were linked in many minds to love This darker side was a significant part of the story of changing ideas about intimacy in post war Italy as was the growing desire to marry for love Control and violence against women was closely linked to southern ideas about family honour but also to anxieties about Italy's changing society which manifested itself in romantic jealousy Through its exploration of courtship marriage honour crime forced marriage jealousy and marriage breakdown Love Honour and Jealousy traces the ways in which the lives both of individuals and of the nation itself were shaped by changing understandings of romantic love and its darker companions honour and jealousy Vive le Tour!
