The Feast of Love Virgil Thomson,1993 Brass Solo Based on the Pervigilium Veneris Anonymous Latin Stanzas of the 2nd or 4th century A D and is translated by Thompson for baritone and orchestra **Chamber Music for Solo Voice and Instruments, 1960-1989** Kenneth Sheldon Klaus,1994 Lists some 700 published pieces of music for solo voice with small instrumental ensemble written by more than 600 composers between 1960 and 1989 The main section of the book is arranged by voice type and alphabetized by composer Entries include information on difficulty vocal range language The Pervigilium Veneris William M. Barton,2018-05-03 This study provides a critical edition of the Pervigilium Veneris with a Latin text translation and commentary This late antique poem the Vigil of Venus is of unknown date and authorship It exists in four heavily corrupted manuscripts including the Codex Salmasianus as part of a collection of later Latin poetry compiled around the 6th Century AD Considerable attention has been paid to the piece since its first edition in the 16th century largely on account of its singularity mysterious origins and enigmatic final stanza in which the poet suddenly bursts into the piece lamenting his lost muse Despite this scholarly interest much work remained to be done in order to arrive at a more solid text of the poem and a more complete understanding of its meaning This new edition with detailed commentary notes and a full introduction to the historical and literary contexts of the poem furthers our knowledge by offering new perspectives and analysis incorporating existing scholarship and reviving ideas that had previously been set aside **Index to Poetry in Music** Carol June Bradley,2014-03-18 Encompassing both the art song and Lieder traditions the book includes comprehensive lists of the compositions of 125 major western composers identities of the poets who wrote the lyrics titles used by respective composers with cross references from variant titles used by other composers cross references from the first lines publishers of the individual songs location of individual songs within the collected works of individual composers and date of composition With this resource a reader can find the songs written by a particular composer who published a specific song and which composers might have set a particular poem to music Bradley s guide offers a user friendly contemporary index of information for which scholars previously had to search extensively **Art Song in the United States, 1759-1999** Judith E.
