The Complete Works of William Faulkner. Illustrated](#) William Faulkner, 2025-05-27

The Complete Works of William Faulkner illustrated and thoughtfully curated offers readers an immersive journey into the literary world of one of America's greatest novelists. This comprehensive anthology includes Faulkner's early work *Soldiers Pay* showcasing the author's exploration of the psychological toll of war. *Absalom Absalom* delves into the complexities of Southern history, family, and race, demonstrating Faulkner's narrative brilliance. The collection features Faulkner's masterpieces including *The Sound and the Fury*, a modernist triumph capturing the disintegration of a Southern family. *As I Lay Dying* unfolds as a poignant exploration of death, grief, and resilience through the Bundren family's arduous journey. *Light in August* stands as a powerful exploration of race, religion, and identity in the American South. *The Reivers*, a comedic adventure, adds a touch of humor to Faulkner's oeuvre, showcasing his versatility. The inclusion of illustrations enhances the visual experience, providing readers with a deeper connection to Faulkner's intricate narratives. This collection is a literary treasure trove, inviting both Faulkner enthusiasts and newcomers to appreciate the profound impact of his storytelling on American literature. Faulkner's ability to capture the complexities of the human experience, coupled with the visual elements, ensures that this anthology remains a timeless celebration of his enduring legacy.

[Faulkner's Imperialism](#) Taylor Hagood, 2008-11-15

In *Faulkner's Imperialism*, Taylor Hagood explores two staples of Faulkner's world: myth and place. Using an interdisciplinary approach to examine the economic, sociological, and political factors in Faulkner's writing, he applies postcolonial theory, cultural materialism, and the work of the New Southernists to analyze the ways myth and place come together to encode narratives of imperialism and anti-imperialism in the worlds in which Faulkner lived and the one that he created. The resulting discussion highlights the deeply embedded imperial impulses underpinning not just Yoknapatawpha and Mississippi but the Midwest, the Caribbean, France, and a host of often overlooked corners of the Faulknerian map. Faulkner defines space in his fiction by creating places through culturally compelling narratives. Although these narrative spaces often have imperial roots, Hagood reveals how the oppressed can subvert these mythic places by turning the myths against their oppressors. The Greco-Roman myths long recognized as part of Faulkner's fictional world, for example, define racially hybrid spaces ostensibly designed to articulate white patriarchal narratives of imperial control but which actually carry within their very dreams of Arcady an anti-imperial narrative. In *Faulkner's Mississippi Delta*, which he modeled after the Nile Delta, plantation owners evoke the imperial power of ancient Egypt to confirm their own cultural ascendancy, even while African Americans use biblical narratives of the Israelites enslaved in Egypt to speak against the power that controls

them Faulkner also used places he personally experienced such as New Orleans a city that he recognized as containing multiple layers of imperial design to dramatize the constant struggle between the oppressor and the oppressed Rather than reading the roles of myth and place according to conventional myth criticism or typical place models used by other Faulkner scholars Hagood examines the intertextuality within Faulkner's writing as well as the relationship of his writing to others work in an attempt to understand how the texts fit together and speak to one another One of the few books that examine Faulkner's work as a whole Faulkner's Imperialism moves beyond South versus North paradigms to encompass all the spaces within Faulkner's created cosmos considering their interrelationships in a precise holistic way **Cycle World Magazine**, 2003-01 Faulkner's County Don Harrison Doyle, 2001 This history of Lafayette County Mississippi uses William Faulkner's rich fictional portrait of a place and its people to illuminate the past From the arrival of Europeans in Chickasaw Indian territory in 1540 to Faulkner's death in 1962 Doyle chronicles more than four centuries of local history 27 illustrations 3 maps **Reading Faulkner** Hugh Ruppersburg, James Hinkle, Robert McCoy, 1994-11 Explaining the world of William Faulkner's *Light in August* is the primary goal of this glossary Like other books in this series it explains identifies and comments on many elements that a reader may find unfamiliar or difficult These include the basic features of Faulkner's fictional town of Jefferson and Yoknapatawpha County colloquialisms dialects folk customs and sayings farm implements biblical verses and geographic and demographic details Written especially for puzzled readers teachers of Faulkner graduate students and interpretive scholars the Reading Faulkner Series books offer terms and explications that reveal the richly cultural world in Faulkner's major works Page references throughout are keyed to the definitive editions of Faulkner published by Library of America and to the Vintage editions prepared from the Library of America tapes **Dream of a Common Language** Heather McDonald, 1993 This intriguing work produced at the Berkeley Repertory Theatre in New York was inspired by an actual incident women were banned from the artists dinner to plan the first Impressionist painting exhibit in 1874 even though works by women were to be shown In the play the dinner is at the home of Victor a successful artist and Clovis an artist who no longer paints After helping with the preparations and being excluded from the dining room Clovis devises a women only dinner to be held outdoors Faulkner's Fashion Christopher Rieger, 2023-12-14 The first book length study of clothing and dress across William Faulkner's novels and short stories Clothing is one of the most important and pervasive material items throughout William Faulkner's fiction Faulkner's Fashion analyzes the writer's use of clothing from a variety of critical approaches considering how clothing and dress intersect with race class and gender across Faulkner's works It also considers clothes as material objects using Thing Theory and Object Oriented Ontology to illuminate the role clothing plays as an object in conjunction with its multiple layers of symbolic meaning to both the wearer and the observer Faulkner's Fashion reveals how much attention Faulkner pays to garments and fashion in his own life and in his fiction arguing that dress is often a means of characterization for Faulkner while it also connects his narrative representations of
