Censoring Sex John E. Semonche, 2007-07-20 In this gracefully written accessible and entertaining volume John

Semonche surveys censorship for reasons of sex from the nineteenth century up to the present He covers the various forms of American media books and periodicals pictorial art motion pictures music and dance and radio television and the Internet The tale is varied and interesting replete with a stock of colorful characters such as Anthony Comstock Mae West Theodore Dreiser Marcel Duchamp Opie and Anthony Judy Blume Jerry Falwell Alfred Kinsey Hugh Hefner and the Guerilla Girls Covering the history of censorship of sexual ideas and images is one way of telling the story of modern America and Semonche tells that tale with insight and flair Despite the varieties of censorship running from self censorship to government bans a common story is told Censorship whether undertaken to ward off government regulation to help preserve the social order or to protect the weak and vulnerable proceeds on the assumption that the censor knows best and that limiting the choices of media consumers is justified At various times all of the following groups were perceived as needing protection from sexually explicit materials children women the lower classes and foreigners As social and political conditions changed however the simple fact that someone was a woman or a day laborer did not support stereotyping that person as weak or impressionable What would remain as the only acceptable rationale for censorship of sexual materials was the protection of children and unconsenting adults For each mode of media Semonche explains via abundant examples how and why censorship took place in America *Censoring Sex* also traces the story of how the cultural territory contested by those advocating and opposing censorship has diminished over the course of the last two centuries Yet Semonche argues the censorship of sexual materials that continues in the United States poses a challenge to the free speech that is part of the foundation upon which the nation is built Indeed in an era in which sexual images are pervasive and the need for reliable information about sex and sexuality is growing he questions the remaining rationales for censorship and the justification for placing obscenity outside the protection of the U S Constitution **The FBI's Obscene File** Douglas M. Charles, 2012-04-26 What do pop artist Andy Warhol sex researcher Alfred Kinsey and cinematic comedians Abbott Costello have in common They all found a prominent place in the FBI's Obscene File In this startling new study Douglas Charles reveals how for more than seventy years FBI officials placed obscenity pornography and the politics of morality among their topmost concerns Illuminating this largely neglected aspect of FBI history Charles charts the evolution of the Bureau's efforts to combat the spread of obscenity and its perceived insidious effects He contends that especially during the five decades under J Edgar

Hoover these efforts became a surprisingly high priority and at times were expressly wielded for political ends even as Hoover hid the file from public view in order to preserve the Bureau's squeaky clean image Charles recounts how the Obscene File was conceived and organized by Hoover and describes its contents which included magazines films and artwork in addition to dossiers on offenders He examines the FBI's targeting of 1940s and 50s race music with its depictions of lewd and licentious acts in obscene and foul language He describes how the FBI collected photos of activities at gay bars and prosecuted businesses that published obscene pro gay magazines and how it participated in the Lavender Scare that targeted gays in the federal government He also details the FBI's efforts to short circuit the distribution of the film Deep Throat and disrupt the pornographic movie industry On the political front Charles tells how Hoover found a fellow crusader in Richard Nixon who hijacked the obscenity issue to rally an electoral base weary of anything goes decade But as changing mores and laws redefined obscenity subsequent directors moved away from Hoover's approach and focused more on mob control of pornography kiddie porn and the war on drugs Subsequently the Obscene File mostly fell into disuse during the presidencies of Bill Clinton and George W Bush the latter president unable to gain any traction with his own obscenity initiatives Taking in the whole scope of these operations Charles's insightful history offers a previously unseen look at a major facet of FBI activities and contributes significantly to our understanding of Hoover and his legacy **Military Law Review** ,1963

Sexual Politics, Sexual Communities John D'Emilio,2012-04-26 With thorough documentation of the oppression of homosexuals and biographical sketches of the lesbian and gay heroes who helped the contemporary gay culture to emerge Sexual Politics Sexual Communities supplies the definitive analysis of the homophile movement in the U S from 1940 to 1970 John D Emilio's new preface and afterword examine the conditions that shaped the book and the growth of gay and lesbian historical literature How many students of American political culture know that during the McCarthy era more people lost their jobs for being alleged homosexuals than for being Communists These facts are part of the heretofore obscure history of homosexuality in America a history that John D Emilio thoroughly documents in this important book George DeStefano Nation John D Emilio provides homosexual political struggles with something that every movement requires a sympathetic history rendered in a dispassionate voice New York Times Book Review A milestone in the history of the American gay movement Rudy Kikel Boston Globe

The Pornography Controversy Ray Rist,2020-02-13 Discusses governmental responsibilities and individual liberties ethical problems of moral judgement and legal considerations in defining and suppressing obscene material **Detention of Mail for Temporary Periods** United States. Congress. House. Committee on Post Office and Civil Service,1959 **Hearings** United States. Congress. House. Committee on Post Office and Civil Service,1959

Records and Briefs of the United States Supreme Court ,1832 **Wolf-Women and Phantom Ladies** Steven Dillon,2015-03-17 Provides encyclopedic coverage of female sexuality in 1940s popular culture Popular culture in the 1940s is organized as patriarchal theater Men gaze upon evaluate and coerce women who are obliged in their turn to put

themselves on sexual display In such a thoroughly patriarchal society what happens to female sexual desire Wolf Women and Phantom Ladies unearths this female desire by conducting a panoramic survey of 1940s culture that analyzes popular novels daytime radio serials magazines and magazine fiction marital textbooks Hollywood and educational films jungle comics and popular music In addition to popular works Steven Dillon discusses many lesser known texts and artists including Ella Mae Morse a key figure in the founding of Capitol Records and Lisa Ben creator of the first lesbian magazine in the United States This exciting book presents a truly capacious understanding of US culture and offers a spectacular array of analyses of how the decade s cultural discourse struggled to define female desire and how so much male literature and filmmaking sought to constrain it Dillon s study will teach scholars of modern American literature and culture a great deal more about the 1940s than they already know or think they know It is a brilliant addition to the field Gordon Hutner author of What America Read Taste Class and the Novel 1920 1960 *United States Reports* United States. Supreme Court,1968 [Sexual Borderlands](#) Kathleen Kennedy, Sharon Rena Ullman,2003 **Buying Gay** David K. Johnson,2019-03-12 In 1951 a new type of publication appeared on newsstands the physique magazine produced by and for gay men For many men growing up in the 1950s and 1960s these magazines and their images and illustrations of nearly naked men as well as articles letters from readers and advertisements served as an initiation into gay culture The publishers behind them were part of a wider world of physique entrepreneurs men as well as women who ran photography studios mail order catalogs pen pal services book clubs and niche advertising for gay audiences Such businesses have often been seen as peripheral to the gay political movement In this book David K Johnson shows how gay commerce was not a byproduct but rather an important catalyst for the gay rights movement Offering a vivid look into the lives of physique entrepreneurs and their customers and presenting a wealth of illustrations *Buying Gay* explores the connections and tensions between the market and the movement With circulation rates many times higher than the openly political homophile magazines physique magazines were the largest gay media outlets of their time This network of producers and consumers helped foster a gay community and upend censorship laws paving the way for open expression Physique entrepreneurs were at the center of legal struggles especially against the U S Post Office including the court victory that allowed full frontal male nudity and open homoeroticism *Buying Gay* reconceives the history of the gay rights movement and shows how consumer culture helped create community and a site for resistance [Modernism and the Law](#) Robert Spoo,2018-08-09 Exploring critical legal issues and cases of the period from Oscar Wilde s prosecution for gross indecency to legal bans on such publications as D H Lawrence s *Lady Chatterley s Lover* Radclyffe Hall s *The Well of Loneliness* and James Joyce s *Ulysses* *Modernism and the Law* is the first book to survey the legal contexts of transatlantic Anglo American modernist culture Written by one of the leading authorities on the subject the book covers such topics as Obscenity laws and censorship Copyrights moral rights and the public domain Patronage and literary piracy Privacy defamation publicity and blackmail Including an annotated list of relevant statutes treaties and cases this is an essential read

for scholars and students coming to the subject for the first time as well as for experienced scholars

Literature Suppressed on Sexual Grounds Dawn B. Sova, 2006 Literature Suppressed on Social Grounds Revised Edition discusses writings that have been banned over the centuries because they offended or merely ignored official truths challenged widely held assumptions or contained ideas or language unacceptable to a state religious institution or private moral watchdog The entries new to this edition include the Captain Underpants series We All Fall Down by Robert Cormier and Jake and Honeybunch Go to Heaven by Margaret Zemach Also included are updates to the censorship histories of such books as To Kill a Mockingbird and Of Mice and Men

The Literature of Waste S. Morrison, 2015-06-03 Tracing material and metaphoric waste through the Western canon ranging from Beowulf to Samuel Beckett Susan Signe Morrison disrupts traditional perceptions of waste to better understand how we theorize manage and are implicated in what is discarded and seen as garbage Engaging a wide range of disciplines Morrison addresses how the materiality of waste has been sedimented into a variety of toxic metaphors If scholars can read waste as possessing dynamic agency how might that change the ethics of refuse ing and ostracizing wasted humans A major contribution to the growing field of Waste Studies this comparative and theoretically innovative book confronts the reader with the ethical urgency present in waste literature itself

A History of the Book in America David Paul Nord, Joan Shelley Rubin, Michael Schudson, David D. Hall, 2015-12-01 The fifth volume of A History of the Book in America addresses the economic social and cultural shifts affecting print culture from World War II to the present During this period factors such as the expansion of government the growth of higher education the climate of the Cold War globalization and the development of multimedia and digital technologies influenced the patterns of consolidation and diversification established earlier The thirty three contributors to the volume explore the evolution of the publishing industry and the business of bookselling The histories of government publishing law and policy the periodical press literary criticism and reading in settings such as schools libraries book clubs self help programs and collectors societies receive imaginative scrutiny as well The Enduring Book demonstrates that the corporate consolidations of the last half century have left space for the independent publisher that multiplicity continues to define American print culture and that even in the digital age the book endures Contributors David Abrahamson Northwestern University James L Baughman University of Wisconsin Madison Kenneth Cmiel d 2006 James Danky University of Wisconsin Madison Robert DeMaria Jr Vassar College Donald A Downs University of Wisconsin Madison Robert W Frase d 2003 Paul C Gutjahr Indiana University David D Hall Harvard Divinity School John B Hench American Antiquarian Society Patrick Henry New York City College of Technology Dan Lacy d 2001 Marshall Leaffer Indiana University Bruce Lewenstein Cornell University Elizabeth Long Rice University Beth Luey Arizona State University Tom McCarthy Beirut Lebanon Laura J Miller Brandeis University Priscilla Coit Murphy Chapel Hill N C David Paul Nord Indiana University Carol Polsgrove Indiana University David Reinking Clemson University Jane Rhodes Macalester College John V Richardson Jr University of California Los Angeles Joan Shelley Rubin University of

Federal Censorship Obscenity In The Mail Introduction

In today's digital age, the availability of Federal Censorship Obscenity In The Mail books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Federal Censorship Obscenity In The Mail books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Federal Censorship Obscenity In The Mail books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Federal Censorship Obscenity In The Mail versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Federal Censorship Obscenity In The Mail books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Federal Censorship Obscenity In The Mail books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Federal Censorship Obscenity In The Mail books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a

non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Federal Censorship Obscenity In The Mail books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Federal Censorship Obscenity In The Mail books and manuals for download and embark on your journey of knowledge?

FAQs About Federal Censorship Obscenity In The Mail Books

1. Where can I buy Federal Censorship Obscenity In The Mail books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
