Raccolta

Feast For The Heart:

Ulysses and the Irish God Frederick K. Lang, 1993 This is the most comprehensive and original of the studies dealing with Joyce's response to the idea of God accepted in Ireland and to the sacred images and rituals prevalent there It shows how in Ulysses he undermines and exploits the crucial elements of his rejected faith how he recalls the omnipotent Father to reveal his artistic powers the incarnated Son to celebrate his own human images and the consecrated host to imply his hidden spiritual presence Frederick K Lang has closely analyzed both Joyce's texts and his sources including important sources previously unidentified First he reveals that Joyce's transubstantiation of theology and liturgy in Ulysses is foreshadowed in his first short story There by setting the Latin Mass in an Irish home Joyce casts doubt upon the Church's ability to transform matter and in his revised version of the story he casts further doubt by including parallels with the Greek liturgy a rite he regarded as subversive of the Latin Mass Next Lang reinterprets Joyce's theory of literary art in light of its specific origins in Aguinas and the New Testament and in doing so he reveals the precise meaning of the term epiphany He proceeds to demonstrate that the earlier theory including the concept of epiphany underlies the Hamlet theory and that the famous reference to love is linked to God's narcissism and creativity. How the literary artist resembles God is implied not only in the Hamlet theory but in the references to orthodox and heretical views of the Father Son relation and the Eucharist views that explain Joyce's reincarnation as both Stephen Dedalus and Leopold Bloom In Ulysses the word reincarnation has an additional meaning Not only does Joyce s soul assume new flesh but so does the Word of God Along with the feast of Christ celebrated in Ireland on 16 June 1904 the novel assimilates first the Mass then the black mass and finally the Good Friday liturgy At the end of Ulysses Molly Bloom emerges as the genuine christine prophecied on the first page Joyce's offering of her body blood and water evokes both the Crucifixion and the Eucharist and thus makes flesh a Gospel read in Irish churches on the day he chose as Bloomsday This book is lucid and provocative Free of theory and jargon it not only gives Joyce scholars fresh information and new interpretations but would interest and enlighten any reader of Ulysses BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Christian Spirituality: Latter developments, pt. 1. From the Renaissance to Jansenism Pierre Pourrat, 1927 **Meditations and Instructions on the** Blessed Virgin for the Use of the Clergy and the Faithful Arthur Vermeersch, 1909 **Father Eudes** M. Montzey, 2025-07-20 Reprint of the original first published in 1874 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Library of Congress Subject Headings Library of Congress, 2011 The **Golden Manual** Catholic Church, 1850 The Golden Manual ... a Guide to Catholic Devotion ... Golden manual, 1850 The Raccolta: or, Collection of indulgenced prayers [compiled by T. Galli, tr.] by A. St. John. Authorised transl Raccolta, 1857 Christian Spirituality Gordon Mursell, 2020-02-21 There is a growing interest today in the context and

history of Christian spirituality In this book a team of expert authors from the East and West present a full and fascinating picture of humanity s desire for the divine across the centuries Highlighting the contribution of significant figures through history authors explore the ways in which Christians from the earliest times onwards have sought to express and live out the deepest truth of their faith The Bible and the life of Jesus Christ are the starting point for the story The reader is then guided through the development of spirituality starting an exploration of the significance of the early church fathers and culminating in a survey of the explosion of expressions of Christian divinity across the world in the twentieth century Interspersed with boxed features that provide more detail on key individuals and groups and timelines that put events into their chronological contexts Christian Spirituality is an ideal overview for scholars and interested readers alike Vigilance and the Plague Sébastien Demichel, Mark Sven Hengerer, 2024-04-01 This book focuses on the connection between vigilance and the plaque in France throughout the 17th and 18th centuries For more than three centuries between the middle of the 14th century up until circa 1670 the prevalence of the plaque in France was said to be endemic before it then vanished from French territory The Great Plague of Marseille 1720 1722 which also impacted the rest of Provence the County of Venaissin and Languedoc proved to be an exception During that period the fight against the plaque was deemed a top priority along the French coast and health institutions called bureaux de la sant were developed Contributions to this book primarily focus on health vigilance from the standpoint of how to prevent an epidemic and how to respond to a declared epidemic Among the salient themes addressed are communications between health and different state actors prevailing religious and political norms and the popular participation in the fight against the plaque The use of the concept of vigilance enables the mobilisation of often rather distant branches of history namely institutional social religious history the history of communication and the history of public health Library of Congress Subject Headings Library of Congress. The Origin of the Order of Our Lady of Charity, Or Its History from Its Foundation Until the Revolution Joseph Mary Ory,1918 Traditional Festivals Christian Roy,2005-06-29 This illustrated reference work covers a wide range of festivals that have sacred origins and are or have been part of a folk tradition a world religion or a major civilization Traditional Festivals A Multicultural Encyclopedia travels around the world and across the centuries to uncover an often unexpected richness of meaning in some of the major sacred festivals of the world's religions the hallowed calendars of ancient civilizations and the seasonal celebrations of tribal cultures From Akitu to Yom Kippur its 150 entries look at the content and context of these festivals from a number of perspectives including those relating to theology anthropology folklore and social theory tracing their historical development and variations across cultures Readers will get a vivid sense of what each festival means to the people celebrating it how each captures its culture s beliefs hopes and fears founding myths and redemptive visions and how each expresses the universal need of humans to connect their lives to a timeless spiritual dimension Catechism of Perseverance: an historical, doctrinal, moral and liturgical exposition of the Catholic

religion. Translated ... by F. B. Jamison Jean Joseph GAUME, 1857 The Church ,1856 **American Ecclesiastical Review** Herman Joseph Heuser, 1925 I Am With You Always Benedict C.F.R. Groeschel, 2011-02-18 A Study of the History and Meaning of Personal Devotion to Jesus Christ for Catholic Orthodox and Protestant Christians The devotional life of Christians over the two millennia since Jesus birth has been one of motion changing and growing in response to the challenges presented to the Church the temperaments of newly baptized nations and controversies about how we can and should relate to God And yet the core of authentic Christian devotion has not changed it remains today as it was in the time of the Church Fathers the trusting and personal encounter with Christ that is both open and foundational to the life of all Christian believers In this book the well known spiritual writer and teacher Fr Benedict Groeschel C F R surveys the development and trials of Christian devotion from the days of the martyrs until the twentieth century Tracking it through the centuries and among sadly divided branches of Christianity he finds a commonality of experience and even of language that is constantly ignored among Christians themselves By observing what image of Christ the canvas of common devotion portrays he hopes we will move not to discredit this image but to sharpen it and make it more consistent with the New Testament and the ancient Church Though the devotional life is sometimes brushed off as unimportant in comparison to a theological understanding of Christ Groeschel warns that such dismissal threatens to make distant unknown and obscure the Savior who said I am with you always The answer instead is to draw near to Jesus in devotion and with authentic expressions of that devotion which themselves help paint the image of Christ found concretely in revelation onto the minds and daily life of the devout Begun on a pilgrimage to the Holy Land and the result of years of preparation and a whole life of guiding people as priest public preacher psychologist and spiritual director this book will help Catholic Orthodox and Protestant believers gain not only a comprehensive view of how pious Christians over the centuries have lived out their devotion to God but the examples and perspective they need to live more devoutly today Handbook to Christian and Ecclesiastical Rome: The liturgy in Rome. By M. A. R. Tuker. Feasts and functions of the church. The ceremonies of Holy week Mildred Anna Rosalie Tuker, Hope Malleson, 1900 Matters Liturgical Joseph Wuest, 1925 The Pilgrim of Our Lady of Martyrs ,1894
