Watanabe,2021-01-27 Yamai Zenjirou is your everyday office worker in modern Japan One morning he suddenly finds himself summoned to a tropical world where dinosaurs roam the land He is told that this is the kingdom of Capua and the person who summoned him its monarch Queen Aura wants him to marry her and leave his old life behind for a life of carefree extravagance as her prince consort The reasons for her offer are many and varied but she needs an heir and she wants him to be the one to provide it If he accepts he'll never have to work again lazing around in luxury with no worries other than securing the kingdom its next monarch Certainly sleeping with the buxom beauty is far from a hardship but is everything really as it seems He'll also need to give up everything he knows on Earth Is he ready to drop it all at a moment's notice for

her sake And how well will he be able to navigate the politics people and culture of this new world if he does **The Ideal**  
**Sponger Life: Volume 6** Tsunehiko Watanabe,2022-01-27 With a new year come new beginnings In this case that new beginning is in General Pujol s love life The man s petition to marry the eldest daughter of the Gaziel family has arrived on Aura s desk Ordinarily such a petition would be summarily refused a marriage between the central and provincial nobles runs too great a risk of destabilizing the power of the royal family However Aura s culpability for the general s bachelorhood means that she cannot dismiss the request so easily This presents other problems at least one royal will need to attend which means Zenjirou will be leaving home once again due to the general s insistence on holding the ceremony in the border march At the same time Freya has arrived and when she hears of the wedding she asks to attend as Zenjirou s partner Such an arrangement usually indicates romance between the pair so her suggestion is effectively a marriage proposal How will Zenjirou respond And what will come of his relationship with Aura
