Progress Report. Grade D- Tim Ruggenberg, 2006-05 Why has Christianity failed to inspire the world What has gone wrong
What can be done to make it right This book asks and answers these questions and more Read common sense answers and
observations based on the author s own journey from Christianity to Atheism and back This book is a no holds barred gut
check for anyone seeking spiritual truths *Douglas MacArthur* Arthur Herman, 2017-03-28 A new definitive life of an
American icon the visionary general who led American forces through three wars and foresaw his nation s great geopolitical
shift toward the Pacific Rim from the Pulitzer Prize finalist and bestselling author of Gandhi Churchill Douglas MacArthur
was arguably the last American public figure to be worshipped unreservedly as a national hero the last military figure to
conjure up the romantic stirrings once evoked by George Armstrong Custer and Robert E Lee But he was also one of America
s most divisive figures a man whose entire career was steeped in controversy Was he an avatar or an anachronism a brilliant
strategist or a vainglorious mountebank Drawing on a wealth of new sources Arthur Herman delivers a powerhouse
biography that peels back the layers of myth both good and bad and exposes the marrow of the man beneath MacArthur s life
spans the emergence of the United States Army as a global fighting force Its history is to a great degree his story The son of
a Civil War hero he led American troops in three monumental conflicts World War I World War II and the Korean War Born
four years after Little Bighorn he died just as American forces began deploying in Vietnam Herman s magisterial book spans
the full arc of MacArthur s journey from his elevation to major general at thirty eight through his tenure as superintendent of
West Point field marshal of the Philippines supreme ruler of postwar Japan and beyond More than any previous biographer
Herman shows how MacArthur s strategic vision helped shape several decades of U S foreign policy Alone among his peers

he foresaw the shift away from Europe becoming the prophet of America's destiny in the Pacific Rim Here too is a vivid portrait of a man whose grandiose vision of his own destiny won him enemies as well as acolytes MacArthur was one of the first military heroes to cultivate his own public persona the swashbuckling commander outfitted with Ray Ban sunglasses riding crop and corn cob pipe Repeatedly spared from being killed in battle his soldiers nicknamed him Bullet Proof he had a strong sense of divine mission Mac was a man possessed in the words of one of his contemporaries of a supreme and almost mystical faith that he could not fail Yet when he did it was on an epic scale His willingness to defy both civilian and military authority was Herman shows a lifelong trait and it would become his undoing Tellingly MacArthur once observed Sometimes it is the order one disobeys that makes one famous To capture the life of such an outsize figure in one volume is no small achievement With Douglas MacArthur Arthur Herman has set a new standard for untangling the legacy of this American legend Praise for Douglas MacArthur This is revisionist history at its best and hopefully will reopen a debate about the judgment of history and MacArthur's place in history New York Journal of Books Unfailingly evocative close to an epic More than a biography it is a tale of a time in the past almost impossible to contemplate today as having taken place with MacArthur himself as a figure perhaps too remote to understand but all the more important to encounter The New Criterion With Douglas MacArthur American Warrior the prolific and talented historian Arthur Herman has delivered an expertly rendered compulsively readable account that does full justice to MacArthur's monumental achievements without slighting his equally monumental flaws Commentary *The Progressive Teacher and Southwestern School Journal* ,1917
