**Precious Lord!** Robert L. Jefferson, 2007-11-01

Precious Lord How to Play Black Gospel book 1 is the leading and most comprehensive book on the subject It offers step by step instructions from traditional to contemporary styles and is a great teaching aid for the private instructor and the college professor TRULY A TREASURE To all who have wished for and searched for a good book on how to play black gospel This is it This book is better than good It is excellent The author clearly knows his subject well and is able to present it clearly The book is practical and detailed Many different aspects of black gospel are illustrated and are demonstrated on the accompanying CDs As far as I am concerned this material is classic In view of the quality of the information as well as the fact that this information is normally so difficult to obtain I feel blessed to have bought this book Linden NJ United States

Highly Substantive A long overdue book that delves down into the the theory behind playing black gospel It is well written and substantive Robert L Jefferson has elevated the instruction of gospel to a totally new level With players of the authentic music willing or able to teach being so rare it is a true treat to study with an individual who is so clearly able to articulate it After a brief history of the music Mr Jefferson tackles a wide array of topics from basic chord theory and gospel cadence to

everything from passing chords secondary dominants contemporary licks and fills soul gospel and more Examples are enlightening and abundant Purchasing this book will definitely take you to a whole new level regardless of where you are now When it comes to music instruction books this book ranks TOP on my list Jazz Organist Tokyo Japan     *The Wiley-Blackwell Companion to African Religions* Elias Kifon Bongmba, 2012-03-12 The Wiley Blackwell Companion to African Religions brings together a team of international scholars to create a single volume resource on the religious beliefs and practices of the peoples in Africa Offers broad coverage of issues relating to African religions considering experiences in indigenous Christian and Islamic traditions across the continent Contributors are from a variety of fields ensuring the volume offers multidisciplinary perspectives Explores methodological approaches to religion from anthropological philosophical and historical perspectives Provides insights into the historical developments in African religions as well as contemporary issues such as the development of African initiated churches neo traditional religions and Pentecostalism Discusses important topics at the intersection of culture and religion in Africa including the arts health politics globalization gender relations and the economy     **Catalog of Copyright Entries** Library of Congress.
