Economic Theory Of A Socialist Economy:

The Economic Theory of a Socialist Economy Burnham P. Beckwith (économiste).),1949 The Economic Theory of a Socialist Economy Burnham Putnam Beckwith,1959 The economic theory of a socialist economy Burnham P. Beckwith,1968 **On the Economic Theory of Socialism** Oskar Lange,Fred Manville Taylor,1970 It is the belief of many capitalist laymen and economists that a socialist economy is impracticable In this book the arguments that socialism would not provide adequate incentives to spur men to effort enterprise and invention are brilliantly analyzed and finally dismissed as folklore At the same time the authors deny the impracticality of a socialist economy they also present some of its serious problems *On Economic Theory & Socialism* Maurice Dobb,2012-03-22 This volume collects published papers and essays from widely scattered and inaccessible sources some of which appeared for the first time when this book was originally published In the first part of the book the subjects range from the theory of wages and recent trends in economic theory to economists criticism of capitalism and socialism investment policy in under developed countries and economic growth under the Soviet Five Year Plans The second part includes papers on Lenin and Marx a study of the economic ideas of Bernard Shaw and an essay on historical materialism On Economic Theory and Socialism Maurice Dobb,2012 Maurice Dobb was the foremost Marxian economist of his generation in Britain He was noted for his contributions to value theory the theory of economic planning and the analysis of Soviet economic development This set will re issue 7 of his most important works

Socialism and the Market: Marginalist economics and the socialist economy Peter J. Boettke,2000 **Economic Theory and Market Socialism** Oskar Lange,1994 Oskar Lange was one of the few economists able to observe first hand the three major economic systems that have been the hallmark of the 20th century He learned about the economic backwardness of peripheral capitalism in pre war Poland Later he spent more than twelve years in the bastion of modern capitalism the United States After returning to Poland in 1948 he linked his fate to the creation and then reform of the Communist system This important collection of Professor Lange s work prepared by his disciple and close friend Tadeusz Kowalik presents his most important work on the economic theory of socialism economic planning Marxism and bourgeois economics The volume makes an important contribution by improving access to the papers of an economist whose work was at the very heart of the intellectual conflict between socialism and capitalism in the late twentieth century *The Economic Theory of a Socialist Economy. (Second Printing.).* Burnham Putnam BECKWITH,1952 **The Economic Theory of a Socialist Economy. Liberal Socialism. The Pure Welfare Economics of a Liberal Socialist Economy. Second, Enlarged Edition** Burnham Putnam BECKWITH,1974 *Comparative Economic Systems* Jan S. Prybyla,1969 Papers in Economics and Sociology Oskar Lange,2013-10-22 *Papers in Economics and Sociology* is a compilation of materials authored by the Polish economist Oskar Lange The coverage of the essays covers the interrelations between economic and social issues The text first covers the Marxist and socialist theory and then proceeds to tackling political economy and socialism Next the selection deals with

economic theory along with the mathematical models econometrics and statistics utilized in economic analysis The text also covers the economic science in the service of practice The book will be of great use to political scientists sociologists behavioral scientists and economists

A New Model of Socialism Bruno Jossa, 2018-04-27 Economic democracy is essential for creating a truly democratic political sphere This engaging book uses Marxist theory to hypothesise that capitalism is not a democratic system and that a modern socialist system of producer cooperatives and democratically managed enterprises is urgently needed A New Model of Socialism focuses on the current crisis of the political Left a result of the collapse of the Soviet model of society and the decline of statism and kingship Bruno Jossa expands on existing theories to explore Marx's notions on economic democracy in a modern setting He advocates a move away from the centralised planning form of economic socialism towards a self management system for firms that does not prioritise the interests of one class over another in order to achieve greater economic democracy It is argued that the establishment of such a system of democratic firms is the precondition for reducing intervention in the economy thus enabling the State to perform its ultimate function of serving the public interest This timely book is ideal for advanced scholars of Marxist radical and heterodox economic theory as well as academics with an interest in the rise of socialism in our modern world Indeed it will also be of value to all those seeking a viable and practical alternative to existing capitalist and socialist thinking

On the Economic Theory of Socialism Oskar Lange, Fred Manville Taylor, 1970

An Introduction to Marxist Economic Theory Ernest Mandel, 2002

Political Economy of Socialism, 1967 English translation of a Russian language composite work on economics in socialist countries covers economic planning productivity supply and demand management agrarian reform agricultural production wages of rural workers and industrial workers the gross national product communist economic theory and social theory the role of the CMEA etc

Marx Economic Theory Volume 2 Ernest Mandel, 1969

Introduction Labour Necessary product Surplus Product Exchange Commodity Value Money Capital Surplus value The Development of Capital The Contradictions of Capitalism Trade Credit Money Agriculture Reproduction and the Growth of National Income Periodical Crises Monopoly Capitalism Imperialism The Epoch of Capitalist Decline The Soviet Economy The Economy of the Transition Period Socialist Economy Origin Rise and Withering Away of Political Economy Bibliography Index

Economic Theory in the Twentieth Century, An Intellectual History—Volume II Roberto Marchionatti, 2021-09-13 This book set out over three volumes provides a comprehensive history of economic thought in the 20th century with special attention to the cultural and historical background in the development of theories to the leading or the peripheral research communities and their interactions and finally to an assessment and critical appreciation of economic theories Volume II addresses economic theory in the period between the two world wars in which the economic theory went through a process of criticism of old mainstream deconstruction and reconstruction and theoretical ferment which involved the intellectual communities of economists emphasizing their nature of evolving interacting entities This work provides a significant and

original contribution to the history of economic thought and gives insight to the thinking of some of the major international figures in economics It will appeal to students scholars and the more informed reader wishing to further their understanding of the history of the discipline **On the Economic Theory of Socialism , Towards a Theory of Planned Economy**
Branko Horvat, 2018-09-28 This title was first published in 1964 The purpose of the present study is to examine the issues involved in designing an efficient economic system in given historical circumstances The author draws heavily on the experiences provided by the failures and successes of the postwar Yugoslav economy The book is one of the first major studies in English of the theory of an economy of the Yugoslav type

Economic Theory Of A Socialist Economy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Economic Theory Of A Socialist Economy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Economic Theory Of A Socialist Economy has opened up a world of possibilities. Downloading Economic Theory Of A Socialist Economy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Economic Theory Of A Socialist Economy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Economic Theory Of A Socialist Economy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Economic Theory Of A Socialist Economy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Economic Theory Of A Socialist Economy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Economic Theory Of A Socialist Economy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Economic Theory Of A Socialist Economy Books

1. Where can I buy Economic Theory Of A Socialist Economy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
